PARSONS CAROLYN

Passionate Modernity Om Publication
 Drawing on recent theories of virtuality, performativity, and governmentality, and on post-colonial activist scholarship, this book presents a series of ethnographic and archival studies of what Mukhopadhyay terms "vernacular globalization" in India. The book's six provocative chapters cover a wide range of events, objects, histories, narratives and episodes with the intent of interrogating what Franz Fanon called the "zone of occult instability where the people dwell." They span subjects as diverse as the quotidian commodity fetishism of rural cargo cults which thrive on bazaar rumours about Chinese dumping in Communist Calcutta; desi cyberporn showcasing "fat aunties" and Gandhi; Indo-Persian travelogues about England and women's travel narratives to Japan, embodying local traditions of cosmopolitanism; folk scroll paintings about 9/11 in the art historical mode; and vernacular civic traditions of urbanism as interpreted through grotty slum photographs. The Rumour of

Globalization presents facades of vernacular India negotiating globalising forces through a distinctive style of ethnography (fabulation) which is sensitive to subaltern political aspirations while maintaining a broad commitment to Marxist theory, Subaltern Studies scholarship and post-structuralist theory.

A Half-baked Love Story Oxford University Press

"What the Communist Manifesto is to the capitalist world,

Annihilation of Caste is to India.” —Anand Teltumbde, author of *The Persistence of Caste* The classic work of Indian Dalit politics, reframed with an extensive introduction by Arundhati Roy B.R. Ambedkar’s *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world’s best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in “The Doctor and the Saint,” examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi’s political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar’s emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar’s anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

Casting a Destiny Penguin

A Nobel Prize-winning economist tells the remarkable story of how the world has grown healthier, wealthier, but also more unequal over the past two and half centuries The world is a better place than it used to be. People are healthier, wealthier, and live longer. Yet the escapes from destitution by so many has left gaping inequalities between people and nations. In *The Great Escape*, Nobel Prize-winning economist Angus Deaton—one of the foremost experts on economic development and on poverty—tells the remarkable story of how, beginning 250 years ago, some parts of the world experienced sustained progress, opening up gaps and setting the stage for today’s disproportionately unequal world. Deaton takes an in-depth look at the historical and ongoing patterns behind the health and wealth of nations, and addresses what needs to be done to help those left behind. Deaton describes vast innovations and wrenching setbacks: the successes of antibiotics, pest control, vaccinations, and clean water on the one hand, and disastrous famines and the HIV/AIDS epidemic on the other. He examines the United States, a nation that has prospered but is today experiencing slower growth and increasing inequality. He also considers how economic growth in India and China has improved the lives of more than a billion people. Deaton argues that international aid has been ineffective and even harmful. He suggests alternative efforts—including reforming incentives to drug companies and lifting trade restrictions—that will allow the developing world to bring about its own Great Escape. Demonstrating how changes in health and living standards have transformed our lives, *The Great Escape* is a powerful guide to addressing the well-being of all nations.

Dowry Murder: Reinvestigating A Cultural Penguin Group

Tara: “I’m not interested in getting involved with a nice guy. No more serious relationships! I just want to enjoy. This time it’s going to be my rules, my way.” Sneha: “Who cares whether he is a nice guy or a bad guy. As long as he is a guy, you need to enjoy him and move on. At least, that’s what I do.” Dheeraj: “This can just be our way to fulfil our dark temptations. Is that what you wanted to hear? So you just take care of the time we plan to share, and leave the rest to a rich rascal like me.” Abhimanyu: “Let’s enjoy every moment.” A wild night of pleasure and passion brings up *The Naughty Proposal!* that takes them on a bumpy ride from one bed to another. A proposal which involves sinful

delight, amorous games, and unbridled passion, where pleasure is the ultimate prize. Or is the prize something else?

Big Magic Juggernaut Books

This is the first complete biography of Maxim Litvinov, a Bolshevik revolutionary who began his professional life running guns into Tsarist Russia and eventually became the leading Soviet diplomat in the turbulent 1930s. His was a spectacular career, spanning some of the most dramatic decades of the twentieth century and including an unsuccessful effort to contain Hitler with the cooperation of the Western Allies. Litvinov’s subsequent replacement as Soviet foreign minister by Molotov in 1939 signaled the dramatic shift in Soviet foreign policy that led directly to the outbreak of World War II. After the war, Litvinov’s final public act was to bluntly warn the West of the danger presented by Stalin’s cold war policies—a threat Litvinov even dared to compare with that posed by Hitler a decade earlier. Litvinov’s career ended in the relative obscurity from which it had sprung, his consistently pro-Western policies no longer consonant with the reemerging Soviet hostility toward the West. Passing away from remarkably natural causes in 1951, Litvinov left behind a political legacy that lay dormant for forty years until its recent revival by Mikhail Gorbachev. Between the Revolution and the West is based on extensive research in the Soviet Union and the West, including previously unavailable archives and interviews with Litvinov’s friends and family. Hugh Phillips’ work casts light not only on Litvinov the man but also on Soviet foreign policy during crucial and dramatic times.

Hema Malini, the quintessential ‘Dream Girl’ of Hindi cinema, has truly nurtured a dream and followed it to its realization. After being unceremoniously dropped from her first Tamil film as the director felt that she didn’t have ‘star quality’, Hema signed the Hindi film she was offered opposite Raj Kapoor. Just eighteen, she soon conquered the hearts of all moviegoers with her beauty, grace and charisma. From Johnny Mera Naam to *Sholay*, from Meera to *Baghbaan*, she has portrayed a diverse range of characters that will always remain a part of film legend. Raj Kapoor, Dev Anand, Sanjeev Kumar . she worked with all the leading stars, but it was with Dharmendra that the chemistry on screen was palpable. The special bond she shared with Dharmendra set the rumour mills buzzing, and defying all conventions, Hema married her Jat hero in May 1980. Striking a perfect balance between her personal and professional life, Hema maintains a dignity about the little world she shares with daughters Esha and Ahana. This intimate portrayal, the first authorized biography, by Bhawana Somaaya is a result of her long years of association with Hema as a film journalist and critic. Hema speaks to Bhawana more candidly than ever before about her life, with and without Dharmendra, her children, her mother and her twin passions of dance and acting.

Omprakash Valmiki describes his life as an untouchable, or Dalit,

in the newly independent India of the 1950s. "Joothan" refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a manifesto for the revolutionary transformation of society and human consciousness.

Between The Revolution And The West Penguin UK

South Asian Pornographies is the first consolidated volume that explores the relationships between pornography, obscenity, law and desire in South Asia. Focusing on case studies from India, Sri Lanka and Bangladesh while gesturing towards other countries in South Asia, the authors of this volume come from fields as varied as history, literature, media and communication, and the visual arts. The book proposes that as a geo-political location, South Asia has a unique relationship to pornography, given the multiplicity of cultural and legal-censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various modes of popular (and sometimes underground) culture, bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural (identities rather than identity), this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies, Cultural Studies, Film Studies, History, Sociology, and Social and Cultural Anthropology. The chapters in this book were originally published in the journal Porn Studies.
