The Idea Factory Disha Publications

This is a print on demand edition of a hard to find publication. The fact that the outcome of the 2006 Hezbollah-Israeli War was, at best, a stalemate for Israel has confounded military analysts. Long considered the most professional and powerful army in the Middle East, with a history of impressive military victories against its enemies, the Israeli Defense Forces (IDF) emerged from the campaign with its enemies undefeated and its prestige tarnished. This historical analysis of the war includes an examination of IDF and Hezbollah doctrine prior to the war, as well as an overview of the operational and tactical problems encountered by the IDF during the war. The IDF ground forces were tactically

unprepared and untrained to fight against a determined Hezbollah force. *An insightful, comprehensive examination of the war.* Illustrations.

Oswaal One For All Olympiad Previous Years' Solved Papers, Class-4 General Knowledge Book (Useful book for all Olympiads) (For 2023 Exam) Prabhat Prakashan

Reasoning enhances the logical thinking skills. It determines one's aptitude which is why many competitive examinations ask questions from it.
