After a night of epic sex, he left a thank-you note on my night-side table! Imagine my surprise on moving day when I discover my one-night stand is now my new neighbor, Nate. Last weekend, the hot NYPD officer gave me the night of my life. He looks almost as handsome in uniform as out of uniform. I wait for him to say something like... 'You were amazing.' Or 'What a night'. Or maybe, 'Dinner? My place?' Sounds reasonable, right? After all,

Nate left me hoarse from screaming his name, and aching from doing it in every position known to man. He also left me without a goodbye. Just a note. A freaking thank-you note. So, maybe I shouldn't be too surprised when he eyes me up and down and says three very different words. 'Have we met?' Bastard. That's what I thought for a second. But, it turns out Officer Casanova has a twin brother. Darrin. Nate didn't forget me. In fact, he has plans for me, plans that include his brother and both of them having their dirty, wicked way with me. These gorgeous, sexy, demanding men want to share me. Sounds like a girl's dream come true, right? But what if a time comes when I have to choose?

For years, I had the worst crush on my stepbrother, Cole Hunter.

We used to ride bikes, skateboard and go fishing together - now I couldn't even be in the same room as him without my pulse racing. One cocky half-grin from Cole would have my face blushing while my panties melted. It was insane - and completely humiliating. It was a painful secret that I guarded fiercely. Cole was off-limits. Forbidden. If he knew how I felt, I would die of embarrassment. I avoided Cole for years, until one wild night, when my best friend took me to a club. I thought I was going to see a grunge band, but it turned out to be a much kinkier kind of club. A club where anything goes, and well, things got a little crazy. Make that a lot crazy. No one would ever know what I'd done, right? Then I discovered who the man behind the mask really was...

An Amazon Bestselling Series My best friend has a harem of ten sexy men, and I want one too! Well who wouldn't want ten men to satisfy their every need; ten men to pleasure them in ways they haven't even considered. I dream about it and wake up in a hot, flustered sweat, frustrated as hell because how does an ordinary girl like me find a harem. It's not like they're available to purchase at the supermarket. I consider advertising for men who would consider trying a polyamorous relationship, but dating sites are awful at the best of times, and I'm not looking for my inbox to be overwhelmed with d\*\*k pics. Then my bestie Laura and her 10 Men feature in a reality TV show and everything changes. Let's

just say there are men out there who need a queen for their harem, and I might just be the girl for the job. Time to interview the gorgeous Jackson brothers at their ranch to see if they've got what it takes to blow my mind and win my heart. This is a 93,000 word standalone mega menage/reverse harem romance. It involves MFMFMFMFM situations which are all about the heroine, and a very happy-ever-after ending. Well, there are ten men involved! It's part of the Huge Series; standalone romances with lots of HUGE goodness to link them all. Read in any order! No cliffhangers. No cheating.

I thought Speed Dating would be a waste of time, and then my hunky stepbrothers show up with their gorgeous friends Nick and Oscar. I'm mortified: they might think I'm an easy lay or that any of this is my idea. It's not, I was dragged here by my BFF. Seven minutes with each man is long enough to find out that Nick and Oscar are funny, charming, and sweet. Their smiles make me blush. And I'd like to meet them again and get to know them better. It is also enough time to discover my stepbrothers both have the hots for me. Matthew Harris has the decency and good sense to know we must not do anything about our mutual attraction, not when we live under the same roof. However, his twin brother, Luke wastes none of his seven minutes on small talk. He wants to take me home to do the filthy things I've only dreamed of. And I'm tempted to say yes. How can I choose one of their friends when all four men want me? Whatever happens, I don't want to mess up my future career as a respectable children's nurse. I just want to settle down and have a big family of my own someday. SPEED DATE is a sizzling romance with a

very happy ever after ending.\*A full-length standalone romance.  
\*No cliffhanger. \*No cheating.

Sure, James Montgomery is handsome and filthy rich, with broad shoulders, six pack abs, and a firehose that's thick and powerful, drenching me with goodness. But that doesn't mean that anything goes. Of course, Mr. Montgomery doesn't give a sh\*t. He thinks his good looks and money will buy him anything. What the arrogant billionaire didn't expect? (1) A baby, (2) a girlfriend, and (3) unexpectedly falling in love. This is the next installment in the City Girls storyline.
