1920s Fashion Sourcebook Carlton Publishing Group
 The 'roaring twenties' were exciting years for women's fashion. The iconic image is of the young 'flapper' dancing the night away in a sparkling dress with fringes and tassels moving to the beat of the Jazz age. But, for all women in the post-war years of the 1920s, there was a new freedom in fashion as hemlines lifted and waistlines dropped. The simplified silhouette caused a boom in home dressmaking as women with basic sewing skills used tissue paper patterns to run up a new frock in the latest style. This practical book explains the background to these years and the trends in women's fashion, before introducing a range of garments that women would typically have worn. Suzanne Rowland gives a unique and detailed account of how to make vintage 1920s clothes for women based on the dress collections at the Royal Pavilion & Museums, Brighton & Hove, and Worthing

Museum and Art Gallery. Fifteen detailed projects for garments and accessories include a pair of fashionably daring beach pyjamas, the wedding dress of a bride from East Sussex, and a simple striped frock suitable for wearing at a British seaside resort. Each project includes a detailed description of the original garment with an accompanying illustration alongside photographs of the original pieces. Scaled patterns are included with a list of materials and equipment required. Step-by-step instructions and close-up photographs are given for each stage of the making process with information about the original techniques used. Superbly illustrated with 314 close-up colour photographs.

Little Book of Balenciaga Infobase Publishing

A sourcebook of 1960s fashion print – the apogee of fashion print – that will be the inspiration for designers for years to come. The creativity of the period is given full expression in this sourcebook of hundreds of designs that makes it an essential for contemporary design practitioners and students. The book contains exclusive illustrations and original artwork from designers as well as finished prints. Each short chapter introduction is followed by a range of illustrations with captions to give provenance and relevance. The prints are arranged in the chapters: • Art into Pop: fashion prints that saw the influence of Pop Art • Revivals and Reflections: Biba's revival of 19th-century designs • Flower Power: floral designs, from Marimekko to Ken Scott • Lost in multicoloured hues, kaleidoscopic colours and psychedelia prints • Magical Mystery Tour: the influence of other cultures on print design

70s Style and Design Oxford University Press, USA

Experience the excitement, style, and drama of the 1920s fashion revolution! Every aspect of women's fashion is presented in 568 color photos and its origins, effect, and particular details discussed. Changing styles during the decade are followed so that clothing can be dated to within a year or two. Briefer sections on men's and children's wear provide a thorough and comprehensive insight into the complete fashion scene.

Britain in the 1920s National Geographic Books

"Haute couture is like an orchestra, whose conductor is Balenciaga. We other couturiers are the musicians and we follow the direction he gives." - Christian Dior The godfather of conceptual design, a master of shape, a true fashion game changer - all are accolades bestowed upon one of the most interesting, venerated and iconic couturiers of the twentieth century: Cristóbal Balenciaga. His pureness of line, the comfort of

his garments and innovative work with textiles, colour and volume made a huge impact on twentieth-century fashion, with creations such as the babydoll, balloon and sack dresses still influencing fashion today. Through stunning images and captivating text, *Little Book of Balenciaga* depicts the work and life of Balenciaga the couturier. Fashion historian Emmanuelle Dirix examines his legacy both through tracing the Maison's artistic direction after his death, and the generations of designers influenced by the master himself.

The Weimar Republic Sourcebook National Geographic Books

From platform shoes and bell-bottoms to miniskirts and hot pants, to Afghans and cheesecloth fabrics, the seventies remains one of the most diverse decades in clothing history. This volume explores the many facets of this exciting topic.

London Society Fashion 1905 1925 Welbeck Publishing

The entire #1 New York Times bestselling Magicians trilogy, including *The Magicians*, *The Magician King*, and *The Magician's Land*, now available in one ebook bundle *The Magicians* Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams may have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined . . . *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination. *The Magician King* Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover that Fillory—a fictional utopia—was actually real. But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real-world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth. *The Magician's Land* Quentin Coldwater has lost everything. He has been cast out of Fillory, the secret magical world of his childhood dreams that he once ruled. With nothing left to lose he returns to where his story began, the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Meanwhile, the magical barriers that keep Fillory safe are failing, and barbarians from the north have invaded. Eliot and Janet, the rulers of Fillory, embark on a final quest to save their beloved world, only to discover a situation far more complex—and far more dire—than anyone had envisioned. Along with Plum, a brilliant young magician with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. His new life takes him back to old haunts, like Antarctica and the Netherlands, and old friends he thought were lost forever. *The Magician's Land* is an intricate and fantastical thriller, and an epic of love and redemption that brings the Magicians trilogy to a magnificent conclusion, confirming it as one of the great achievements in modern fantasy.

Hairstyles Amberley Publishing Limited

A detailed, finely researched and profusely illustrated history of clothing and fashion in the Roman Empire.

Style Your Modern Vintage Home Shire Publications

Saucy flappers and manic Charlestons, dramatic silent movies and the big-band euphoria of early jazz: the 1920s must surely rank among the most dashing eras in American style history, and this volume documents in ravishing detail the clothing that helped make the decade so stylish and glamorous. Sumptuously illustrated with more than 600 original photographs, drawings and prints, *Fashion Sourcebook 1920s* focuses largely on the Art Deco period, with its beautiful beaded dresses, cloche hats and t-bar shoes as worn by the fashionable flappers and the "bright young things" of the time. Hemlines and haircuts both became drastically shorter, mirroring the changing social roles: at the decade's outset, women gained the right to vote and Prohibition led many otherwise law-abiding Americans to break the law of the land rather than abandon their gin fizzes. This title will prove an indispensable reference work not only for students of fashion but for all fashionistas seeking ideas for constructing a look of carefree liberation. An accompanying introduction outlines the major themes within fashion during this period, surveying its most famous designers and assessing their creative contributions. A cornucopia of beautiful clothes with exquisite detailing, this book is a rich source of inspiration as well as an important survey of Art Deco fashion.

Vintage Fashion Sourcebook Carlton Books

With exquisite close-up photography of some of the most fascinating pieces in the V&A's collections, this book reveals the full scope of Japanese dress over the past three centuries. A unique insight into the history and key themes of Japanese dress from the eighteenth century to the present, *Japanese Dress in Detail* reveals the elaborate embroidery, precise folds, and sophisticated dyes that form some of the most beautiful garments in the Victoria and Albert Museum's unparalleled Japanese dress collection. This book provides readers with the rare opportunity to examine historical clothing, from breathtaking Edo-period kimono, court robes, and No— theatre costumes to indigo-dyed utilitarian garments and exciting contemporary designs. Featuring both garments and accessories, this book is an extraordinary exploration of the beauty and complexity of Japanese fashion. Specially commissioned close-up photography and authoritative texts accompany each garment, and front-and-back line drawings make this publication an invaluable resource for students, collectors, designers, fashion lovers, and Japanophiles.

Roman Clothing and Fashion Penguin

Accurate record of actual dress of the Roaring Twenties in over 150 pages of mail-order catalogs, selected and with text by Stella Blum. Over 750 illustrations, captions.

Fashion in the 1920s Univ of California Press

The war was over, new technologies and fashions were springing up; it was to be the beginning of a new and prosperous era and all was to be bright and joyous in Britain again. In many ways it was: women were granted new freedoms and rights, motorcars became more accessible and houses were filled with electric gadgets. But that was only one side of the story. High unemployment led to extreme poverty, workers were badly done by and inflation was high. However, there was a cure for all: jazz, that new upbeat music from across the Atlantic with its infectious rhythms and sensuous tones. Jazz took Britain by the hand and swung it well and truly into the twentieth century. This book explores many different aspects of an amazing decade through its highs and lows; from innovations in swimwear to the invention of Winnie-the-Pooh, from the Great Strike of 26 to the Wall Street crash of 29 and the beginning of the Great Depression. Whether your interests are in fashion or politics there is something of interest for everyone in this accessible and entertaining work on

all things related to Britain in the 1920s.

Everyday Fashions of the Twenties Schiffer Pub Limited

"The Vintage Fashion Bible is the must-have accessory for all dedicated followers of vintage fashion. Written by Red or Dead co-founders, Wayne Hemingway, MBE and Gerardine Hemingway, this is a complete chronological look at 20th century fashion for men and women from the perspective of the vintage fashion enthusiast rather than fashion historian, as well as a practical guide to buying, styling and restoring vintage clothing. Using clothing catalogues, film posters, magazine articles and other contemporary advertising from the 1920s to the 1990s, the book delivers an authentic feel for each decade and shows through original visuals how fashion has evolved. Each decade includes an introduction to the period, social influences on fashion, key designers and style icons of the day. Special features take a look at swimwear, underwear, accessories and fabulous vintage wedding outfits for a complete and comprehensive overview of how fashion has shaped us. Get the Look features throughout the book give tips and insider advice on how to pull off the vintage look today. Complete with stunning original photography and illustration from the Hemingways' personal archive, expert advice on everything from sizing and caring to where to buy and mixing vintage with new, as well as interviews with style icons and collectors, *The Vintage Fashion Bible* is essential reading for all fashion-lovers, from students and vintage virtuosos, to those who just want something a little different from their modern wardrobe"--WWW.amazon.co.uk.

Art Deco Source Book Welbeck

An authoritative account of the history of fashion from 1900 to today, fully illustrated in color. From the turn-of-the-century S-bend silhouette to celebrity couture of the new millennium and the evolution of streetwear, this comprehensive survey explores the significant developments in fashion since 1900. Authors Amy de la Haye and Valerie Mendes focus on key movements and innovations in style for both men and women, and explore trends through the work of the most original and influential designers. Chapters are organized around crucial shifts in style and major world events, and exciting advances in fashion are placed within their socioeconomic, political, and cultural contexts. International in scope, this new edition includes updates to the text, including chapters on the most important new designers and the impact of online shopping. Fully illustrated in vibrant color throughout, *Fashion Since 1900* includes a helpful reference section with an extensive bibliography.

The Victorian Scrapbook Bloomsbury Publishing

For anyone interested in collecting and wearing vintage, or eager to check out classic style for inspiration, this lavishly illustrated sourcebook offers a decade-by-decade showcase of twentieth-century fashion. "Key looks" pages present major trends, from Coco Chanel's *Style Russe* in the 1920s and Christian Dior's 1950s A-line dresses to Emilio Pucci's psychedelic prints and Azzedine Ala a's "body con" clothing. Fashionistas will love it--and also appreciate the pointers on sourcing and caring for vintage pieces.

Vintage Fashion Bloomsbury Publishing USA

This book reveals the impact of wartime and austerity on British fashion and tells the story of how a spirit of patriotism and make-do-and-mend unleashed a wave of new creativity among women who were starved of high fashion by shortages and rationing. Many home dressmakers copied the high-end looks, and women involved in war work created a whole new aesthetic of less formal street wear. Fashion in the 1940s also shows how the Second World War shifted the centre of the international couture scene away from Paris, allowing British designers to influence Home Front style. Afterwards Paris fashion was re-born with Dior's

extravagant New Look, while casual American trends were widely adopted by young British women and men.

Fashion Accessories Goodman-Fiell

From the award-winning costume designer of Amazon Prime Video's *The Marvelous Mrs. Maisel*, a collection of the show's costumes, with never-before-seen photography, sketches, production stills, and more Amazon Prime Video's Emmy- and Golden Globe-winning series *The Marvelous Mrs. Maisel* centers on Miriam "Midge" Maisel, a 1950s New York City woman whose seemingly perfect life suddenly takes an unexpected turn, taking her from a comfortable life on Riverside Drive through the basket houses and nightclubs of Greenwich Village as she embarks on a groundbreaking standup comedy career. Created by Amy Sherman-Palladino (creator and showrunner of *Gilmore Girls*), and starring Rachel Brosnahan, Alex Borstein, and Tony Shalhoub, *The Marvelous Mrs. Maisel* has garnered fan and critical praise alike, with much of the attention focused on the exquisitely designed period costumes. *Madly Marvelous: The Costumes of The Marvelous Mrs. Maisel* explores the inner workings of award-

winning costume designer Donna Zakowska's process, as well as the many inspirations for the show's wardrobe, including period photography, American and European fashion trends, and the various cultures and countercultures of late-1950s New York. The clothes of Mrs. Maisel are gorgeous, authentically detailed, and carefully crafted. Illustrated with sketches, photographs from Zakowska's workspace, behind-the-scenes shots, and production stills, the book follows the series from season to season, showing how the vocabulary of fashion—context, style, color, cut, accessories, and more—is integral to defining and developing the characters in the show. *Madly Marvelous* is a must-have for fans of the show and fashionistas alike, providing readers with a curated and well-informed look at an integral period in fashion history.

The 1920s and 1930s Thames and Hudson
