ROJAS ANGELIQUE

Man, I Hate Cursive Andrews Mcmeel+ORM

Winner of the inaugural ASA/HQ Commercial Fiction Prize. The twists keep piling up in this fun and distinctively Australian debut mystery, perfect for readers of *The Thursday Murder Club* and Janet Evanovich. Brick Brown has problems: she hates her day job, and her beloved Uncle Baz has gone missing. Although a bartender by trade, Brick Brown has finagled herself a job on the city council to investigate a complaint that threatens to close her uncle's well-loved blues club in the heart of Melbourne. Brick suspects something strange is going on, but when her amateur sleuthing uncovers the mayor's dead body in a locked room, she's dragged into the dangerous world of dodgy developers with the reluctant help of Mitch Mitchell, a prickly war correspondent turned investigative journalist. Relying on her street smarts and an unlikely band of allies, Brick and Mitchell unearth corruption that runs deeper than just local government, and the stakes are higher than they banked on. And when Brick also discovers some terrifying information about her past, the stakes turn deadly...

PRAISE: 'Not since Jack Irish has Melbourne's Fitzroy been so funny.' - *The Chronicle* 'Impressive debut' - *Australian Women's Weekly* 'Filled with witty dialogue, a page-turning mystery and plenty of laugh-out-loud moments, Brunswick Street Blues is a cracking debut that takes readers on a wild romp through the streets of Melbourne.' - *Better Reading* 'It's up to Brick and her local pals to save her streets - and ours - from harm. An excellent and entertaining debut.' Fiona Hardy, *Readings Monthly* 'A cracker of a debut novel! ... This thoroughly entertaining story had me from the first page to the last.' Sarah Barrie, author of *Unforgiven Adult Time* First Second

"Baby Blues" transcends the comic page by fusing the award-winning imaginations of Kirkman and Scott with familiar family life. The authors intuitively balance the humorous with the poignant through relatable and sometimes all-too-familiar parenting scenes.

Too Fat to Fish Black Rose Books Ltd.

A history of lucrative real estate in Los Angeles shares the lesser-known contributions of a range of figures from Douglas Fairbanks and Marilyn Monroe to Howard Hughes and Ronald Reagan. By the best-selling author of *Rogues' Gallery*.

Still Life with Woodpecker Simon and Schuster

A New York Times bestseller If you work hard enough, if you want it enough, if you're smart and talented and "good enough," you can do anything. Except get pregnant. Her whole life, Lucy Knisley wanted to be a mother. But when it was finally the perfect time, conceiving turned out to be harder than anything she'd ever attempted. Fertility problems were followed by miscarriages, and her eventual successful pregnancy plagued by health issues, up to a dramatic, near-death experience during labor and delivery. This moving, hilarious, and surprisingly informative memoir, *Kid Gloves*, not only follows Lucy's personal transition into motherhood but also illustrates the history and science of reproductive health from all angles, including curious facts and inspiring (and notorious) figures in medicine and midwifery. Whether you've got kids, want them, or want nothing to do with them, there's something in this graphic memoir to open your mind and heart.

Baby Blues Andrews McMeel Publishing

This treasury of the popular comic strip not-so-randomly combines the previous collections "Road Trip!" and "Teenage Tales" into one mega-volume.

Genuine Authentic Broadway

In this chronological collection, readers get a close-up view inside the home of the MacPhersons, a perfectly normal family with perfectly chaotic lives. Daryl and Wanda are deep in the trenches of childrearing and earning their stripes as parents to Zoe, Hammie, and baby Wren.

On Living Ten Speed Press

Fun, fun and more fun oozes from the covers of "That's Gross!", a perfect book for reading by torchlight under the covers or bathroom reader. Just don't tell them how much real science and history they're learning.

BEDLAM National Geographic Books

A special 20th anniversary hardcover Baby Blues retrospective, this is the colossal collection that Baby Blues's 55 million-plus fans have been clamoring for. BBXX is a hefty, hardcover treasury highlighting 20 years of Baby Blues, one of the most popular comic strips in history. A comprehensive and commemorative edition of all things Baby Blues, creators Rick Kirkman and Jerry Scott share personal reflections and never-before-published essays, drawings, and photographs, along with almost 800 of the best Baby Blues strips from the last two decades. Named Best Comic Strip of the Year in 1995, Baby Blues follows young parents Darryl and Wanda MacPherson as they raise children Zoe, Hammie, and Baby Wren. From temper tantrums to toilet training, everyday experiences that all parents agonize over and laugh about serve as fertile comedic ground as BBXX takes readers on a relevant and timeless journey through twenty years of Baby Blues. What results is a truthfully fulfilling romp through the daily aspects of family life as well as a carefully nuanced tug at the heartstrings.

Lifeguard Andrews McMeel Publishing

That "glowing skin" everyone promised you looks remarkably similar to the hormonal acne you battled as a teen Your special bond with your husband? It means he can't sleep in the same room as you, thanks to your killer gas The lady at the grocery store remarks "it must be any day now!" when you haven't finished your second trimester You debut the perfect name for your baby—which your mother-in-law immediately describes as "interesting" (complete with a wrinkled nose) There's no doubt about it: Pregnancy isn't all it's cracked up to be. In this complete update of the bestselling first edition, Joanne Kimes pairs no-holds-barred humor with helpful advice to get you through the next nine months with (some level of) your sanity intact. So whether you're looking for the scoop on hypnobirthing, you want to know a cure for your hemorrhoids, or you really just want a laugh (even if you might pee in your maternity leggings), this book will tell you exactly what to do when that miracle of yours is making you totally, completely, gestationally miserable.

The Simplest Baby Book in the World Little, Brown

"Robbins's comic philosophical musings reveal a flamboyant

genius.”—People Still Life with Woodpecker is a sort of a love story that takes place inside a pack of Camel cigarettes. It reveals the purpose of the moon, explains the difference between criminals and outlaws, examines the conflict between social activism and romantic individualism, and paints a portrait of contemporary society that includes powerful Arabs, exiled royalty, and pregnant cheerleaders. It also deals with the problem of redheads.

House of Outrageous Fortune Andrews Mcmeel+ORM

The 8th November 2016 marked a startling new era in American political life. After the creeping ascent of Right wing authoritarian parties in the UK and Europe Donald Trump's victory in the presidential election brought an alarming form of "e;alt-right"e; neo-conservatism into the American political mainstream. Many aspects of this descent into the darkness of fascism was predicted by Bertram Gross in *Friendly Fascism*, a provocative and original critique of a subtle yet growing fascism in American political life. Gross shows that the chronic problems faced by the U.S. in the late twentieth century required increasing collusion between big business and big government to manage society in the interests of the privileged and powerful. The resulting "e;friendly fascism"e;, Gross suggests, lacks the dictatorships, public spectacles and overt brutality of 20th century fascism, but has at its root the same denial of individual freedoms and democratic rights. No one who cares about the future of democracy can afford to ignore the frightening realities of *Friendly Fascism*.

Wetter, Louder, Stickier Andrews McMeel Publishing

A fascinating and comprehensive look into the life of American fashion designer Ralph Lauren, now with an afterword. “Deep-dish...sharp-clawed...honestly admiring.”—New York Times There are at least two Ralph Laurens. To the public he's a gentle, modest, yet secure and purposeful man. Inside the walls of Polo Ralph Lauren, though, he was long seen by some as a narcissist, an insecure ditherer, and, at times, a rampaging tyrant. Michael Gross, author of the bestsellers *Model* and *740 Park*, lays bare the truths of this fashion emperor's rise, and reveals not only the secrets of his meteoric success in marketing our shared fantasies, but also a widely unknown side that's behind the designer's chic façade.

Mommy Ever After Andrews McMeel Publishing

“Michael Gross's new book...packs [in] almost as many stories as

there are apartments in the building. The Jackie Collins of real estate likes to map expressions of power, money and ego... Even more crammed with billionaires and their exploits than 740 Park” (Penelope Green, *The New York Times*). With two concierge-staffed lobbies, a walnut-lined library, a lavish screening room, a private sixty-seat restaurant offering residents room service, a health club complete with a seventy-foot swimming pool, penthouses that cost almost \$100 million, and a tenant roster that's a roll call of business page heroes and villains, *Fifteen Central Park West* is the most outrageously successful, insanely expensive, titanic tycoon-stuffed real estate development of the twenty-first century. In this “stunning” (CNN) and “deliciously detailed” (Booklist, starred review) *New York Times* bestseller, journalist Michael Gross turns his gimlet eye on the new-money wonderland that's sprung up on the southwest rim of Central Park. Mixing an absorbing business epic with hilarious social comedy, Gross “takes another gossip-laden bite out of the upper crust” (Sam Roberts, *The New York Times*), which includes Denzel Washington, Sting, Norman Lear, top executives, and Russian and Chinese oligarchs, to name a few. And he recounts the legendary building's inspired genesis, costly construction, and the flashy international lifestyle it has brought to a once benighted and socially déclassé Manhattan neighborhood. More than just an apartment building, 15CPW represents a massive paradigm shift in the lifestyle of New York's rich and famous—and is a bellwether of the city's changing social and financial landscape.

Pregnancy Sucks HarperCollins

One of the funniest and most relatable family comic strips in history, *Baby Blues* is guaranteed to entertain parents and comic strip fans of all ages. In the newest *Baby Blues* scrapbook, cartoonists Jerry Scott and Rick Kirkman have returned with another full year's worth of comics and commentary chronicling the family foibles of the MacPhersons and the mischievous antics of Zoe, Hammie, and Wren.

Mr. Know-It-All Abrams

For more than 25 years, the MacPherson family has brought the joy, humor, and poignancy of raising three children to funny pages worldwide in the popular comic strip, *Baby Blues*. Gross! reveals the sticky underbelly of parenting, shining a comedic light on everything from dealing with picky eaters to too much screen time. From gargantuan messes to legendary sibling disputes,

readers will love following along as the MacPhersons--Darryl, Wanda, and children Zoe, Hammie, and Wren--overcome many of life's hurdles. Gross! offers a perceptive glimpse into the lives of modern parents, complemented by witty and informative commentary from the co-creators themselves. This collection will appeal to anyone who has kids or who remembers what it was like to be one.

Deep Dark Fears Random House

“And they lived mommy ever after,” the mommy whispered to her baby. “Because we are not always going to feel happy, but I am always going to be your mommy.” A daughter grows from a tiny infant to a young girl, and the years bring all the natural changes and accompanying emotions. Some emotions are big and scary. But the one constant in the little girl's life is her mother and her magical stories. These stories teach her about her uniqueness, about her kindness, and about her power to face the inevitable darkness in life. But when she's on her own, away from her mother, can she share her light? It's never too early to teach children how to recognize and accept emotions like fear, sadness, and loneliness. Through gorgeous illustrations of the real and fantasy worlds in which children always coexist, *Mommy Ever After* explores the difficult idea that we won't always be happy, but we can always be brave and we can always be kind.

Friendly Fascism Andrews McMeel Publishing

Baby Blues transcends the comic page by fusing the award-winning imaginations of Rick Kirkman and Jerry Scott with familiar family life. Kirkman and Scott intuitively balance the humorous with the poignant through relatable and sometimes all-too-familiar parenting scenes. This latest collection includes a year's worth of strips, many with commentary by Jerry and Rick.

We Are Experiencing Parental Difficulties...Please Stand By Andrews McMeel Publishing

Darryl and Wanda have the parenting thing down all right, but they still continue to be surprised by the delightfully devilish antics of their two live-wire children. From first steps to bedtime snacks, from shopping adventures to sibling rivalry, Zoe and Hamish keep their parents on the move and the rest of us in stitches. *Baby Blues* chronicles the chaotic entertaining lives of the MacPherson clan as they chart a course through the everyday demands of family life. In a style that speaks to parents and

nonparents alike, *Baby Blues* charms its followers with scenes of child-rearing mayhem and devotion. In *Lift and Separate*, Wanda and Darryl continue to confront the ever-changing challenges of raising two active youngsters.

Hysteria Simon and Schuster

For fans of the New York Times bestseller *I Quit Sugar* or Katie Couric's controversial food industry documentary *Fed Up*, *A Year of No Sugar* is a "delightfully readable account of how [one family] survived a yearlong sugar-free diet and lived to tell the tale...A funny, intelligent, and informative memoir." —Kirkus It's dinnertime. Do you know where your sugar is coming from? Most likely everywhere. Sure, it's in ice cream and cookies, but what scared Eve O. Schaub was the secret world of sugar—hidden in bacon, crackers, salad dressing, pasta sauce, chicken broth, and baby food. With her eyes opened by the work of obesity expert

Dr. Robert Lustig and others, Eve challenged her husband and two school-age daughters to join her on a quest to quit sugar for an entire year. Along the way, Eve uncovered the real costs of our sugar-heavy American diet—including diabetes, obesity, and increased incidences of health problems such as heart disease and cancer. The stories, tips, and recipes she shares throw fresh light on questionable nutritional advice we've been following for years and show that it is possible to eat at restaurants and go grocery shopping—with less and even no added sugar. *Year of No Sugar* is what the conversation about "kicking the sugar addiction" looks like for a real American family—a roller coaster of unexpected discoveries and challenges. "As an outspoken advocate for healthy eating, I found Schaub's book to shine a much-needed spotlight on an aspect of American culture that is making us sick, fat, and unhappy, and it does so with wit and

warmth."—Suvir Sara, author of *Indian Home Cooking* "Delicious and compelling, her book is just about the best sugar substitute I've ever encountered."—Pulitzer Prize-winning author Ron Powers

Stink Eye Andrews Mcmeel+ORM

Now in an annual, treasury-sized book, *Baby Blues* brings you another year of life with the MacPhersons. Often-befuddled Darryl and always-overworked Wanda manage to parent precocious Zoe, ornery Hammie, and Baby Wren while still keeping their senses of humor and sometimes even sweetness. In this collection, Zoe decides it's time for her to take karate lessons, Wanda declares she needs some time for herself and joins a book (wine?) club, and Hammie discovers the joys of a zip line. Mostly calm Wanda finally reaches her breaking point of asking the kids to clean up, unleashing a new force of nature to the comic strip: the Tsumommy!
