OF THE BEST BOOKS OF THE YEAR NPR •  
Time Magazine • The Washington Post •

Globe A NEW YORK TIMES NOTABLE  
BOOK From one of our most  
accomplished and widely admired  
historians—a revelatory portrait of  
Benjamin Franklin's youngest sister,  
Jane, whose obscurity and poverty were  
matched only by her brother's fame and  
wealth but who, like him, was a  
passionate reader, a gifted writer, and  
an astonishingly shrewd political  
commentator. Making use of an  
astonishing cache of little-studied  
material, including documents, objects,  
and portraits only just discovered, Jill  
Lepore brings Jane Franklin to life in a  
way that illuminates not only this one  
extraordinary woman but an entire  
world.

but asks how time 'passes' in eternity.

ambitious and creative work since Kane  
and Abel, with a final twist that will  
shock even his most ardent of fans.  
Leningrad, Russia, 1968: From an early  
age it is clear that Alexander Karpenko is  
destined to lead his countrymen. But  
when his father is assassinated by the  
KGB for defying the state, Alexander and

his mother will have to escape Russia if  
they hope to survive. At the docks, they

bound for Great Britain. Alexander  
leaves the choice to a toss of a coin... In

unfolds, both come to realize that to find  
their destiny they must face the past  
they left behind as Alexander in Russia.

Ingeniously plotted and taken from the  
headlines, *Honor Among Thieves*  
resonates with the brilliant pace that is  
the trademark of master storyteller  
Jeffrey Archer. Spring 1994, Washington,  
D.C. - While the Clinton Administration  
grapples with its domestic policies, a  
sinister plot is being masterminded six  
thousand miles away in Baghdad. By  
using \$100 million as bait and spinning a  
deadly web of corruption, forgery, and  
terror, Saddam Hussein seeks to  
embarrass the U.S. with the ultimate  
revenge: to steal a treasured historical  
document and then destroy it before the  
world's media on July 4, 1994. As the  
countdown to Independence Day begins,  
two agents stand in the way of his nearly  
flawless plan: Scott Bradley, a rising star  
in the CIA who is desperate to prove his  
patriotism, and Hannah Kopec, the  
stunning Mossad operative who has  
already lost so much that she fears  
nothing and trusts no one. Their  
unrelenting quest to prevent what would  
undoubtedly be the most humiliating day  
in U.S. history takes them across four  
continents and climaxes in a dramatic,

triple-twist ending.

International bestseller and master storyteller Jeffrey Archer returns with a tale of fate and fortune, redemption and revenge with *A Prisoner of Birth*. Danny Cartwright and Spencer Craig never should have met. One evening, Danny, an East End cockney who works as a garage mechanic, takes his fiancée up to the West End to celebrate their engagement. He crosses the path of Spencer Craig, a West End barrister posed to be the youngest Queen's Counsel of his generation. A few hours later Danny is arrested for murder and later is sentenced to twenty-two years in prison, thanks to irrefutable testimony from Spencer, the prosecution's main witness. Danny spends the next few years in a high-security prison while Spencer Craig's career as a lawyer goes straight up. All the while Danny plans to escape and wreak his revenge. Thus begins Jeffrey Archer's poignant novel of deception, hatred and vengeance, in which only one of them can finally triumph while the other will spend the rest of his days in jail. But which one will triumph? This suspenseful novel takes the listener through so many twists and turns that no one will guess the ending, even the most ardent of Archer's many, many fans.
