Create a suave high-flying rhino, a lovesick elephant who knows her way around a kitchen, and a seriously chivalrous tiger . . .

With just two weeks to go before her baby Edward's due date, yarn enthusiast Kerry Lord picked up a crochet hook for the first time, and a new obsession began. Over the next twelve months, the collection of crochet animals expanded week by week until Edward's Menagerie was complete—with forty unique patterns. These cute animals with larger-than-life personalities are made using simple crochet techniques, and the step-by-step instructions enable a complete beginner to get hooking straight

away. Each animal also has a universal pattern, allowing crocheters to change their hooks and yarns to create four different sizes, making for 160 different possibilities. Be warned—these unlikely characters, made using a super-soft yarn in a sumptuous natural color palette, will become your new best friends as you hook your way through the whole menagerie!

From fiber artist Toni Lipsey of TL Yarn Craft, an introduction to the craft of Tunisian crochet—a unique crochet style that looks more like knitting—with 20 projects for beginners. There are hundreds of books that explore traditional crochet, but there are few that reference the concept of Tunisian crochet or present it in a modern, approachable way. The Tunisian Crochet Handbook introduces this fascinating and rewarding technique with a wide array of stitches and design possibilities. The goal of this book is to guide crocheters step-by-step through Tunisian crochet, starting with tools and yarns, transitioning into how-to's and stitches, and finishing with easy but engaging patterns. Every shawl, garment, and accessory featured takes makers beyond the basics, introducing new stitches to expand their skill sets. In this way, author Toni Lipsey is reintroducing crochet and encouraging makers to explore the craft further with each new design. Crochet continues to grow in popularity, and this guidebook offers a new take on the timeless classic, one that readers won't be able to find anywhere else. Includes instructional sections and patterns, complete with the necessary schematics and styled, chic photographs.
