MELENDEZ KELLEY

Lena Blackburne and the Secret Mud That Changed Baseball

Crabtree Seedlings

American professional surfer, Kelly Slater has been crowned ASP World Champion a record 11 times. He is both the youngest and oldest to win the title, at ages 20 and 39. He is considered a star on the waves, but has also had a career in Hollywood. He's appeared in several movies, television shows, and is an author. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing Company.

Hello, Universe Smithsonian Institution

Young children are natural problem solvers and always looking for answers, especially when it involves animals. Guess What:

Poised and Pink provides young curious readers with striking visual clues and simply written hints. Using the photos and text, readers rely on visual literacy skills, reading, and reasoning as they solve the animal mystery. Clearly written facts give readers a deeper understanding of how the animal lives. Additional text features, including a glossary and an index, help students locate information and learn new words.

Flamingo Smithsonian Institution

Young readers will enjoy this simple book with colorful photos that describes the basic concept of opposites such as happy and sad, hot and cold, and day and night.

I Hate Everyone, Except You Smithsonian Institution

Examines the importance of air to all living things and provides ways to protect this valuable resource.

Skunk Works Millbrook Press TM

NEW YORK TIMES BESTSELLER • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of *Glitter and Glue* and *The Middle Place* “Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage.”—Glennon Doyle
 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND BUSTLE It’s a crazy idea: trying to name the phrases that make love and connection possible. But that’s just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in *Tell Me More*, she’s back with a deeply personal, unfailingly honest, and often hilarious examination of the essential phrases that turn the wheel of life. In “I Don’t Know,” Corrigan wrestles to make peace with uncertainty, whether it’s over invitations that never came or a friend’s agonizing infertility. In “No,” she admires her mother’s ability to set boundaries and her liberating willingness to be unpopular. In “Tell Me More,” a facialist named Tish teaches her something important about listening. And in “I Was Wrong,” she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand “the thing behind the thing,” Corrigan swings between meditations on life with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-relatable voice that defines Corrigan’s work, *Tell Me More* is a moving and meaningful take on the power of the right words at the right moment to change everything. Praise for *Tell Me More* “It is such

a comfort just knowing that Kelly Corrigan exists: she is somehow both wise and self-deprecating; funny but unafraid of pain; frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to.”—Ariel Levy, author of *The Rules Do Not Apply* “With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text of sorts, one that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so.”—Lena Dunham
Trust Me Titans of Fortune Publishing

One of America’s most daring and accomplished test pilots, Tex Johnston flew the first US jet airplanes and, in a career spanning the 1930s through the 1970s, helped create the jet age at such pioneering aerospace companies as Bell Aircraft and Boeing.
Tell Me More Boom! Studios

Her best friend is murdered the same way her brother was years ago. Is there anyone she can possibly trust? A decade ago, Delaney Broward discovered her brother’s murdered body at the San Antonio art co-op he founded with friends. Her artist boyfriend, Hunter Nash, went to prison for the murder, despite his not-guilty plea. This morning, Hunter walks out of prison a free man, having served his sentence. This afternoon, Delaney finds her best friend dead, murdered in the same fashion as her brother. Stay out of it or you’re next, the killer warns. Hunter never stopped loving Delaney, though he can’t blame her for not forgiving her. He knows he’ll get his life back one day at a time, one step at a time. But he’s blindsided to realize he’s a murder suspect. Again. When Hunter shows up on her doorstep asking

her to help him find the real killer, Delaney's head says to run away, yet her heart tells her there's more to his story than what came out in the trial. An uneasy truce leads to their probe into a dark past that shatters Delaney's image of her brother. She can't stop and neither can Hunter—which lands them both in the crosshairs of a murderer growing more desperate by the hour. In this gripping romantic suspense, Kelly Irvin plumbs the complexity of broken trust in the people we love—and in God—and whether either can be mended. Praise for *Trust Me*: "Trust Me is an apt title for Irvin's new suspense novel. Kelly Irvin is a master at spinning a complex story web with surprising twists and relatable characters. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of *A Stranger's Game* and the *Pelican Harbor* series "I found I couldn't turn the pages fast enough in Kelly Irvin's latest novel, *Trust Me*. I promised myself just one more page and I'd stop reading for the night...just one more...just one more. At times I could barely breathe. What a fabulous story! I loved it!" —Carrie Stuart Parks, award-winning author of *Relative Silence* Clean romantic suspense novel A stand-alone novel Book length: approximately 101,000 words Includes discussion questions for book clubs

What do you find when you visit the beach? In this simple exploration of surroundings, children will find sand, seashells, salt water, waves, and more.

Kelly's Cabin Millbrook Press

"The city can be a busy, crowded place. But that means there is plenty of interesting to do when you live in a city"--

Love & Other Disasters Bloomsbury Publishing

In 1943 two spirited young teachers decided to do their part for the war effort by spending their summer vacation working the swing shift on a B-24 production line at a San Diego bomber plant. Entering a male-dominated realm of welding torches and bomb bays, they learned to use tools that they had never seen before, live with aluminum shavings in their hair, and get along with supervisors and coworkers from all walks of life. They also learned that wearing their factory slacks on the street caused men to treat them in a way for which their "dignified schoolteacher-hood" hadn't prepared them. At times charming, hilarious, and incredibly perceptive, *Slacks and Calluses* brings into focus an overlooked part of the war effort, one that forever changed the way the women were viewed in America.

Twisty Tails ABDO

Who is R. Kelly? Three-time Grammy winner, who has sold more than 35 million records worldwide. Legendary writer and producer, who collaborated with such music icons as Michael Jackson, Celine Dion, Jay-Z, and Aretha Franklin. Visionary cultural messenger, who created the hip hopera phenomenon *Trapped in the Closet*. Creative genius. Sex symbol. The man who puts the "R" in R&B. Through the iconic anthem "I Believe I Can Fly" and such sexy R&B mega-hits as "Bump N' Grind," "Ignition," and

"When a Woman's Fed Up," R. Kelly has proven to be one of the greatest musical talents of his generation. Yet his rollercoaster ride to the top has been as perilous as it has been exhilarating. In *Soulacoaster: The Diary of Me*, Kelly shares his life story through episodic tales and exclusive color photographs, exploring his meteoric rises and sudden falls. From the crippling learning disorder that rendered him unable to read or write, to the teacher/mentor who prophesized that his destiny was in music, not basketball, we follow his evolution from Chicago street performer to struggling L.A. musician and beyond. Kelly reveals his hard-won ascent to superstardom and his battle to move forward after legal and personal ordeals that threatened to destroy his life. Now back at the top, Kelly recounts the surprising twists and turns that have taken him to new heights of maturity and artistry. Part memoir, part keepsake, *Soulacoaster* unlocks the door to R. Kelly's story as only he can tell it, promising his fans an intimate and unforgettable ride.

A Personal Memoir of My Years of Lockheed Millbrook Press™

The stories behind more than 50 secret projects undertaken by the famed Lockheed Martin Skunk Works on behalf of the US Armed Forces, DARPA, and the CIA - all illustrated with official Skunk Works photography and commissioned artworks. Hatched in June 1943 after a special request of the US Army Air Forces to develop a turbojet-powered fighter to counter growing German threats, Lockheed Martin's Skunk Works has gone on to develop remarkable aeronautical and space technologies, including stealth. Some have made it into production, while others never quite made it off drafting boards and computer screens, but proved fascinating nonetheless. This generously illustrated

history tackles Skunk Works programs ranging from jet fighters and jet engines to missiles and rockets, helicopters, research aircraft, airships, unmanned aerial vehicles and recon drones, and even the seagoing stealth ship *Sea Shadow* - more than 50 in all. Author Steve Pace examines the historical context which led government organizations to approach the Skunk Works, as well as the technologies and projects developed there (often on a handshake and unburdened by bureaucracies), and the anecdotes and legends associated with each program. Pace includes official Skunk Works photography of the projects taken both at its headquarters and at test facilities such as Area 51. In addition, commissioned color artworks help further illustrate many of these projects featured herein. In addition to profiling legendary aircraft like the F-80, F-94, F-104, U-2, SR-71, F-117, and F-35, Pace takes on more obscure projects from the past as well as those still to come, such as the hypersonic SR-72 and High Speed Strike Weapon, and even offers a peak into what the future might hold with the proposed TR-X.

Slacks and Calluses Zenith Press

It's Steve for the win — again! It's time for the annual Race-a-thon, and Steve the horse is excited! After all, he's got the longest legs in the forest. No wonder he always wins! But Steve soon finds out that the rules have changed. This year, the Race-a-thon is going to be a relay, with runners competing in teams. And who's been put on Steve's team? Turtle, Duck and Snail. Is it possible that Steve could lose the Race-a-thon for the first time ever? Kids will hear it straight from the horse's mouth: there's more than one way to be a winner!

New from Here Oxford University Press, USA

As a young girl growing up on Hazel Ridge Farm, Kelly is aware of how special the place she calls home is. After all, it's not everyday that your backyard lets you view white-tailed deer and sand-hill cranes, swim in ponds populated by snapping turtles or hear the hoot of an owl named Jackson as he keeps watch as you sleep each night. Committed to maintaining a natural wilderness, Kelly's parents have created a wildlife sanctuary where both the land and its animal residents can be nurtured. Kelly of Hazel Ridge is the third title in the Hazel Ridge Farm series (Saving Samantha and Adopted by an Owl) by husband-and-wife team Gijsbert and Robbyn Smith van Frankenhuyzen, and is inspired by their life on their 40-acre farm located in Bath, Michigan. For over 20 years, Robbyn and Gijsbert (also known as Nick) have nurtured the land back to health and raised and released injured and orphaned animals. Nick has illustrated over 20 books for Sleeping Bear Press, including The Legend of Sleeping Bear, The Legend of the Petoskey Stone (#1 Midwest bestseller), and Texas Bluebonnet runner-up Mercedes and the Chocolate Pilot.

Soulacoaster Cherry Lake

The ultimate SR-71 book which profiles the history, development, manufacture, modification, and active service of all 50 models in the SR-71 program. At the height of the Cold War in 1964, President Johnson announced a new aircraft dedicated to strategic reconnaissance. The Lockheed SR-71 Blackbird spy plane flew more than three-and-a-half times the speed of sound--so fast that no other aircraft could catch it. Above 80,000 feet, its pilots had to wear full-pressure flight suits similar to what was used aboard the space shuttle. Developed by the renowned Lockheed Skunk Works, the SR-71 was an awesome aircraft in

every respect. It was withdrawn from use in 1998, when it was superseded by satellite technology. Twelve of the thirty-two aircraft were destroyed in accidents, but none were ever lost to enemy action. Throughout its thirty-four-year career, the SR-71 was the world's fastest and highest-flying operational manned aircraft. It set world records for altitude and speed: an absolute altitude record of 85,069 feet and an absolute speed record of 2,193.2 miles per hour. The Complete Book of the SR-71 Blackbird covers every aspect of the SR-71's development, manufacture, modification, and active service from the insider's perspective of one of its pilots and is lavishly illustrated with more than 400 photos. Former pilot and author Richard Graham also examines each of the fifty planes that came out the SR-71 program (fifteen A-12s; three YF-12s; and thirty-two SR-71s) and tells each plane's history, its unique specifications, and where each currently resides.

Mega Princess Crabtree Seedlings

From the bestselling author, beloved television host, and “arbiter of style and good taste in all areas” (People) comes a hilariously candid, deliciously snarky collection of essays about his journey from awkward kid to slightly-less-awkward adult. Clinton Kelly is probably best known for teaching women how to make their butts look smaller. But in I Hate Everyone, Except You, he reveals some heretofore-unknown secrets about himself, like that he’s a finicky connoisseur of 1980s pornography, a disillusioned critic of New Jersey’s premier water parks, and perhaps the world’s least enthused high-school commencement speaker. Whether he’s throwing his baby sister in the air to jumpstart her cheerleading career or heroically rescuing his best friend from death by mud

bath, Clinton leaps life's social hurdles with aplomb. With his signature wit and relatable voice, he shares his unique ability to navigate the stickiest of situations, like find true love in a crowded gay bar or deciding whether it's acceptable to eat chicken wings with a fork on live television (spoiler: it's not). Clinton delves into all these outrageous topics—and many more—in this thoroughly unabashedly frank and uproarious collection.

[There Is No F*cking Secret](#) Simon and Schuster

The TV personality reflects on lessons learned throughout her unconventional life as the middle child of music legend Ozzy Osbourne, describing her transformation from a perceived unattractive misfit to her signature "lavender swan" identity.

[What Are Opposites?](#) Thomas Nelson

Haylee Tremayne is tired of the road. The concert tour for Three

of Hearts has been a success, but she's confused by the inexplicable tension between her bandmates, Ben and Lucas. She's also ready to go home to her boyfriend in Nashville. Time off would probably help everyone relax, even if it is Christmas, a season with too many bad memories. But right before the last concert, Haylee discovers she's been dumped for a sexy girly girl. Story of her life: all guys see is tomboy Haylee. At the after-concert party, she drowns her sorrows and-desperate to feel feminine for once in her life-asks Ben and Lucas for a threesome. And it's just as sexy and fun as she hoped. Back in Nashville, Ben and Lucas prove again and again that their first night wasn't a mistake. But the tension between them is still high, and on Christmas Eve, their mEnage takes a stunning turn. When it all falls apart, Haylee is terrified that their crazy relationship might cost them the band, their success, and worst of all, each other.
