Star Trek: The Wisdom of Picard Basic

Books

“A call-to-action to everyone out there who wants to fight back.” —Bustle
 “Scandal, justice, romance, sex positivity, subversive anti-sexism—just try to put it down.” —Kirkus Reviews (starred review) “Cuts straight to the core of rape culture—masterfully fierce, stirring, and deeply empowering.”
 —Amber Smith, New York Times bestselling author of *The Way I Used to Be*
 Three misfits come together to avenge the rape of a fellow classmate and trigger a change in the misogynist culture at their high school transforming the lives of everyone around them in this searing and timely story. Who are the Nowhere Girls? They’re everygirl. But they start with just three: Grace Salter is the new girl in town, whose family was run out of their former community after her southern Baptist preacher mom turned into a radical liberal after falling off a horse and bumping her head. Rosina Suarez is the queer punk girl in a conservative Mexican immigrant family, who dreams of a life playing music instead of babysitting her gaggle of cousins and waitressing at her uncle’s restaurant. Erin Delillo is obsessed with two things: marine biology and *Star Trek: The Next Generation*, but they aren’t enough to distract her from her suspicion that she may in fact be an android. When Grace learns that Lucy Moynihan, the former occupant of her new home, was run out of town for having accused the popular guys at school of gang rape, she’s incensed that Lucy never had justice. For their own personal reasons, Rosina and Erin feel equally deeply about Lucy’s tragedy, so they form an anonymous group of girls at Prescott High to resist the sexist culture at their school, which includes boycotting sex of any kind with the male

students. Told in alternating perspectives, this groundbreaking novel is an indictment of rape culture and explores with bold honesty the deepest questions about teen girls and sexuality.

Obsessed With Star Trek Simon & Schuster Books for Young Readers
A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more

dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison’s descent and ultimately hopeful climb out of the depths.

Star Trek: Designing the Final Frontier Simon and Schuster

Discover all of Captain Jean-Luc Picard’s sage advice, insight, and wisdom from the deck of the *USS Enterprise* and beyond in this ultimate collection of wise words from the esteemed Starfleet captain. Any *Star Trek* fan knows that Captain Jean-Luc Picard is renowned for his impressive oratory skills, preferring negotiation and diplomacy over violence and destruction. Now, you can finally ponder all of his wisdom in one place—from his thoughts on leadership

and sense of duty to justice and the limitlessness of exploration—in *Star Trek: The Wisdom of Picard*. Journey with the Starfleet captain through his seven seasons on *Star Trek: The Next Generation* to the *Star Trek* movies to the current series *Star Trek: Picard*. *Star Trek: The Wisdom of Picard* boldly goes where no book has gone before to log Picard's timeless advice in one impressive collection, perfect for *Star Trek* fans everywhere! Make it so! *Phasers on Stun!* Pocket Books/*Star Trek*

The lost literary origin story of #1 bestseller *Lev Grossman* - including a new foreword about how and why he wrote his first novel: "It is the intense, concentrated, boiled-down essence of the unhappiest years of my life." Twenty-something Hollis Kessler languishes in a hopelessly magician-less world (with the exception of a fleet-footed nymph named Xanthe) not too far from where he graduated college. His friends do, too. They sleep late, read too much, drink too much, talk too much, and work and earn and do way too little. But Hollis does have an obsession: there's another world going on in his head, a world of excitement and danger and starships and romance, and it's telling him that it's time to stop dreaming and get serious. This re-publication of *Lev Grossman's* debut novel, *Warp*, shows the roots of his *Magicians* hero *Quentin Coldwater* in a book that is for anyone (and everyone) who has ever felt adrift in their own life. [What Price Honor](#) Chronicle Books

Written with inside access, comprehensive research, and a down-to-earth perspective, *Phasers on Stun!* chronicles the entire history of *Star Trek*, revealing that its enduring place in pop culture is all thanks to innovative pivots and radical change. For over five decades, the heart of *Star Trek's* pro-

science, anti-racist, and inclusive messaging has been its willingness to take big risks. Across thirteen feature films, and twelve TV series—including five shows currently airing or in production—the brilliance of *Star Trek* is in its endless ability to be rethought, rebooted, and remade. Author and *Star Trek* expert *Ryan Britt* charts an approachable and entertaining course through *Star Trek* history; from its groundbreaking origins amid the tumultuous 1960s, to its influence on diversifying the space program, to its contemporary history-making turns with LGBTQ+ representation, this book illuminates not just the behind-the-scenes stories that shaped the franchise but the larger meaning of the Final Frontier. Featuring over 100 exclusive interviews with actors and writers across all the generations, including *Walter Koenig*, *LeVar Burton*, *Dorothy Fontana*, *Brent Spiner*, *Ronald D. Moore*, *Jeri Ryan*, and many more, *Britt* gets the inside story on all things *Trek*, like *Spock's* evolution from red devil to the personification of logical empathy, the near failure to launch of *The Next Generation* in 1987, and how *Trekkie* outrage has threatened to destroy the franchise more than once. The book also dives deep with creators like *Michael Chabon* (co-creator of *Star Trek: Picard*) and *Nicholas Meyer* (director, *The Wrath of Khan*). These interviews extend to the bleeding edge of contemporary *Star Trek*, from *Discovery* to *Picard* to *Lower Decks*, and even the upcoming highly anticipated 2022 series, *Strange New Worlds*. For fans who know every detail of each *Enterprise* bridge, to a reader who has never seen a single minute of any *Star Trek*, this book aims to entertain, inform, and energize. Through humor, insight, archival research, and

unique access, this journey through the Star Trek universe isn't just about its past but a definitive look at its future.

Star Trek: Light-Up Starship Enterprise
Obsessed With Star Trek

Author Marc Cushman had the honor of befriending both Gene Roddenberry and Robert H. Justman, who cooperated in the development of this three-book series and backed their endorsement with hundreds of never-before-released documents concerning the writing and production of Star Trek, the original series (TOS). After decades of research, hundreds of exclusive interviews, and the inclusion of thousands of documents, from story outlines to scripts to interoffice memos between Roddenberry and his creative staff, correspondences with NBC and Desilu Studios, production schedules, budgets, and even the Nielsen ratings for every episode of the first Star Trek series, *These are the Voyages* serves as a time machine, taking the reader back to witness the creation, writing and making of Star Trek.--From publisher description.

Get a Life! National Geographic Books
The mysterious "missing years" of Captain Picard's life—before he commanded the Enterprise—are

revealed at last in this Star Trek: The Next Generation novel! Jean-Luc Picard. His name has gone down in legend as the captain of the U.S.S. Stargazer and two starships Enterprise. But the nine years of his life leading up to the inaugural mission of the U.S.S. Enterprise to Farpoint Station have remained a mystery—until now, as Picard's lost era is finally unearthed. Following the loss of the Stargazer and the brutal court-martial that resulted, Picard no longer sees a future for himself in Starfleet. Turning to his other love, archaeology, he embarks on a quest to rediscover a buried age of ancient galactic history...and awakens a living survivor of that era: a striking, mysterious woman frozen in time since before the rise of Earth's dinosaurs. But this powerful immortal has a secret of cataclysmic proportions, and her plans will take Picard—aided along the way by a brilliant but naive android, an insightful Betazoid, and an enigmatic El-Aurian—to the heights of passion, the depths of betrayal, and the farthest reaches of explored space.

Revenge of the Star Survivors Cider Mill Press

Celebrate the 40th anniversary of Star Trek: The Motion Picture with this classic movie novelization written by legendary Star Trek creator Gene Roddenberry! The original five-year mission of the Starship Enterprise to explore strange new worlds and to seek out new life and new civilizations has ended. Now James T. Kirk, Spock, Dr. McCoy, and the rest of the crew of the Enterprise have separated to follow their own career paths and different lives. But now, an overwhelming alien threat—one that is ignoring all attempts at communication and annihilating all opposition in its path—is on a collision course with Earth,

the very heart of the United Federation of Planets. And the only vessel that Starfleet can send in time to intercept this menace is a refitted Enterprise, with her old crew heeding the call to once again boldly go where no one has gone before....

The Q Continuum RP Minis

NEW YORK TIMES BESTSELLER • “An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself.”—Glennon Doyle, #1 New York Times bestselling author of *Untamed* “You don’t know how much you need this book, or maybe you do. Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What’s more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism,

she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don’t need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

Star Trek: Light-and-Sound Borg Cube

Weldon Owen International

Professor Richard Hanley faced the dilemma plaguing so many philosophy professors today—how to entice students into the classroom. Based upon his own successful course, *Is Data Human* presents a thoroughly unique and enjoyable way of introducing students to the basic concepts of philosophy as seen through the lens of *Star Trek*. From the nature of a person, of minds, and of consciousness, to ethics and morality, to the nature and extent of knowledge and free will, Hanley brings a

fresh perspective to the contemporary debates concerning humankind's place in the world. Dare to boldly go where no philosophy professor has gone before—a classroom packed with eager and enthusiastic students.

Star Trek Cats Simon and Schuster
Middle school meets the Dark Side in this grimly hilarious survival story of a sci-fi-obsessed eighth grader. Clark Sherman's situation is desperate. He's just crash-landed on an inhospitable planet--also known as Festus Middle School--where the natives don't take kindly to newcomers . . . particularly ones who love sci-fi and memorizing episodes of the hit TV show *Star Survivors*. Hostile natives include violent bullies, uncaring teachers, and the fiendishly evil Principal Denton, and Clark realizes he'll be lucky enough to survive eighth grade, let alone thrive. But then, three kindred life forms make themselves known . . . and suddenly, Clark finds he not only has the will to survive, but the strength to fight back. Sharp, painfully funny, and deeply moving, *Revenge of the Star Survivors* is a story for sci-fi fans-- and for anyone who's ever felt alone in this world. Michael Merschel's witty writing, by turns hilarious and heartbreaking, brings Clark's inner strength into the light. Winner of the Texas Institute of Letters

Jean Flynn Award for Best Children's Book

Feynman's Rainbow RP Minis

Longtime enemies of the Federation, the Romulan Empire has expressed its desire to initiate negotiations which, it is hoped, will lead to a lasting peace and the ultimate goal of unity within the galaxy. But upon their arrival on Romulus, the Enterprise crew is faced not with hope for the future but with a plot that threatens the very existence of Federation space. In the heart of the Romulan Empire, have Captain Jean-Luc Picard and the Federation encountered their Nemesis at last?

Obsessed Simon and Schuster
