Khonrad, The Anti-Baron
 Dark Horse Books
 True to his word, Mayor

Harper has brought in a
 Marshall to get rid of
 'Lonesome', thrown in jail
 by a repentant sheriff. But
 it takes more than that to

stop the lone rider in his quest for revenge, and he is soon back on the trail of Markham, the mad preacher. Aleister Arcane

Humanoids Inc

The Sci-Fi masterpiece by Mœbius and Jodorowsky about the tribulations of the shabby detective John Difool as he searches for the precious and coveted Incal—released for the first time ever in English in this Black & White Special Edition. John Difool, a low-class detective in a degenerate dystopian world, finds his life turned upside down when he discovers an ancient, mystical artifact called "The Incal." Difool's adventures will bring him into conflict with the galaxy's greatest warrior, the Metabaron, and will pit him against the awesome powers of the Technopope. These encounters and many more make up a tale of comic and cosmic proportions that has Difool fighting for not only

his very life but for the survival of the entire universe.

Aspects of Violence

Humanoids, Incorporated In the latest volume of the acclaimed adults-only graphic novel, Chuck struggles to go on without Omaha, while the beautiful cat dancer struts her stuff in a small Wisconsin town and the voluptuous CeeCee enters her life. These four classic episodes track the Mipple City gang through bedrooms, boardrooms and strip clubs as new relationships emerge and the mystery of who killed Senator Bonner deepens. Collects issues 14-17. [Spirou in Berlin](#) [Spirou in Berlin](#) IDW Publishing Provides a fresh and global perspective on the works and influence of a nineteenth-century musical and theatrical phenomenon.

The Man from the Ciguri

Cinebook A serial killer haunts the city streets, a stalker of isolated women who leaves a Santa Claus hat at the scene of his crimes. Pavel, a Russian émigré, assists the police investigation as a sketch artist. But Pavel's true calling is as a tattoo artist, and the so-called Bad Santa killings conjure up memories of the

nightmarish world in which he learned his craft: a Russian prison camp that shattered his childhood and destroyed his family. Shifting between the living hell of a 1940s Siberian gulag and the crime-ridden chaos of New York City during the 1970s, this graphic novel's stunning artwork provides an atmospheric backdrop to its tale of corruption, murder, and revenge. Author Jerome Charyn was acclaimed by The New York Review of Books as "a fearless writer. Brave and brazen." This edition of Little Tulip, which was originally published in French, features Charyn's new English translation. Award-winning illustrator François Boucq also collaborated with Charyn on the acclaimed graphic novels *The Magician's Wife* and *Billy Budd*, KGB. Suggested for mature readers.
