Contemporary European Playwrights presents and discusses a range of key writers that have radically reshaped European theatre by finding new ways to express the changing nature of the continent's society and culture, and whose work is still in dialogue with Europe today. Traversing borders and languages, this volume offers a fresh approach to analyzing plays in production by some of the most widely-performed European playwrights, assessing how their work has revealed new meanings and theatrical possibilities as they move across the continent, building an unprecedented picture of the contemporary European repertoire. With chapters by leading scholars and contributions by the writers themselves, the chapters bring playwrights together to examine their work as part of a network and genealogy of writing, examining how these plays embody and interrogate the nature of contemporary Europe. Written for students and scholars of European theatre and playwriting, this book will leave the reader with an understanding of the shifting relationships between the subsidized and commercial, the alternative and the mainstream stage, and political stakes of playmaking in European theatre since 1989.

"Mr McDonagh is destined to be one of the theatrical luminaries of the 21st century" (The New Republic) In 1934, the people of Inishmaan learn that the Hollywood director Robert Flaherty is coming to the neighbouring island to film his documentary *Man of Aran*. No one is more excited than Cripple Billy, an unloved boy whose chief occupation has been gazing at cows and yearning for a girl who wants no part of him. For Billy is determined to cross the sea and audition for the Yank. And as news of his audacity ripples through his rumour-starved community, *The Cripple of Inishmaan* becomes a merciless portrayal of a world so comically cramped and mean-spirited that hope is an affront to its order. With this bleak yet uproariously funny play, Martin McDonagh fulfills the promise of his award-winning *The Beauty Queen of Leenane* while confirming his place in a tradition that extends from Synge to O'Casey and Brendan Behan.
