His daughter, Cady, is getting married in two weeks, and the wedding locale arrangements have just gone up in smoke signals. Fearing Cady's wrath, Walt and his old friend Henry Standing Bear set out for the Cheyenne Reservation to find a new site for the nuptials. But their expedition ends in horror as they witness a young Crow woman plummeting from Painted Warrior's majestic cliffs. Is it a suicide, or something more sinister? It's not Walt's turf, but he's coerced into the investigation by Lolo Long, the beautiful new tribal police chief.

Walt Longmire is up to his badge in the darker aspects of human nature, making his way through the case with a combination of love, laughs, and derelict automobiles.

Or was it? When Charley Lee Stillwater dies of an apparent heart attack at the Wyoming Home for Soldiers & Sailors, Walt Longmire is called in to try and make sense of a piece of

a painting and a Florsheim shoebox containing a million dollars, sending the good sheriff on the trail of a dangerous art heist.

Bedfellows Penguin

A Christmas novella for fans of the hit drama series LONGMIRE now on Netflix and the New York Times bestselling series. Craig Johnson's new novel, *The Western Star*, will be available from Viking in Fall 2017. Sheriff Walt Longmire is in his office reading *A Christmas Carol* when he is interrupted by a ghost of Christmas past: a young woman with a hairline scar and more than a few questions about his predecessor, Lucian Connally. With his daughter Cady and undersheriff Moretti otherwise engaged, Walt's on his own this Christmas Eve, so he agrees to help her. At the Durant Home for Assisted Living, Lucian is several tumblers into his Pappy Van Winkle's and swears he's never clapped eyes on the woman before. "It's the scenery—and the big guy standing in front of the scenery—that keeps us coming back to Craig Johnson's lean and leathery mysteries." —The New York Times Book Review The ninth Longmire book from the New York Times bestselling author of *Land of Wolves* It's homecoming for the Durant Dogies when Cord Lynear, a Mormon "lost boy" forced off his compound for rebellious behavior, shows up in Absaroka County. Run by four-hundred-pound Roy Lynear, Cord's father, the group is frighteningly well armed and very good at keeping secrets. Walt's got Cord locked up for his own good, but the Absaroka County jailhouse is getting crowded since the arrival of the boy's self-appointed bodyguard, a dangerously spry old man who claims to be blessed by Joseph Smith himself. As Walt, Vic, and Henry butt heads with the Lynears, they hear whispers of Big Oil and the CIA and fear they might be dealing with a lot more than they bargained for.

It's holiday season in Absaroka County and Sheriff Walt Longmire gets personal in this delightful collection of four short stories from New York Times bestselling author Craig Johnson. Full of Longmire's dry wit and good heart, Christmas in Absaroka County is a holiday must-have for every Longmire and Craig Johnson fan, and it also includes the first chapter of *The Cold Dish*, the first novel in the Longmire Mystery Series. Readers glimpse a softer side of Sheriff Walt Longmire as he grapples with the death of his wife, Martha, and his sometimes turbulent but ever-loving relationship with his daughter, Cady. In these four stories—"Ministerial Aid," "Slick-Tongued Devil," "Toys for Tots," and "Unbalanced" (three of which have been sent to Johnson's fans over the years in the author's "Post-it" e-mails)—Walt is alternately at his best and his worst. He helps a somewhat delusional elderly victim of domestic abuse while sporting a bathrobe and a mean hangover on New Year's Day. He's sidelined by grief when his wife's obituary reappears in the paper and there's an unexpected knock on his door two days before Christmas. He strives to help even those who don't want it when he picks up a young female hitchhiker, and he's forced into some last-minute Christmas shopping by the Greatest Legal Mind of Our Time, during which he might just end up saving a young Navy chaplain's Christmas.

Another Man's Moccasins Penguin

An Obvious Fact Penguin

A New York Times bestselling collection of Longmire adventures Craig Johnson's *The Highwayman* and *An Obvious Fact* are now available from Viking. Ten years ago, Craig Johnson wrote his first short story, the Hillerman Award-winning "Old Indian Trick." This was one of the earliest appearances of the sheriff who would go on to star in Johnson's bestselling, award-winning novels and the hit television series Longmire, now streaming on Netflix. Each Christmas Eve thereafter, fans rejoiced when Johnson sent out a new short story featuring an episode in Walt's life that doesn't appear in the novels; over the years, many have asked why they can't buy the stories in book form. *Wait for Signs* gives Longmire fans a chance to own these beloved stories—and one that was published for the first time in the Viking edition—in a single volume. With glimpses of Walt's past from the incident in "Ministerial Aide," when the sheriff is mistaken for a deity, to the hilarious "Messenger," where the majority of the action takes place in a Porta-Potty, *Wait for Signs* is a necessary addition to any Longmire fan's shelf and a wonderful way to introduce new readers to the fictional world of Absaroka County, Wyoming.

Spirit of Steamboat Penguin

In the twelfth Longmire novel, Walt, Henry, and Vic discover much more than they bargained for when they are called in to investigate a hit-and-run accident involving a young motorcyclist near Devils Tower—from the New York Times bestselling author of *Land of Wolves* In the midst of the largest motorcycle rally in the world, a young biker is run off the road and ends up in critical condition. When Sheriff Walt Longmire and his good friend Henry Standing Bear are called to Hulett, Wyoming—the nearest town to America's first national monument, Devils Tower—to investigate, things start getting complicated. As competing biker gangs; the Bureau of Alcohol, Tobacco, and Firearms; a military-grade vehicle donated to the tiny local police force by a wealthy entrepreneur; and Lola, the real-life femme fatale and namesake for Henry's '59 Thunderbird (and, by extension, Walt's granddaughter) come into play, it rapidly becomes clear that there is more to get to the bottom of at this year's Sturgis Motorcycle Rally than a bike accident. After all, in the words of Arthur Conan Doyle, whose *Adventures of Sherlock Holmes* the Bear won't stop quoting, "There is nothing more deceptive than an obvious fact."

Messenger University of Oklahoma Press

The thirteenth novel in Craig Johnson's beloved New York Times bestselling Longmire series, the basis for the hit Netflix series Longmire Sheriff Walt Longmire is enjoying a celebratory beer after a weapons certification at the Wyoming Law Enforcement Academy when a younger sheriff confronts him with a photograph of twenty-five armed men standing in front of a Challenger steam locomotive. It takes him back to when, fresh from the battlefields of Vietnam, then-deputy Walt

accompanied his mentor Lucian to the annual Wyoming Sheriff's Association junket held on the excursion train known as the Western Star, which ran the length of Wyoming from Cheyenne to Evanston and back. Armed with his trusty Colt .45 and a paperback of Agatha Christie's *Murder on the Orient Express*, the young Walt was ill-prepared for the machinations of twenty-four veteran sheriffs, let alone the cavalcade of curious characters that accompanied them. The photograph--along with an upcoming parole hearing for one of the most dangerous men Walt has encountered in a lifetime of law enforcement--hurtles the sheriff into a head-on collision of past and present, placing him and everyone he cares about squarely on the tracks of runaway revenge.

The Templar Conspiracy Penguin

What can long-dead dinosaurs teach us about our future? Plenty, according to paleontologist Kenneth Lacovara, who has discovered some of the largest creatures to ever walk the Earth. By tapping into the ubiquitous wonder that dinosaurs inspire, Lacovara weaves together the stories of our geological awakening, of humanity's epic struggle to understand the nature of deep time, the meaning of fossils, and our own place on the vast and bountiful tree of life. Go on a journey--back to when dinosaurs ruled the Earth--to discover how dinosaurs achieved feats unparalleled by any other group of animals. Learn the secrets of how paleontologists find fossils, and explore quirky, but profound questions, such as: Is a penguin a dinosaur? And, how are the tiny arms of T. rex the key to its power and ferocity? In this revealing book, Lacovara offers the latest ideas about the shocking and calamitous death of the dinosaurs and ties their vulnerabilities to our own. *Why Dinosaurs Matter* is compelling and engaging—a great reminder that our place on this planet is both precarious and potentially fleeting. “As we move into an uncertain environmental future, it has never been more important to understand the past.”

With an investigation that spans this world and the next, Sheriff Walt Longmire and Henry Standing Bear take on a case that pits them against a legend: *The Highwayman*.
