Girl on Witches' Hill Redhook

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

Witches Hill Good Press

British Colonies on the east coast of North American continent had been settled by religious refugees seeking to build a pure, Bible-based society. They lived closely with the sense of the supernatural and they intended to build a society based on their religious beliefs. That is what caused numerous quarrels, troubles and accusations among which the witchcraft was quite common and the most dangerous. While witch trials had begun to fade out across much of Europe by the mid-17th century, they continued in the American Colonies. The earliest recorded witchcraft execution in America was in 1647 in Connecticut. The witch hunt in American Colonies culminated with the Salem Trials when over 200 people were accused, and 19 of whom were found guilty and executed by hanging. This collection contains books that depict the history of witchcraft and witch trials in the USA. Introduction: The Superstitions of Witchcraft by Howard Williams Witchcraft in America: The Wonders of the Invisible World by Cotton Mather and Increase Mather Salem Witchcraft by Charles Wentworth Upham Salem Witchcraft and Cotton Mather by Charles Wentworth Upham A Short History of the Salem Village Witchcraft Trials by M. V. B. Perley An Account of the Witchcraft Delusion at Salem in 1682 by James Thacher House of John Procter, Witchcraft Martyr, 1692 by William P. Upham The Salem Witchcraft, the Planchette Mystery, and Modern Spiritualism by Samuel Roberts Wells The Witchcraft Delusion in Colonial Connecticut (1647-1697) by John M. Taylor Witchcraft of New England Explained by Modern Spiritualism by Allen Putnam [Daughters of the Witching Hill](#) DigiCat

This meticulously edited collection on witchcraft is formatted for your eReader with a functional and detailed table of contents: Introduction to Witchcraft: The Superstitions of Witchcraft by Howard Williams The Devil in Britain and America by John Ashton Witchcraft in Europe: History of Magic and Witchcraft: Magic and Witchcraft Lives of the Necromancers Witch, Warlock, and Magician Practitioners of Magic & Witchcraft and Clairvoyance Mary Schweidler, the Amber Witch Sidonia, the Sorceress La Sorcière: The Witch of the Middle Ages Tales & Legends: Witchcraft & Second Sight in the Highlands & Islands of Scotland Witch Stories Studies: The Witch Mania Witchcraft and Superstitious Record in the South-Western District of Scotland Modern Magic Witchcraft in America: The Wonders of the Invisible World Salem Witchcraft Salem Witchcraft and Cotton Mather A History of the Salem Village Witchcraft Trials An Account of the Witchcraft Delusion at Salem in 1682 House of John Procter, Witchcraft Martyr, 1692 Studies: The Salem Witchcraft, the Planchette Mystery, and Modern Spiritualism by Samuel Roberts Wells The Witchcraft Delusion in Colonial Connecticut (1647-1697) by John M. "A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar."—Laini Taylor, New York Times bestselling author A NEW YORK TIMES BESTSELLER • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893,

there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, New York Times bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Djèlí Clark, author *The Black God's Drum* For more from Alix E. Harrow, check out *The Ten Thousand Doors of January*.

Bram Stoker's 'The Book of Witchcraft' is a compendium of historical and cultural analysis, meticulously amalgamating an array of perspectives on the phenomena of witchcraft, sorcery, and the supernatural. Stoker's narrative, rich in detail and steeped in the lore and legends of centuries past, charts the course of magic and necromancy across Europe and America, from the darkest rituals to the sensational witch trials. His literary style weaves historical fact with the occult, presenting a tableau of social commentary within the broader literary context of Victorian-era fascination with the gothic and the macabre. Readers are treated to both an erudite history and a collection of the most striking tales and studies on the subject, making it a singular work within the annals of supernatural literature. Bram Stoker, best known for his magnum opus 'Dracula,' demonstrates a profound interest in the darker corners of the human psyche and the societal forces that shape belief in the supernatural. This curated anthology aligns with Stoker's lifelong fascination with the liminal spaces where myth and reality intertwine. His personal exploration into the realms of fear and superstition illuminates the cultural underpinnings that prompted such fervent witch hunts and trials, offering insight into how these practices both reflected and shaped societal norms and fears of the times. 'The Book of Witchcraft' appeals to both the connoisseur of historical folklore and the lay reader eager to delve into the intricacies of occult beliefs and their real-world ramifications. Stoker's scholarly approach provides a compelling entry point for those seeking to understand the pervasive power of witchcraft narratives in shaping Western culture and history. It is recommended for history enthusiasts, fans of Stoker's gothic fictions, and anyone interested in the intricate tapestry of how supernatural beliefs are woven into the fabric of societal evolution.

A present-day boy, a seventeenth-century girl, an ancient crone: for a single moment, their lives are fused by fire. A tense, brilliant and eerie novel, nominated for the Edgar Allan Poe Award. The fire was a family tragedy that Jamie can't forget, even in his dreams. And now there is something terrifying happening to him in Crownhill, the village where he's been sent to get over his problems. Something to do with an evil old witch who gets into his nightmares, and a frightened girl, the victim of a long-ago witch hunt, whose presence lingers on . . . As the dark secrets of Crownhill are revealed, Jamie has to confront his worst fears in order to free himself from the horrors of the past.

Named an ALA Quick Pick, an exciting thriller by the author of the best-seller I Know What You Did Last Summer features a seventeen-year-old girl who becomes a clairvoyant and is branded a witch, in a repeat of the Salem witch trials. Reprint. AB.

[The Mythology and History of Witchcraft](#) Orion Children's Books

From the author of The Dark Lady, a novel of England's trial of the Pendle witches of 1612 and a family struggling to survive the hysteria. Bess Southern, an impoverished widow living in Pendle Forest, is haunted by visions and gains a reputation as a cunning woman. Drawing on the Catholic folk magic of her youth, Bess heals the sick and foretells the future. As she ages, she instructs her granddaughter, Alizon, in her craft, as well as her best friend, who ultimately turns to dark magic. When a peddler suffers a stroke after exchanging harsh words with Alizon, a local magistrate, eager to make his name as a witch finder, plays neighbors and family members against one another until suspicion and paranoia reach frenzied heights. This e-book includes a sample chapter of Illuminations. "Daughters of the Witching Hill offers a fresh approach with witches who believe in their own power and yet, in many ways, are still innocent. Sharratt's readers—like the magistrate who took the women's confessions—are likely to be spellbound by their stories."—San Francisco Chronicle "Full of the reality of the day, this story is stark and real, but Sharratt's descriptions of landscape and the daily life of the poor at the time are rich enough to feed the senses. The author weaves this vast canvas of changing culture into the personal stories of these women, and in the process transports us to a distant land, a distant time—and deep into the story of people we sympathize with and care about."—Minneapolis Star-Tribune

Joey W. Hill thrills in a dazzling new spellbinder of modern-day witchcraft, ancient evil, and the magical tricks men and women play in the name of love . . . Ruby Night Divine is a gun-shop owner. She's also a witch who knows magic can fail. She's experienced it firsthand, with full-blown tragic consequences. Smith & Wesson is a whole hell of a lot more reliable, and nothing's as cathartic as the ability to put a few holes in the things that piss you off. Like Derek Stormwind. A powerful sorcerer, Derek is determined to get to the bottom of why Ruby pushed him away and ran three years before. He also needs her help. A coven needs training to fight a demon and his minions. While Ruby is willing to do it, she's sure it's just a ruse to get back in her heart—and her bed. The thing is, that's where she wants him. Unfortunately, her bed's already made, she's this close to losing her soul, and she fears nothing can save her. Not Derek. Not even Smith & Wesson.
