learn Japanese. Essential Japanese Grammar presents many unique features. First, grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required. Second, abundant example sentences are written in Japanese characters (kana and kanji) followed by romanji and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable

grammar books--such as rare Japanese verbs, adjectival nouns, clauses, adverbs, etc. This Japanese grammar book contains: Parts of speech. Sentence constructions. Conjugations forms. Speech styles and tones. Accentuation rules. Essential words and functional elements. An appendix for referencing and cross-referencing Japanese words. **Learn Japanese with Word Search Puzzles** Quickstudy Reference Guides Essential functions and

situations, and simple sentence patterns.

**Pocket Japanese Grammar** Quickstudy Reference Guides

This is an invaluable study guide and practice book for learning basic Japanese kanji. Learning Japanese Kanji Practice Book is intended for beginning students or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise written

Japanese. This book presents the kanji characters that are most commonly used. All the kanji and related vocabulary words in this book are those that students are expected to know for Level 5 of the Japanese Language Proficiency Test. (JLPT). Characters that appear in the AP Japanese Language and Culture Exam are flagged. Readings, meanings, and common compounds are presented. The correct method of writing each character is clearly

indicated, and practice boxes with strokes that can be traced are provided, along with empty boxes for freehand writing practice. Lots of exercises are included to give students the opportunity to practice writing sentences containing the Kanji. Indexes at the back allow you to look up the characters by their readings and English meanings. This kanji book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to

practice writing characters. Extra printable practice grids Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

This is a clear simple and compact guide to colloquial, everyday Japanese grammar. *Basic Japanese Grammar* teaches all the grammar you need to speak Japanese and understand simple spoken Japanese. Covering what is essential, it provides an efficient way for learners who have limited time to learn Japanese and begin to communicate naturally with Japanese speakers. It is intended for self-study or classroom use. It offers a practical course in

colloquial Japanese but leaves aside forms that are unnecessary or little used as well as those that are more important for written Japanese. In short chapters, it helps the user understand the logic of Japanese grammar, while its straightforward explanations and clear examples make learning as easy as possible. The grammar section includes a glossary of grammatical terms and an index, as well as appendixes on Japanese pronunciation and verb conjugation. All Japanese words and

phrases are written in Kanji and Kana (Hiragana and Katakana) as well as Romanized Japanese (Romanji) and English. Explanations are given in English.
