 Die drei Zwingli-Kinder Regula, Wilhelm und der kleine Ueli sind sieben Jahre nach dem Tod ihres berühmten Vaters in Zürich unterwegs und begegnen Menschen, die direkt oder indirekt von Zwingli Taten betroffen waren. Dabei entdecken die Kinder Licht- und Schattenseiten ihres Vaters und der Zürcher Reformation. Ein unterhaltsamer und zugleich informativer Film für Kinder und Jugendliche und die ganze Familie. Weitere Informationen siehe www.immerdiesezwinglis.ch. Die Arbeitshilfe gibt vielfältige Anregungen, wie der Film im schulischen und kirchlichen Unterricht, im Gottesdienst und in der Erwachsenenbildung eingesetzt werden kann. Die sieben Bausteine bereiten zentrale Themen der Zürcher Reformation für unterschiedliche Zielgruppen auf: 1 Schon gehört von Huldrych Zwingli? (Schulischer Unterricht in der Mittelstufe) 2 Huldrych Zwingli und das Fasten (Schulischer Unterricht in der Mittelstufe und Oberstufe) 3 Todesurteile für Täufer und Kriege gegen Katholiken – Huldrych Zwingli und die innerchristliche Vielfalt (Schulischer Unterricht in der Oberstufe) 4 Lernen mit den Zwinglis (Kirchlicher Unterricht in der Mittelstufe) 5 Freiheit – ja, aber . . . (Konfirmationsarbeit) 6 Wir schaffen Platz für Gottes Wort (Familiengottesdienst) 7 Zwingli und die Bibel (Erwachsenenbildung) Hintergrundwissen zu Zwingli und seiner Familie und Tipps für einen Stadtrundgang durch Zürich auf den Spuren des Reformators runden die Arbeitshilfe ab.  Ankara, the capital city in the heart of Turkey at the crossroads of Europe and Asia, East and West, is a hotspot in the Cold War, torn between communism and conservatism, Western freedoms and traditional ways, with an army fearful of democracy and a government that employs thugs and torture to enforce law and order. In the summer of 1980, tensions are building. Homes of the poor are being burnt down. Armed revolutionaries on college

campuses battle right-wings militias in the city's neighborhoods. The lines between good and bad, right and wrong, and beautiful and ugly are blurred by shed blood. Two children, one from a family living in misery and one well-off, form an alliance amid the turmoil. Through their senses, the cityscape unfolds its wonders, its rich smells and colors, as they try to make sense of the events swirling around them. And they hatch a plan. For the first time in generations, mute swans have migrated from Russia to the Black Sea and to a park at the center of Ankara. For the generals, they are an affirmation, and their wings must be broken so they can't fly away. But if the children can save one swan, won't they have saved the freedom of all?

Hooligan Prometheus Books

This polemic against Islamic extremism highlights the striking parallels between contemporary Islamism and the 20th-century fascism embodied by Hitler and Mussolini. Like those infamous ideologies, Islamism today touts imperialist dreams of world domination, belief in its inherent superiority, contempt for the rest of humanity, and often a murderous agenda. The author, born and raised in Egypt and now living in Germany, not only explains the historical connections between early 20th-century fascist movements in Europe and extremist factions in Islam, but he also traces the fascist tendencies in mainstream Islam that have existed throughout its history. Examining key individuals and episodes from centuries past, the book shows the influence of Islam's earliest exploits on current politics in the Islamic world. The author's incisive analysis exposes the fascist underpinnings of the Muslim Brotherhood, Hamas, Hezbollah, the Shia regime in Iran, ISIS, Salafi and Jihadist ideologies, and more. Forcefully argued and well-researched, this book grew out of a lecture on Islamic fascism that the author gave in Cairo, resulting in a call for his death by three prominent Egyptian clerics.

It is a day when everything aches and nails are raining from the sky. Anna's mother has died. Anna and her father are making their way to the funeral. But along the way they talk -- capturing memories, asking hard questions, picturing what heaven might be like. Anna's imagination leads both of them on a journey that, by the end, might just offer a certain sort of peace. With captivating artwork and text that is at times whimsical, at times haunting, this profound book will make a perfect companion for readers who are wrestling with their own questions about life's mysteries.

From the New York Times bestselling author of the Emily Windsnap series comes a captivating adventure about family, friendship, and the bonds that bridge time. The sleepy seaside village of Porthaven hides a mystery: Mia's grandad has vanished, and nobody knows why. When Mia and her mom rush to

Porthaven to help her grandmother, Mia imagines long dreary days with no one to talk to except for the old-time fisherman at her grandparents' pub. But that's before Mia finds a diary on an empty, docked fishing boat and starts exchanging notes with a local girl named Dee, a girl who seems much like her. Mia is excited about having a new friend, but why do their plans to meet each other never materialize? And why does Dee claim to be stuck at home due to violent storms when Mia sees only sunny skies? Will Mia be able to solve the mystery of where — and when — her grandfather and friend might be before time and tide forever wash away their futures?

Lilli the Witch - Trouble at School Scribner

Julius Zebra is in ancient Egypt on his third madcap adventure. Will he and his friends make it out alive, or will they all end up entombed in a pyramid forever? After being shipwrecked on the shores of Egypt, Julius Zebra can't believe his luck: he's been mistaken for a Horse God and given the royal treatment. Preened and pampered, Julius and his friends are treated to a lavish party and ferried down the River Nile. But when hapless antelope Felix accidentally stumbles upon the Tomb of Cleopatra, he steals a gem for his rock collection, unknowingly bringing a pharaoh's curse down upon the group. With the Egyptians beginning to realize that Julius is not quite what they thought he was, the zebra gladiator and his friends are soon fighting for their lives in a series of hilarious hijinks.

Hans Stichler's English aunt Alex invites him to come to university at Cambridge, where she teaches art history. In return he must help her investigate an elite university club, the Pitt Club. The club's centuries-long legacy of tradition and privilege is largely unquestioned. As Hans sets out to infiltrate its ranks, he is drawn into a world of extravagance, debauchery, and macho solidarity. Falling in love with fellow student Charlotte, Hans sees a life of upper-class sophistication opening up to him. But there are secrets in the club's history-- and in its present. And Hans is forced to grapple with the notion that sometimes one must do wrong to do right. -- adapted from jacket

Meet at the Ark at Eight! Random House

"Went to the movies. Wept. Matchless entertainment." So wrote Franz Kafka in one of his diaries, giving us but one hint of his little-known passion for the cinema. Until now, Kafka aficionados have been left to speculate about which films moved Kafka so powerfully and how those films might have influenced his writing. With *Kafka Goes to the Movies*, German actor and film director Hanns Zischler draws on years of detective work to provide the first account of Kafka's moviegoing life. Since many of Kafka's visits to the cinema occurred during bachelor trips with Max Brod, Zischler's research took him not only to Kafka's native Prague but

to film archives in Munich, Milan, and Paris. Matching Kafka's cinematic references to reviews and stills from daily papers, Zischler hunted down rare films in collections all across Europe. A labor of love, then, by a true man of the cinema, *Kafka Goes to the Movies* brims with discoveries about the pioneering years of European film. With a wealth of illustrations, including reproductions of movie posters and other rare materials, Zischler opens a fascinating window onto movies that have been long forgotten or assumed lost. But the real highlights of the book are those about Kafka himself. Long considered one of the most enigmatic figures in literature, the Kafka that emerges in this work is strikingly human. *Kafka Goes to the Movies* offers an absorbing look at a witty, passionate, and indulgently curious writer, one who discovered and used the cinema as a place of enjoyment and escape, as a medium for the ambivalent encounter with modern life, and as a filter for the changing world around him.

The world's most popular record book is back with thousands of new categories and newly broken records, covering everything from outer space to sporting greats via Instagram, fidget spinners and all manner of human marvels. Inside you'll find hundreds of never-before-seen photographs and countless facts, figures, stats and trivia waiting for you on every action-packed page. Guinness World Records 2019 is the ultimate snapshot of our world today. Plus, this year we celebrate the incredible "Maker" movement with a special feature devoted to the inventors, dreamers, crafters and creators who devote their lives to amazing record-breaking projects such as the largest water pistol, a jet-powered go-kart and an elephant-sized hamburger (think you could eat a whole one!). We take a sneak peek into their workshops to explore these epically big builds, and ask them what inspires them to go really, really large! And if you like creating, and you like LEGO®, then you'll love our "Making History" pages that use the world's most famous interlocking plastic bricks to illustrate and explain an important record-breaking object - such as the Statue of Liberty or the Apollo mission's Saturn V rocket. We examine their designs, structure and technical specifications in fully illustrated and colorful, poster-style pages. Finally, you can jump into both the making and record-breaking action with a "Do Try This At Home" section. Challenge yourself and your family with five fun record-breaking maker-inspired records you can attempt involving origami, balloon sculptures, ring pulls and rubber bands. Who knows, your creation might just make it into the record books!

In New York in the middle of the twentieth century, comic book companies figured out how to make millions from comics without paying their creators anything. In San Francisco at the start of the twenty-first century, tech companies figured out how to make millions from online abuse without paying its creators anything. In the 1990s, Adeline drew a successful comic book series that ended up making her kind-of famous. In 2013, Adeline aired some unfashionable opinions that made their way onto the Internet. The reaction of the Internet, being a tool for making millions in advertising revenue from online abuse, was predictable. The reaction of the Internet, being part of a culture that hates women, was to send Adeline messages like 'Drp slut ... hope u get gang

rape.' Set in a San Francisco hollowed out by tech money, greed and rampant gentrification, *I Hate the Internet* is a savage indictment of the intolerable bullshit of unregulated capitalism and an uproarious, hilarious but above all furious satire of our Internet Age.

Tell the Wind and Fire Candlewick Press

A heartbreaking debut YA romance featuring a neuroatypical girl with a tragic history and the chronically ill boy trying to break the vault encasing her heart. Alvie Fitz doesn't fit in, and she doesn't care. She's spent years swallowing meds and bad advice from doctors and social workers. Adjust, adapt. Pretend to be normal. It sounds so easy. If she can make it to her eighteenth birthday without any major mishaps, she'll be legally emancipated. Free. But if she fails, she'll become a ward of the state and be sent back to the group home. All she wants is to be left alone to spend time with her friend, Chance, the one-winged hawk at the zoo where she works. She can bide her time with him until her emancipation. Humans are overrated anyway. Then she meets Stanley, a boy who might be even stranger than she is—a boy who walks with a cane, who turns up every day with a new injury, whose body seems as fragile as glass. Without even meaning to, she finds herself getting close to him. But Alvie remembers what happened to the last person she truly cared about. Her past stalks her with every step, and it has sharp teeth. But if she can find the strength to face the enemy inside her, maybe she'll have a chance at happiness after all.

Flycasting is a skill of almost mythic proportions. Yet discussions of casting often bog down in a world of technical minutiae that is almost impenetrable to the beginner. Now, in *The Essence of Flycasting*, Mel Krieger has created a clear, indispensable manual for anglers of all skill levels. Through detailed instructions and dozens of precise photographs, Krieger dissects this arcane art into understandable and executable steps that take the raw beginner from piles of line on the ground to graceful loops in the air. And the seasoned veteran will advance from struggling with 30-foot casts to skillfully double-hauling vastly more line across the water. Book jacket.

We've all got two families: the one we're born with, and the one we choose ourselves. Heiko hasn't finished high school. His father is an alcoholic. His mother left. His housemate organizes illegal dogfights. He works in his uncle's gym, one frequented by bikers and skinheads. He definitely isn't one of society's winners, but he has his chosen family, the pack of soccer hooligans he's grown up with. His uncle is the leader, and gradually Heiko has risen in the ranks, until he's recognized in the stands of his home team and beyond the stadium walls, where, after the game, he and his gang represent their city in brutal organized brawls with hooligans from other localities. Philipp Winkler's stunning, widely acclaimed novel won the prize for best debut and was a finalist for the most prestigious German book award. It offers an intimate, devastating portrait of working-class, post-industrial urban life on the fringes and a universal story about masculinity in the twenty-first century, with a protagonist whose fear of being left behind has driven him to extremes. Narrated with lyrical authenticity by Heiko himself, it captures the desperation and violence that permeate his world, along with the yearning for brotherhood.

Funke A heartfelt, adventure-filled, and charming novel about a peculiar girl who embarks on a journey to find her father, the wizard. Penelope has always been different from other children. Her hair has been gray since she was born. It rains every year on her birthday. And she knows what her mother is going to say before the words even come out of her mouth. But one day, Penelope wakes up with sparkling red hair and her mother confesses the truth: Her father is not only still alive, he's a wizard! Penelope has inherited his powers, and must embark on a journey to find him.

The Gin Closet Candlewick Press

This book of dark secrets opens with a blaze. On the morning of her daughter's wedding, June Reid's house goes up in flames, destroying her entire family - her present, her past and her future. Fleeing from the carnage, stricken and alone, June finds herself in a motel room by the ocean, hundreds of miles from her Connecticut home, held captive by memories and the mistakes she has made with her only child, Lolly, and her partner, Luke. In the turbulence of grief and gossip left in June's wake we slowly make sense of the unimaginable. The novel is a gathering of voices, and each testimony has a new revelation about what led to the catastrophe - Luke's alienated mother Lydia, the watchful motel owners, their cleaner Cissy, the teenage pothead who lives nearby - everyone touched by the tragedy finds themselves caught in the undertow, as their secret histories finally come to light. Lit by the clarity of understanding that true sadness brings, *Did You Ever Have a Family* is an elegant, unforgettable story that reveals humanity at its worst and best, through loss and love, fracture and forgiveness. At the book's heart is the idea of family - the ones we are born with and the ones we create - and the desire, in the face of everything, to go on living.
