I Used to Play Piano Simon and Schuster
Lots of piano books offer either in-depth analysis or quick gimmicks that don't really teach music theory. But *The Only Basic Piano Instruction Book You'll Ever Need* is different. For students who want to learn the basics and dive right into playing, this book skips all the unnecessary trivia on the history of pianos

and avoids lengthy digressions on classical and contemporary musicians. Instead, it focuses specifically on piano instruction and includes: The basics of musical terms, definitions, note-reading structure, and time and key signatures The foundations for chords and more complicated note constructs Exercises and sample pieces of music that range from playing simple notes to combining harmony and melody Perfect even for those starting from scratch, *The Only Basic Piano Book You'll Ever Need* makes learning to play a cinch. *Piano Book for Adult Beginners* Hal
