Great Performance, Incorporated
Here is the twelfth edition. As I indicated in
the last edition, I am still in what positive
psychologists call "flow." I am so
engrossed and passionate about my field
of organiza- tional behavior that time just
flies. As I have said before, I take

considerable pride in the sustainability of
this text. It took me four years to write the
first edition, and then about a year to do
each subsequent edition. Because of the
rapidly expanding body of knowl- edge in
organizational behavior, these revised
editions through the years have become
increasingly challenging. However, I am
still—actually even more than ever—in
flow in trying to keep this first mainline
organizational behavior text totally up-to-
date with the very latest and relevant
theory building, basic and applied
research, and best-practice applications. I

decided with this edition to give special recognition of this scientific foundation by adding the subtitle—An Evidence-Based Approach.

1001 Ways to Reward Employees John Wiley & Sons

All managers get saddled with "problem" employees from time to time; what sets great managers apart is how they deal with them. Drawing from real-life stories, this helpful and humorous guide provides readers with practical advice for handling a wide range of difficult types, including: * The Impossible "I"s: Incompetents, Idiots, and Imbeciles -- clueless employees who simply don't know what they're doing * The Bull in the Office China Shop -- the frequently angry worker ready to confront anyone and everyone * The Party-Time Performer -- the employee who, although great with people, constantly turns work-time into fun-time * I've Got a Problem -- employees whose work is compromised by any of a range of personal demons, from

drug and alcohol problems to emotional issues From whiners and wastrels to the needy and nefarious, this book gives readers the tools they need to handle any type of difficult employee.

Creative Forecasting Simon and Schuster
What if most employee recognition best practices are wrong? What if it's not the gift card, anniversary award, or mug that's making the difference? Employee Recognition as we know it is not working. Learn an easier, smarter, more productive approach that results in employees who give their full effort, love working with you, and stay with you.

1001 Business Letters for All Occasions Amacom Books

As more companies from around the world have come to see the value and power of appreciation, they've put in place employee recognition programs. But with 65% of employees saying they don't feel appreciated and 87% saying their recognition program is "stale, outdated, or used as disguised compensation," clearly something's not working. This book is a call to action and call for change for anyone who is interested in creating a culture of appreciation through their employee

recognition strategies and programs, one that doesn't focus on the fancy trophy, expensive gifts or money, but on a feeling. Packed full of tips, tools and case studies from leading organizations including Atlassian, Chelsea Football Club, LinkedIn, Zoom and Zappos, will drive change and add the exclamation point to appreciation that's fit for your people and the future!

ICC News & Notes Amacom Books

Recognizing and rewarding employees is a true business imperative no manager can afford to ignore. Now in a revised second edition, "How to Recognize & Reward Employees" gives managers all the helpful tools and information they need to get the most from their people. The book reveals the best ways to improve employee morale, productivity and quality of work, select the right reward for the achievement and inspire both high and low performers. It is an essential reference for every organization.

1501 Ways to Reward Employees McGraw-Hill/Irwin

Today more than ever, businesses need fresh ideas to nurture talent and retain employees—enter 1,501 Ways to Reward Employees, thoroughly revised, updated,

and even more chockablock with ideas than 1,001 Ways to Reward Employees, the groundbreaking national bestseller. Adapted to meet the needs of an evolving workplace—especially to deal creatively with virtual employees, freelancers and permalancers, international colleagues, and the rule-bending expectations of millennials—its 1,501 low-and no-cost rewards and strategies are drawn from thousands of companies across the globe. Ideas range from the informal (Wells Fargo’s thank-you e-cards) and the offbeat (JS Communications two free “I Don’t Want to Get Out of Bed” Days) to the formal (J. C. Penney “affirms” new managers in a moving ceremony) to the totally nutty (the legendary honor of having your office “sodded”—literally, grassed over—at Microsoft). For bosses, managers, entrepreneurs, small-business owners, consultants—anyone who’s responsible for working successfully in an ever-tougher economy—this is the rewards bible. *A Comparison of a Traditional Employee of the Month Program with an Intervention Including both Individual and Group Contingencies, a Lottery, and Pinpointed Behaviors to Improve Employee*

Performance across Multiple Targeted Accomplishments Employee of the Month Recognition

The Essential Guide to the Most Crucial Challenge Facing Twenty-First Century Human Resources Management "This book offers a practical, realistic approach to keeping the best employees. It draws on good theory and offers excellent advice." - Dave Ulrich, Professor of Business, University of Michigan, and coauthor of Organizational Capability "Business owners who agonize over attracting and retaining employees will find a wealth of information. Suzanne understands how to apply today's best ideas in human resources management to businesses large and small." --E. Jill Pollock, President, Pollock Consulting Group, Inc., and Chair, Small Business Association of Michigan "A two-year Gallup study found that companies with a positive workforce reported higher profits, productivity, and lower turnover. Every organization would like these results. Suzanne shares her human resources experience and provides hands-on tools for retaining those people who are key to an organization's success. It is an easy-to-read, practical guide for

working with today's and tomorrow's employees." --Hunter A. Pickens, President, The Pickens Group, Ltd. *Employee Award Programs* Wolters Kluwer Suggests ways of motivating employees by recognizing their accomplishments, including both formal and informal rewards, individual and group rewards, and special events, incentives, and contests.
