BRYAN CAROLYN

Soul Surfer Simon and Schuster
Documenting his notorious career with the Detroit Red Wings and the Chicago Blackhawks, Bob Probert details in this autobiography how he racked up points, penalty minutes, and bar bills, establishing himself as one of the most feared enforcers in the history of the NHL. As Probert played as hard off the ice as on, he went through rehab 10 times, was suspended twice, was jailed

for carrying cocaine across the border, and survived a near fatal motorcycle crash all during his professional career, and he wanted to tell his story in his own words to set the record straight. When he died unexpectedly of a heart attack at the age of 45 on July 5, 2010, he was hard at work on his memoir—a gripping journey through the life of Bob Probert, with jaw-dropping stories of his on-ice battles and his reckless encounters with drugs, alcohol, police, customs officials, courts, and the NHL, told in his own voice and with his rich sense of humor. *Dennis Maruk* Atheneum Books for

Young Readers

Revised and updated with commentary from Bernice Carnegie, Herb's daughter, and life lessons passed from father to daughter Herbert Carnegie was the complete hockey package in the 1940s and 1950s. Though his contributions to society both in sport and education have been referenced and profiled in books, documentaries, and thousands of articles, this is Carnegie's own account of striving to break the glass ceiling, starting with his career as a professional hockey player on all-white teams. In 1978, noted hockey journalist Stan Fischler wrote a powerful headline about Carnegie: "Born Too Soon." A Fly in a Pail of Milk reveals the feelings of a trailblazer — a man who proved to be unstoppable on the ice and in his resolve

to make our world a better place. In this new edition, Herb's daughter Bernice Carnegie shares stories about what it was like to work closely with Herb on youth and educational projects for more than 30 years. She also reflects on parts of her father's writings, sharing personal thoughts, family stories, and conversations about how his journey profoundly influenced her life.

Black Ice Capstone

The true story of the 1980 U.S. Olympic hockey team and the Miracle on Ice, which Sports Illustrated called the greatest moment in sports history—with a new afterword by Ken Morrow for the fortieth anniversary of the Miracle on Ice "An unvarnished and captivating read."—Parade Once upon a time, they taught us to believe. They were the 1980

U.S. Olympic hockey team, a blue-collar bunch led by an unconventional coach. Their “Miracle on Ice” has become a national fairy tale, but the real Cinderella story is even more remarkable. Wayne Coffey casts a fresh eye on this seminal sports event, giving readers an ice-level view of the amateurs who took on a Russian hockey juggernaut at the height of the Cold War. He details the unusual chemistry of the Americans—formulated by their fiercely determined coach, Herb Brooks—and seamlessly weaves portraits of the boys with the fluid action of the game itself. Coffey also traces the paths of the players and coaches since their stunning victory, examining how the Olympic events affected their lives. Told with warmth and an uncanny eye for detail, *The Boys of Winter* is an

intimate, perceptive portrayal of one Friday night in Lake Placid and the enduring power of the extraordinary. *99: Stories of the Game* ECW Press
The Stanley Cup is a traveling trophy! It moves between the players of the winning team. The Cup has been on boats and planes, and has even been overseas to support the U.S. troops! The rules and history of the action-packed Stanley Cup Finals are explained in this engaging title.

Checked ECW Press

Terry Ryan was poised to take the hockey world by storm when he was selected eighth overall by the Montreal Canadiens in the 1995 NHL draft, their highest draft pick in a decade. Expected to go on to become a hockey star, Ryan played a total of eight NHL games for the

Canadiens, scoring no goals and no assists: not exactly the career he, or anyone else, was expecting. Though Terry's NHL career wasn't long, he experienced a lot and has no shortage of hilarious and fascinating revelations about life in pro hockey on and off the ice. In *Tales of a First-Round Nothing*, he recounts fighting with Tie Domi, partying with rock stars, and everything in between. Ryan tells it like it is, detailing his rocky relationship with Michel Therrien, head coach of the Canadiens, and explaining what life is like for a man who was unprepared to have his career over so soon.

Stanley Cup Finals, The Triumph Books

In this sports memoir, Wayne Gretzky weaves memories of his legendary career with an inside look at professional

hockey and the heroes and stories that inspired him. From minor-hockey phenomenon to Hall of Fame sensation, Wayne Gretzky rewrote the record books, his accomplishments becoming the stuff of legend. Dubbed “The Great One,” he is considered by many to be the greatest hockey player who ever lived. No one has seen more of the game than he has—but he has never discussed in depth just what it was he saw. For the first time, Gretzky discusses candidly what the game looks like to him and introduces us to the people who inspired and motivated him: mentors, teammates, rivals, the famous and the lesser known. Weaving together lives and moments from an extraordinary career, he reflects on the players who inflamed his imagination when he was a

kid, the way he himself figured in the dreams of so many who came after; takes us onto the ice and into the dressing rooms to meet the friends who stood by him and the rivals who spurred him to greater heights; shows us some of the famous moments in hockey history through the eyes of someone who regularly made that history. Warm, direct, and revelatory, it is a book that gives us number 99, the man and the player, like never before.

One Night Only ECW Press

The Art of Scouting delves into the secretive world of hockey prospecting, a world more akin to Cold War-era spying than a casual day in the stands. Scouts decide whether a player has the talent to make the final step to the NHL-or not-but what they do and how they do it are

a mystery to most fans. Shane Malloy is one of the first media personalities to be welcomed into the world of scouting and brings to hockey fans an enlightening and fascinating narrative that explains the culture, history, science and art of hockey scouting. Malloy's unique experience-combined with interviews featuring scouts, coaches and hockey executives- will give readers a true understanding and appreciation for what scouts do and how they do it, what it really takes to make it to the NHL, and how to watch the game like a scout. Praise for *The Art of Scouting*: "If you love hockey but wonder how teams are built and what goes into scouting, then this book is a gem." — Kelly Hrudehy, Hockey Night in Canada Analyst "The work that Shane has done is based on

knowledge and diligence. We have great respect for this project as it has tremendous substance to it. An excellent source of information." —Doug Wilson, Executive Vice President and General Manager, San Jose Sharks "If you have ever been at a hockey game and seen the scouts in the corner and wondered what they do, how they do it and why they do it, *The Art of Scouting* by Shane Malloy will take you inside their world." —Bob McKenzie, TSN Hockey Insider "For anyone fascinated by player evaluation and what goes into it, this is a must-read. Interesting perspectives and a good cast of characters. Thought-provoking and entertaining." —Peter Loubardias, Hockey Broadcaster, Rogers Sportsnet "The Art of Scouting provides readers with a behind-the-scenes view of

the sport's lifeblood...scouting and the people that do it...A great read for any hockey fan." —Brad Treliving, Vice President and Assistant General Manager, Phoenix Coyotes
Face-Off ECW Press

For readers of *The Boys in the Boat* and *Against All Odds* Join a ragtag group of misfits from Dawson City as they scrap to become the 1905 Stanley Cup champions and cement hockey as Canada's national pastime An underdog hockey team traveled for three and a half weeks from Dawson City to Ottawa to play for the Stanley Cup in 1905. The Klondikers' eagerness to make the journey, and the public's enthusiastic response, revealed just how deeply, and how quickly, Canadians had fallen in love with hockey. After Governor General

Stanley donated a championship trophy in 1893, new rinks appeared in big cities and small towns, leading to more players, teams, and leagues. And more fans. When Montreal challenged Winnipeg for the Cup in December 1896, supporters in both cities followed the play-by-play via telegraph updates. As the country escaped the Victorian era and entered a promising new century, a different nation was emerging. Canadians fell for hockey amid industrialization, urbanization, and shifting social and cultural attitudes. Class and race-based British ideals of amateurism attempted to fend off a more egalitarian professionalism. Ottawa star Weldy Young moved to the Yukon in 1899, and within a year was talking about a Cup challenge. With the help of

Klondike businessman Joe Boyle, it finally happened six years later. Ottawa pounded the exhausted visitors, with “One-Eyed” Frank McGee scoring an astonishing 14 goals in one game. But there was no doubt hockey was now the national pastime.

Hockey: Then to WOW! Time Inc. Books “Kadohata’s slapshot is the heart-swelling narrative of a father and son...Truly powerful.” —Jason Reynolds “A deeply poignant story about a boy sorting out his priorities.” —Publishers Weekly (starred review) “A vivid, memorable portrayal of a boy within his family, his sport, and his gradually broadening world.” —Booklist (starred review) From Newbery Medalist Cynthia Kadohata comes a brilliantly-realized novel about a hockey player who must

discover who he is without the sport that defines him. Hockey is Conor's life. His whole life. He'll say it himself, he's a hockey beast. It's his dad's whole life too—and Conor is sure that's why his stepmom, Jenny, left. There are very few things Conor and his dad love more than the game, and one of those things is their Doberman, Sinbad. When Sinbad is diagnosed with cancer, Conor chooses to put his hockey lessons and practices on hold so they can pay for Sinbad's chemotherapy. But without hockey to distract him, Conor begins to notice more. Like his dad's crying bouts, and his friend's difficult family life. And then Conor notices one more thing: Without hockey, the one thing that makes him feel special, is he really special at all?

Hockey Card Stories Simon and Schuster

Featuring more than 396 colour images, *The O-Pee-Chee Hockey Card Story "90th Anniversary Edition"* features an expanded history to O-Pee-Chee's hockey legacy as well as a year-by-year guide from 1933-34 to 1994-95 and vignettes for more than 70 important rookie cards from the 1960s through 1980s. With stops and starts in the 1930s and early 1940s, then a continuous five-decade run starting in the 1950s, O-Pee-Chee deeply established themselves as the annual collecting favourite of every young Canadian hockey fan.

Kids' Book of Hockey ECW Press
The inspiring true story of Manon Rhéaume, the first and only woman to play a game in the National Hockey League, featuring an afterward from

Manon herself. “One day, a woman will play in the National Hockey League. If no one prevents her,” said a twelve-year-old Manon Rhéaume. Manon always dreamed of playing hockey. So, when the team her father coached needed a goalie, five-year-old Manon begged for the chance to play. She didn’t care that she’d be the only girl in the entire league or that hockey was considered a “boys’ sport” in her hometown of Lac-Beauport, Quebec, Canada. All she cared about was the game. After her father gave her that first chance to play, she embarked on a spectacular, groundbreaking career in hockey. At every level of competition, Manon was faced with naysayers, but she continued to play, earning her place on prestigious teams and ultimately becoming the first woman to play a

game in the NHL. Including an afterword written by Manon herself, *Breaking the Ice* is the true story of one girl’s courage, determination, and love for the sport. [Hockey Card Stories](#) Bellwether Media The mighty Soviets were the favorites to win hockey gold at the 1980 Winter Olympics. But a team of U.S. college players had other ideas. The stunning upset of the Soviet hockey team by the young Americans has been called the greatest moment in international hockey. And to many people the victory was about much more than sports. Americans had gone through difficult times at home and abroad. Beating the best hockey team in the world—and its major Cold War rival—gave Americans a sense of pride. One iconic photo captured the impact of that _miraculous_

historic event.

Fabric of the Game Back Bay Books

An award-winning and "outrageously entertaining" true crime story (San Francisco Chronicle) about the professional hockey player-turned-bank robber whose bizarre and audacious crime spree galvanized Hungary in the decade after the fall of the Iron Curtain. During the 1990s, while playing for the biggest hockey team in Budapest, Attila Ambrus took up bank robbery to make ends meet. Arrayed against him was perhaps the most incompetent team of crime investigators the Eastern Bloc had ever seen: a robbery chief who had learned how to be a detective by watching dubbed Columbo episodes; a forensics man who wore top hat and tails on the job; and a driver so inept he was

known only by a Hungarian word that translates to Mound of Ass-Head. Ballad of the Whiskey Robber is the completely bizarre and hysterical story of the crime spree that made a nobody into a somebody, and told a forlorn nation that sometimes the brightest stars come from the blackest holes. Like *The Professor and the Madman* and *The Orchid Thief*, Julian Rubinstein's bizarre crime story is so odd and so wicked that it is completely irresistible. "A whiz-bang read...Hilarious and oddly touching...Rubinstein writes in a guns-ablazing style that perfectly fits the whiskey robber's tale." --*Salon Hockey Hero* Simon and Schuster
 "Nobody enjoys the full kaleidoscope of the game quite like Kenny, from banana blades and '70s stiches to air-brushed,

mistake-laden hockey cards.” —Jeff Marek, Sportsnet Hockey host and Marek vs. Wyshynski podcast co-host Hockey Card Stories reveals what was really going on in your favorite old hockey cards through the eyes of the players depicted on them. Some of the cards are definitely worth a few bucks, some a few cents—but every story told here is priceless. Sportsnet’s Ken Reid presents the cards you loved and the airbrushed monstrosities that made you howl, the cards that have been packed away in boxes forever, and others you can’t believe ever existed. Whether it’s a case of mistaken identity or simply a great old photo, a fantastic 1970s haircut and ’stache, a wicked awesome goalie mask or a future Hall of Famer’s off-season fashion sense, a wide variety of

players—from superstars like Bobby Orr, Denis Potvin, and Phil Esposito to the likes of Bill Armstrong who played only one game in the NHL—chime in on one of their most famous cards. “Hockey Card Stories is a sports fan’s dream—humorous, detailed and nostalgic. I hope there’s more where this came from.” —Terry Ryan, author of Tales of a First-Round Nothing “Bright, funny and filled with a real love of the sport and a genuine affection for its great characters.” —Stephen Brunt, author of Searching for Bobby Orr and Prime Time Sports cohost “When Ken is passionate about a topic, he’s the most knowledgeable individual in the room . . . in this book, you’ll quickly appreciate his passion for hockey cards . . . What a nerd.” —Evanka Osmak, Sportsnet

Hockey Card Stories Scholastic Canada

Now a feature film produced by Academy Award-nominee Howard Baldwin and featuring Dylan Playfair, Jack Mulhern, Trevor Gretzky, and Elektra Kilbey! In his hilarious, gritty, and touching debut, Bill Keenan—a hockey star once on the fast-track to the NHL—tells of how he overcame multiple obstacles to find fulfillment and redemption in the strange world of

European minor-league professional hockey. Keenan's hockey obsession begins as a five-year-old on Lasker Rink in New York's Central Park—"love at first stride," as he calls it. He then becomes the youngest, and skinniest, player on the New York Bobcats, a Junior B hockey team. Later, after his hockey career at Harvard doesn't end as planned—with a fat NHL contract—Keenan decides to play in the minor leagues in Europe, where the glamour of professional sports is decidedly lacking. Part fish-out-of-water travelogue, part coming-of-age memoir, *Odd Man Rush* will capture the interest of not just hockey fans, but also fans of good writing. Throughout, Keenan's deep affection for the game shines through, even as he describes fans who steal players' clothes from the

locker room or toss empty beer cans onto the rink after games. Abusive fans, cold showers, long bus rides—nothing diminishes his love for the sport. "Because that's the way it works with me and hockey. Even when it's horrible, it's wonderful." Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks;

whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Klondikers Simon and Schuster
The Hockey Hall of Fame is full of the best to ever hit the ice. But the path to hockey greatness is not all jaw-dropping saves and game-winning goals. In *Hockey Hall of Fame True Stories*, hockey historian and writer Eric Zweig shares exciting tales and trivia even the most dedicated puck head might not

know. This book is overflowing with behind the scenes yarns of some of history's greatest scoring sprees and winning seasons, as well as thrilling accounts of the off-ice curiosities, tragedies and heroics. Just a few of the stories featured in this fully illustrated volume are: the Guy Lafleur kidnapping plot the gambling scandals of Harry Cameron and Babe Pratt Newsy Lalonde's heroic home rescue the 1972 Montreal Canadien's motel fire the time Cy Denneny fell down a well. *Hockey Hall of Fame True Stories* is for the fans who want to take a deeper look at the lives of the players they idolize. You know the stars, the scores, and the stats. But do you know the stories?
