first time, one of South Korea's most treasured writers explores the driving forces of humanity—love, hope, creation, destruction, and the very meaning of existence—in two pairs of thematically interconnected stories. Two worlds, four stories, infinite possibilities In "I'm Waiting for You" and "On My Way," an engaged couple coordinate their separate missions to distant

corners of the galaxy to ensure—through relativity—the y can arrive back on Earth simultaneously to make it down the aisle. But small incidents wreak havoc on space and time, driving their wedding date further away. As centuries on Earth pass and the land and climate change, one thing is constant: the desire of the lovers to be together. In two separate yet linked stories, Kim

Bo-Young cleverly demonstrate the idea love that is timeless and hope springs eternal, despite seemingly insurmountable challenges and the deepest despair. In "The Prophet of Corruption" and "That One Life," humanity is viewed through the eyes of its creators: godlike beings for which everything on Earth—from the richest woman to a speck of dirt—is an

extension of their will. When one of the creations questions the righteousness of this arrangement, it is deemed a perversion—a disease—that must be excised and cured. Yet the Prophet Naban, whose “child” is rebelling, isn’t sure the rebellion is bad. What if that which is considered criminal is instead the natural order—and those who condemn it corrupt? Exploring the dichotomy

between the philosophical and the corporeal, Kim ponders the fate of free-will, as she considers the most basic of questions: who am I? [A Vow of Fidelity](#) Penguin Singer Come from Afar, by Kim Stafford, offers poems that challenge, sustain, and forgive. [Vow of Evil](#) Lily Zante A #1 New York Times bestseller by Kim Edwards, [The Memory Keeper’s Daughter](#) is a brilliantly

crafted novel of parallel lives, familial secrets, and the redemptive power of love Kim Edwards’s stunning novel begins on a winter night in 1964 in Lexington, Kentucky, when a blizzard forces Dr. David Henry to deliver his own twins. His son, born first, is perfectly healthy, but the doctor immediately recognizes that his daughter has Down syndrome. Rationalizing it as a need to

protect Norah, his wife, he makes a split second decision that will alter all of their lives forever. He asks his nurse, Caroline, to take the baby away to an institution and never to reveal the secret. Instead, she disappears into another city to raise the child herself. So begins this beautifully told story that unfolds over a quarter of a century—in which these two families, ignorant of each other,

are yet bound by the fateful decision made that winter night long ago. A family drama, The Memory Keeper's Daughter explores every mother's silent fear: What would happen if you lost your child and she grew up without you? It is also an astonishing tale of love and how the mysterious ties that hold a family together help us survive the heartache that occurs when long-buried secrets are finally

uncovered. When No One Is Watching B&H Publishing Group When three best friends come together for their sorority sister's tony wedding on New Year's Eve, they make a vow at the stroke of midnight to get married within one year. As the three women embark on their search to find their soul mates, they navigate the full-contact sport known as being a SSBFDLA (successful,

single, black, female dating in L.A.) and negotiate the shark-infested waters of making a name for themselves in Hollywood. Can Trista, the hyper-driven celebrity agent, find the time to schedule a meaningful romance? Will Amaya, the sexy starlet, convince the married hip hop-label exec she has been seeing to leave his wife and slip a ring on her finger or will the NBA star steal her heart in the final seconds?

After undergoing a complete makeover, will Vivian, the jaded gossip columnist, win back the father of her child? Set against the seductive backdrop of money, power, and sex, *The Vow* follows these women as they discover that their desire to find a husband isn't as important as finding themselves. *Vow of Deception* Dannika Dark My husband. e most notorious man in the city offers me a job.Act as his dead wife.Adrian Volkov isn't the type of person who takes no for an answer.He commands with an iron fist and all his orders are met.When he approaches me with the offer, I have two options.Go to prison or put myself under his wrath.I choose to have a roof over my head. A heartbreaking story of magical worlds. While in hiding at a remote convent, a king's daughter sees a magical being

dragging a shipwrecked man to the shore. The creature is a mermaid princess - the youngest daughter of the Sea Queen - but she shares more with her human counterpart than her royal blood. By saving a young man's life, both women have sacrificed their hearts. In one moment, the lives of the princesses, mortal and mermaid, are transformed forever.

"It hardly matters if you've known someone a lifetime or a minute. Our wolves always know who they belong

to.” Melody is an ambitious entrepreneur who has always loved the thrill of a new adventure, but she’s about to get more than she bargained for when the only way to save her business is to secure a deal with a powerful tribal leader. Running Horse, Oklahoma, isn’t on the map, and Mel is about as lost as a Shifter can get. When she unexpectedly runs into her best friend’s brother, her

friendly visit quickly turns treacherous. Lakota Cross is a man with secrets. While tracking a killer, he reunites with Melody, and their friendship sparks into a passionate affair. But if he doesn’t quell the fire soon, it might burn out of control. Once again, fate brings these two Shifters together in a moment of need. But will the sacrifice be greater than the reward? Two months after their marriage, a devastating car wreck left Krickitt with a massive head injury and in a coma for weeks. When she finally awoke, she had no idea who Kim was. With no recollection of their relationship

and while Krickitt experienced personality changes common to those who suffer head injuries, Kim realized the woman he had married essentially died in the accident. And yet, against all odds, but through the common faith in Christ that sustained them, Kim and Krickitt fell in love all over again. Even though Kim stood by Krickitt through the darkest times a husband can ever imagine,

he insists, "I'm no hero. I made a vow." Ever since Rachel found a way to save the souls of vampires, the old undead's longtime ascendancy has been broken. Now Constance sees eliminating Rachel as the key to consolidating her own power. Rachel has no desire to be enthralled or killed--and she's terrified of what may
