NEW YORK TIMES BESTSELLER • From the Pulitzer Prize-winning author of *The Looming Tower*—a riveting thriller and “all-too-convincing chronicle of science, espionage, action and speculation” (*The Wall Street Journal*). At an internment camp in Indonesia, forty-seven people are pronounced dead with acute hemorrhagic fever. When epidemiologist Henry Parsons travels there on behalf of the World Health Organization to investigate, what he finds will have staggering repercussions. Halfway across the globe, the deputy director of U.S. Homeland Security scrambles to mount a response to the rapidly spreading pandemic leapfrogging around the world, which she believes may be the result of an act of biowarfare. And a rogue experimenter in man-made diseases is preparing his own terrifying solution. As already-fraying global relations begin to snap, the virus slashes across the United States, dismantling institutions and decimating the population. With his own wife and children facing diminishing odds of survival, Henry travels from Indonesia to Saudi Arabia to his home base at the CDC in Atlanta, searching for a cure and for the origins of this seemingly unknowable disease. *The End of October* is a one-of-a-kind thriller steeped in real-life political and scientific implications, filled with the insight that has been the hallmark of Wright's acclaimed nonfiction and the full-tilt narrative suspense that only the best fiction can offer.

The engaging profiles of English Learners at Home and at School offer access to a deeper and broader understanding of the lived experiences of English learners and their families. Such knowledge is essential for all educators in order to anticipate the needs of, and best support, English learners. In this highly readable volume, Joyce W. Nutta helps to build the bridge of knowledge and empathy between teachers and the English learners they support. In an inspired approach to the topic, she presents six compelling portraits of English learners who come from different cultural backgrounds and who are at different points in their educational journeys, from preschool to community college. Informed by real-life observations, extensive interviews, and academic research, these lively portrayals highlight issues and concerns that commonly arise in multicultural and

multilingual learning and teaching. Nutta accompanies each profile with details on the specific cultural, linguistic, and educational factors at play and offers sound practical guidance for supporting English learner achievement in classrooms. She suggests educational strategies, including establishing dual-language classrooms, adapting instruction, and inviting parent participation, that can scaffold English learners' academic success. English Learners at Home and at School will help educators develop a better awareness of all their students—even those who come from backgrounds vastly different from their own.

Don't miss this set of hot Bad Boy billionaire bosses waiting to be found out! Book One: Dirty News: A Bad Boy Billionaire Romance (Dirty Network Book 1) One job, two opponents, and one hell of an attraction between them... Why'd he have to be so manly, rugged, and inviting? Why'd there have to be that stupid no dating rule within the staff at WOLF? And why couldn't I turn my hormones off and be the professional I needed to be? I knew the answer to the last question. How could anyone turn off something so hot? When he touched me, it left my flesh sizzling. When our lips met for the first time, I knew I was done for. He had me right from the start. Took me higher than I knew was possible. My body was his, at his mercy, and he gave none. But our jobs might cost us the passion we'd found. Would we really let that happen? Book Two: Beautiful Assistant: A Christmas Romance (Dirty Network Book 2) I'd made the rules, so whose business would it be if I decided to change them ... From the moment we met, I knew she was something special. Everything about her pulled me in; she was my gravity. Purity and innocence blended with wisdom and clarity to make up her unique presence. She was one of a kind, in more ways than one. My fantasies about her were enough to turn me into a man I never knew I could be. The pleasure would be endless when we finally gave ourselves to each other. But forever isn't a promise that is easily made. And she wanted forever or nothing at all, making me wait and wonder if we would ever be more than just a boss and his assistant. Book Three: Dirty Desires: A Bad Boy Billionaire Romance (Dirty Network Book 3) Lost love can be hard to overcome, but maybe she can help me find my way back again... Her backside is what first caught my attention. Round, firm, plump, juicy. Those are the words that ran through my mind when I first saw her bent over the table in front of me. For a couple of years, she'd filled my fantasies, and now she was filling my dreams too. But someone else had lived in my dreams for a long time. I didn't want her knocking that person out of my life forever. Pushing her away seemed impossible. No matter how hard I tried, my arms kept pulling her back to me. And just when I was

Whatever the case was, Mia knew the instant her eyes met his hazel ones, she was in trouble.
