One Piece, Vol. 90 Kurokawa

Juan, a freelance reporter, stumbles on a scoop at the local hospital: people are dying in their sleep. Healthy married couples in the prime of life are being discovered dead in their own beds.

The connection seems to be the Little Girl, an autistic child. Each time she's been adopted by a set of foster parents, these turn up dead in their beds the next morning, with no visible cause of death. Digging deeper, Juan discovers that the Little Girl's biological parents met an even more horrible fate... Haunting and frightening, "Sleep, Little Girl" reminds us that there are forces in the universe that should not be tempted. Sergio Bleda, author and artist of this SAF graphic novel, first gained attention for his horror comics series "The Vampire's Dance."

Ippo - saison 1, La rage de vaincre - tome 27 Kurokawa

A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: "A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended." -The Manga Critic "A page-turning tale of sordid middle school blackmail." -Otaku USA Magazine "By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption." -Otaku Champloo

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).
