Starline Press Curriculum Description

Unit 1 of 3 Math Rapid Remediation Units

Math RR 7A-7C This course is designed to

offer the student a rapid review of the entirety of our Math curriculum.

Students start by returning to 3rd grade concepts and work their way quickly toward 8th grade requirements. This

course allows the student who has not reached their Math requirements to

quickly reach their target level as well as rapidly prepare them for the rigors of

high school Algebraic theories and concepts. Starline Press is a character-

based, state standards aligned, individualized and independent learning

curriculum. Perfect for any independent learning environment, from Homeschool

to Adult High School completion and

Home and Hospital instruction, it is

designed to allow each student to

progress at his or her own pace, which

may vary from subject to subject.

Students find the instruction embedded in the material, so that the teachers'

voice is heard within the text. Both

objective and subjective assessment

methods are used to ensure mastery of

the material. Challenging activities are

included in each unit to help students to

acquire critical thinking skillsets. Each

complete Starline Press Curriculum

Course contains from 5-12 individual

units, from one semester to one year's

instruction. The Starline Press core

curriculum course list includes Math,

English, Social Studies and Science for

3rd through 12th grades. The Starline

Press High School Elective curriculum

course list includes; Physical Education,

Personal Finance, Spanish, and

Automotive Technology, Home

Economics, Art, Music and many others.

Each Unit (24 to 60 pages) is about 3

weeks work for a student and comes

with a test inserted into the back for

easy removal. The separately purchased

Score Key comes with the Test Key

inserted into the back of it. All units of a

particular course must be completed to

meet all of the objectives of that course.

Starline's 3rd - 8th grade curriculum

offers 12 units per year. The 9th - 12th

grade curriculum offers 5 units per

semester and 10 units per year.

Designed with independent learning and

Homeschool in mind, Starline is self

contained and includes lists of any

additional resources needed to complete

the units. Starline is a system of learning

that is designed to be used

independently, but can also be used as

remediation or enrichment, special

education individual ability and paced

material or homework. Our contact

numbers and more information about

Starline can be found on our website at

www.starlinepress.com. Quantity

discounts are available for public and

private schools, please call for

information.
