## MORENO KARTER

Anagram Solver Brookes Publishing Company

The ideal stage-specific companion to Words Their Way: Word Study for Phonics, Vocabulary, and Spelling Instruction. In keeping with the authors' belief that the hands-on word sorting approach to word study is invaluable to teachers and students alike, this volume presents a complete curriculum of word study for students who are in the syllables and affixes stage of spelling development. Complete with 58 sorts, specific teacher directions, suggestions for follow-up activities, and spell checks for ongoing assessment, this collection of sorts presents 24 words each week. The new edition includes clearly stated generalizations for each lesson, step-by-step directions for each sort, and a new pacing chart and goal setting record form. Together, the Words Their Way core text and this supplement provide teachers with the knowledge and tools to meet the wide range of needs in today's classrooms.

An educational toolkit for teaching phonics, consisting of a book, posters and musical CD, all of which provides for multiple options and inputs for learning, including: visual-icons, auditory and kinesthetic motor skill manipulations, as well as a variety of dramatic and emotive cuing-systems designed to target the affective learning domain. This "backdoor-approach" to phonemic skill acquisition is based on current neural research on Learning & the Brain--specifically how our brains actually learn best! The Secret Stories® primary purpose is to equip beginning (or struggling, upper grade) readers and writers, as well as their instructors, with the tools necessary to easily and effectively crack the secret reading and writing codes that lie beyond the alphabet, and effectively out of reach for so many learners! It is not a phonics program! Rather, it simply provides the missing pieces learners need to solve the complex reading puzzle--one that some might never solve otherwise! The Secrets(tm) are sure to become one of the most valuable, well-used, and constantly relied-upon teaching tools in your instructional repertoire!

Building Vocabulary provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary: Foundations for grades 1-2, empowers beginning readers to learn words by identifying word parts or word families that share common sounds. Students will build vocabulary through the use of poetry, word endings, and simple roots. Building Vocabulary: Foundations: Level 2 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.
