Barnacle Book

"I've paged through stacks of books on the history of watches. . . . But I hadn't come across a book that actually moved me until I picked up *A Man and His Watch*. The volume is filled with heartfelt stories." —T: *The New York Times Style Magazine* "There are a bunch of

beautifully illustrated watch books out there, but *A Man & His Watch* by Matt Hranek is more than that. It speaks to the nature of watches as deeply personal items." —Gear Patrol, *Coffee Table Books Our Staff Can't Live Without* Paul Newman wore his Rolex Daytona every single day for 35 years until his death in 2008. The iconic timepiece, probably the single most sought-after watch in the world, is now in the possession of his daughter Clea, who wears it every day in his memory. Franklin Roosevelt wore an elegant gold Tiffany watch, gifted to him by a friend on his birthday, to the famous Yalta Conference where he shook the hands of Joseph Stalin and Winston Churchill.

JFK's Omega worn to his presidential inauguration, Ralph Lauren's watch purchased from Andy Warhol's personal collection, Sir Edmund Hillary's Rolex worn during the first-ever summit of Mt. Everest . . . these and many more compose the stories of the world's most coveted watches captured in *A Man and His Watch*. Matthew Hranek, a watch collector and NYC men's style fixture, has traveled the world conducting firsthand interviews and diving into exclusive collections to gather the never-before-told stories of 76 watches, completed with stunning original photography of every single piece. Through these intimate accounts and Hranek's

storytelling, the watches become more than just timepieces and status symbols; they represent historical moments, pioneering achievements, heirlooms, family mementos, gifts of affection, and lifelong friendships.

#1 NEW YORK TIMES BESTSELLER • Meghan, The Duchess of Sussex's first children's book, *The Bench*, beautifully captures the special relationship between father and son, as seen through a mother's eyes. The book's storytelling and illustration give us snapshots of shared moments that evoke a deep sense of warmth,

connection, and compassion. This is your bench Where you'll witness great joy. From here you will rest See the growth of our boy. In *The Bench*, Meghan, The Duchess of Sussex, touchingly captures the evolving and expanding relationship between father and son and reminds us of the many ways that love can take shape and be expressed in a modern family. Evoking a deep sense of warmth, connection, and compassion, *The Bench* gives readers a window into shared and enduring moments between a diverse group of fathers and sons—moments of peace and reflection, trust and belief, discovery and learning, and lasting comfort. Working in watercolor

for the first time, Caldecott-winning, bestselling illustrator Christian Robinson expands on his signature style to bring joy and softness to the pages, reflecting the beauty of a father's love through a mother's eyes. With a universal message, this thoughtful and heartwarming read-aloud is destined to be treasured by families for generations to come.

A picture book about immigration, *Watch Me* is based on the author's father's own story. Joe came to America from Africa when he was young. He worked hard in school, made friends, and embraced his new home. Like so many immigrants before and after him, Joe

succeeded when many thought he would fail. In telling the story of how his father came to America, Doyin Richards tells the story of many immigrants, and opens the experience up to readers of all backgrounds. Here is a moving and empowering story of how many different people, from different places, make us great. Acclaimed artist Joe Cepeda brings the story to life with beautiful paintings, full of heart.

 Award-winning TV Host
 and Journalist Tamron
 Hall, *As The Wicked
 Watch* follows a
 reporter as she
 unravels the disturbing
 mystery around the
 deaths of two young
 Black women, the work
 of a serial killer
 terrorizing Chicago.
 When crime reporter
 Jordan Manning leaves
 her hometown in Texas
 to take a job at a
 television station in
 Chicago, she's one
 step closer to her
 dream: a coveted
 anchor chair on a
 national network.
 Jordan is smart and
 aggressive, with

unabashed star-power, and often the only woman of color in the newsroom. Her signature? Arriving first on the scene—in impractical designer stilettos. Armed with a master's degree in forensic science and impeccable instincts, Jordan has been able to balance her dueling motivations: breaking every big story—and giving a voice to the voiceless. From her time in Texas, she's covered the vilest of human behaviors but nothing has prepared her for Chicago. Jordan is that rare breed of a journalist who can navigate a crime scene as well as she can a newsroom—often noticing what others tend to miss. Again and again, she is called to cover the murders of Black women, many of

them sexually assaulted, most brutalized, and all of them quickly forgotten. All until Masey James—the story that Jordan just can't shake, despite all efforts. A 15-year-old girl whose body was found in an abandoned lot, Masey has come to represent for Jordan all of the frustration and anger that her job often forces her to repress. Putting the rest of her work and her fraying personal life aside, Jordan does everything she can to give the story the coverage it desperately requires, and that a missing Black child would so rarely get. There's a serial killer on the loose, Jordan believes, and he's hiding in plain sight.

As seen on Good Morning America as a Summer Reads Pick “One of the smartest, sharpest, and funniest books I’ve read in years... Some books are meant to be devoured—this one does the devouring.”—Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* One of Summer 2021's Most Anticipated Novels Good Morning America, Cosmopolitan, Good Housekeeping, Real Simple, theSkimm, E! Online, Oprah Daily, The New York Post, Woman's Day, Parade, Bustle, Yahoo!, The Stripe, Popsugar, Medium, Lithub, Book Riot, The Nerd Daily, and more! It’s a club like no other. Only the most important women receive an invitation.

But one daring young reporter is about to infiltrate this female-run secret society, whose bewitching members are caught up in a dark and treacherous business. From the author of *Happy and You Know It*. For years, rumors have swirled about an exclusive, women-only social club where the elite tastemakers of NYC meet. People in the know whisper all sorts of claims: Membership dues cost \$1,000 a month. Last time Rihanna was in town, she stopped by and got her aura read. The women even handpicked the city's first female mayor. But no one knows for sure. That is, until journalist Jillian Beckley decides she's going to break into the club. With her career in freefall, Jillian

needs a juicy scoop, and she has a personal interest in bringing these women down. But the deeper she gets into this new world—where billionaire "girlbosses" mingle with witchy Bohemians—the more Jillian learns that bad things happen to those who dare to question the club's motives or giggle at its outlandish rituals. The select group of women who populate the club may be far more powerful than she ever imagined. And far more dangerous too.

There's a Monster in Your Book Hendrickson Publishers When John Harvey's watch stops working on the morning of February 3rd, 1987, he has an epiphany. It occurs to him that every personal trauma he is trying to forget has had one thing in common: they all occurred at some point on the face of that very watch. The loss of his job, the death of his child, Zola's suicide, all contained right there in that tiny circle of finite numbers. So he smashes the watch. Problem solved. But

when John steps out the door to make his daily trek to the local bar as a man newly freed from the tyrannies of time, he is met by a snowstorm that renders him completely blind, and a walk that should have taken just a few minutes begins to feel like years. Because as John Harvey wanders alone through the snow with no sun nor sign to guide him, the twenty-eight year old misanthrope is confronted by the vivid manifestation of every ghost he has devoted his lonely life to avoiding. In the storm he is forced to finally accept the suffering he has been hiding from. In the storm he is forced to understand that the only thing worse than never truly seeing is never truly

being seen. In the storm he is forced, for once, to watch.

Bea Schumacher is a

devastatingly stylish plus-size fashion blogger who has amazing friends, a devoted family, legions of Insta followers—and a massively broken heart. Like the rest of America, Bea indulges in her weekly obsession: the hit reality show *Main Squeeze*. The fantasy dates! The kiss-off rejections! The surprising amount of guys named Chad! But Bea is sick and tired of the lack of body diversity on the show. Since when is being a size zero a prerequisite for getting engaged on television? Just when Bea has sworn off dating altogether, she gets an intriguing call: *Main Squeeze* wants her to be its next star, surrounded by men vying for her affections. Bea agrees,

on one condition—under no circumstances will she actually fall in love. She’s in this to supercharge her career, subvert harmful beauty standards, inspire women across America, and get a free hot air balloon ride. That’s it. But when the cameras start rolling, Bea realizes things are more complicated than she anticipated. She’s in a whirlwind of sumptuous couture, Internet culture wars, sexy suitors, and an opportunity (or two, or five) to find messy, real-life love in the midst of a made-for-TV fairy tale. In this joyful, wickedly observant debut, Bea has to decide whether it might just be worth trusting these men—and herself—for a chance to live

happily ever after.

The Ride of Her Life

Harper Collins

The important thing about The Important Book -- is that you let your child tell you what is important about the sun and the moon and the wind and the rain and a bug and a bee and a chair and a table and a pencil and a bear and a rainbow and a cat (if he wants to). For the important thing about The Important Book is that the book goes on long after it is closed. What is most important about many familiar things -- like rain and wind, apples and daisies -- is suggested in rhythmic words and vivid pictures. 'A perfect book . . . the text establishes a word game which tiny children will accept with glee.' -- K.

This stunningly beautiful picture book from New York Times bestselling author-illustrator Eliza Wheeler is based on her grandmother's childhood and pays homage to a family's fortitude as they discover the meaning of home. Eliza Wheeler's gorgeously illustrated book tells the story of what happens when six-year-old Marvel, her seven siblings, and their mom must start all over again after their father has died. Deep in the woods of Wisconsin they find a tar-paper shack. It doesn't seem like much of a home, but they soon start seeing what it could be. During their first year it's a struggle to

maintain the shack and make sure they have enough to eat. But each season also brings its own delights and blessings--and the children always find a way to have fun. Most importantly, the family finds immense joy in being together, surrounded by nature. And slowly, their little shack starts feeling like a true home--warm, bright, and filled up with love.

Q: Why are you called the Other People? A: We are people just like you. People to whom terrible things have happened. We’ve found solace not in forgiveness or forgetting. But in helping each other find justice. Driving home one night, stuck behind a rusty old car, Gabe sees a little girl’s face appear in its rear window. She mouths one word: Daddy. It’s his five-year-old daughter, Izzy. He never sees her again. Three years later, Gabe spends his days and nights traveling up and down the highway, searching for the car

that took his daughter, refusing to give up hope, even though most people believe she’s dead. When the car that he saw escape with his little girl is found abandoned with a body inside, Gabe must confront not just the day Izzy disappeared but the painful events from his past now dredged to the surface. Q: What sort of justice? A: That depends on the individual. But our ethos is a punishment that fits the crime. Fran and her daughter, Alice, also put in a lot of miles on the road. Not searching. Running. Because Fran knows what really happened to Gabe’s daughter. She knows who is responsible. And she knows what they will do if they ever catch up to her and

Alice. Q: Can I request and unless there are
