Sweet Redemption (Sweet Series #4) Penguin UK

She is expected to marry, cook, and have children—and instead she’s sneaking off to war. Can she manage to stay alive, save her mother, and keep the handsome son of a duke from discovering her secret? *The Warrior Maiden* is a reimagining of the classic *Mulan* tale in medieval Europe. When *Mulan* takes her father’s place in battle against the besieging Teutonic Knights, she realizes she has been preparing for this journey her whole life—and that her life, and her mother’s, depends on her success. As the adopted daughter of poor parents, *Mulan* has little power in the world. If she can’t prove herself on the battlefield, she could face death—or, perhaps worse, marriage to the village butcher. Disguised as a young man, *Mulan* meets the German duke’s son, *Wolfgang*, who is determined to save his people even if it means fighting against his own brother. *Wolfgang* is exasperated by the new soldier who always seems to be one step away from disaster—or showing him up in embarrassing ways.

From rivals to reluctant friends, *Mulan* and *Wolfgang* begin to share secrets. But war is an uncertain time and dreams can die as quickly as they are born. When *Mulan* receives word of danger back home, she must make the ultimate choice. Can she be the son her bitter father never had? Or will she become the strong young woman she was created to be? This fresh twist on the classic tale takes us to fifteenth-century Lithuania where both love and war challenge the strongest of heroes. Praise for *The Warrior Maiden*: “In this fantastic retelling, Dickerson brings to life a completely new aspect of the medieval era . . . Discover castles, battles, beliefs, and injustices alongside *Wolfgang* and *Mulan* . . .” —*Hope by the Book* Full length clean fairy tale retelling Stand-alone novel in the Hagenheim Series by New York Times bestselling author *Melanie Dickerson* Includes discussion questions for book clubs

A Beautiful Funeral: A Novel (Maddox Brothers Book 5) Bailey Ardisone

Their marriage was nothing more than a business transaction. Or at least that was what they told themselves. *Poppy Weston* had been burned enough times by undeserving men to know her heart was best left under lock and key. She was content with her life, even with the lack of romance. Then *Jase Hyland* walked into *Redbud Inn* and offered her something she couldn’t refuse. In return, all she had to do was marry him. *Jase* had seen firsthand the kind of damage relationships caused, and he wanted nothing to do with it. He’d been taught from a young age that the only things that should matter to a man were wealth and power. However, all it took was a series of events to lead him down a path he never expected to travel. It was supposed to be simple. No feelings, no emotions, just two friends entering into a mutually beneficial arrangement. He thought he had it all figured out . . . until he went and fell for his wife.

There were no surprises in *Gatlin County*. At least, that's what I thought. Turns out, I couldn't have been more wrong. *Ethan Wate* used to think of *Gatlin*, the small Southern town he had always called home, as a place where nothing ever changed. Then he met mysterious newcomer *Lena Duchannes*, who revealed a secret world where a curse has marked *Lena's* family of powerful Supernaturals for generations. Mysterious, suspenseful, and romantic, *Beautiful Creatures*, *Beautiful Darkness*, and *Beautiful Chaos* introduce a secret world hidden in plain sight.
