No One Is Illegal Quirk Books

The award-winning photographer's pictorial history of the famous San Francisco Jazz club featuring oral histories and more than 100 images—"A treasure" (SF Weekly). In the words of Wynton Marsalis, "Keystone Korner was the quintessential jazz club . . . a

happy home to people of all persuasions." During the 1970s, when jazz clubs across America were folding under the onslaught of rock and roll and disco, San Francisco's Keystone Korner was an oasis for jazz listeners and musicians. Tucked away in the city's North Beach area, the Keystone became one of the most important jazz spots in the United States. It was so beloved by musicians that superstars McCoy Tyner, Freddie Hubbard, Ron Carter, and Elvin Jones played a benefit concert to raise money for its liquor license. In this book, award-winning photographer Kathy Sloane shares more than 100 black and white photographs documenting the musicians and regulars, the spontaneous moments and ephemeral scene of this legendary club. Together with these images, she has compiled a fascinating collage of first-hand oral histories that chronicle the Keystone experience. "From the antics of the photo-laden backroom to the underground hype

of Ora Harris' Keystone Kitchen, Sloane and fellow editor Sascha Feinstein leave no stone unturned. They examine the backstories of some of Keystone's most lovable characters . . . a delightful sensory overload" (Downbeat).

American Ghost Chronicle Books

Whether exploring the reclusive communities of the Amish and Hutterites, probing the gritty existence of the American cowboy, or revealing the quiet beauty of the Minnesota lakes, William Albert Allard has helped define America in all its diversity. From rodeos to blues singers, from William Faulkner's Mississippi to minor league baseball, Allard has turned his camera toward parts of our heritage that are often overlooked. His other award-winning books include *The Vanishing Breed* and *A Time We Knew*.

Portraits of America features 165 of Allard's finest photographs. Presented in chronological order, with incisive introductions to each section written by Allard himself, these photographs show the creative development of a remarkably gifted artist. Pulitzer Prizewinning author Richard Ford contributes a foreword that places Allard's photography within the context of the American experience. Art aficionados and lovers of Americana alike delight in this beautifully designed and thoughtful collection from a man who has become a legend in the world photographic community.

Small Market provides an eye opening look into the reality that is the world of television news for budding journalists breaking into the business. All too often people who aspire to become news anchors or reporters think their first job out of college will be as glamorous as those of the nation's top anchors and reporters, like Katie Couric and Charles Gibson. After working a while in a small market, or small city, young journalists usually find that isn't always the case. They aren't making lots of money, working with the best equipment, or interviewing people with global influence. Small Market spotlights the experiences of journalists who have gone before them to enlighten these young journalists about the potential issues and challenges they could face in their small markets. The book also motivates them not to give up on their careers, as so many have, and to keep their heads up in the face of adversity.

Plain Dealing: Cleveland Journalists Tell Their Stories SAGE Publications

"Plain Dealing" is a book of essays by 25 accomplished Cleveland-area journalists. It's a book of stories, many never told before. It's a first-person account of journalism in Cleveland, life in the newsroom, the issues and events these journalists covered,

and the characters they worked with and met. The stories begin in the 1950s and go up to 2013, covering the post-World War II era through the days when Cleveland was a three daily newspaper city, then two, then one. The book ends with the mass layoffs and resulting decline that ushered in the "digital-first" age.

Journey to the final frontier of sci-fi zombie horror! Jim Pike was the world's biggest Star Trek fan—until two tours of duty in Afghanistan destroyed his faith in the human race. Now he sleepwalks through life as the assistant manager of a small hotel

in downtown Houston. But when hundreds of Trekkies arrive in his lobby for a science-fiction convention, Jim finds himself surrounded by costumed Klingons, Vulcans, and Ferengi—plus a strange virus that transforms its carriers into savage, flesh-eating zombies! As bloody corpses stumble to life and the planet teeters on the brink of total apocalypse, Jim must deliver a ragtag crew of fanboys and fangirls to safety. Dressed in homemade uniforms and armed with prop phasers, their prime directive is to survive. But how long can they last in the ultimate no-win scenario?

“Insightful, emotional, and engaging. By sharing his story in gripping detail, Michael Tubbs embodies an old feminist tradition whereby the personal is political. He empowers us to fight for equal opportunities for our communities, and encourages us to amass the courage to overcome loss and injustice.” —Ibram X. Kendi, National Book Award-winning author of *Stamped from the Beginning* and *How to Be an Antiracist* The making of a visionary political leader—and a blueprint for a more equitable country “Don’t tell nobody our business,” Michael Tubbs’s mother often told him growing up. For Michael, that meant a lot of things: don’t tell anyone about the day-to-day struggle of being Black and broke in Stockton, CA. Don’t tell anyone the pain of having a father incarcerated for 25 years to life. Don’t tell anyone about living two lives, the brainy bookworm and the kid with the newest Jordans. And also don’t tell anyone about the particular joys of growing up with three “moms”—a Nana who never let him miss church, an Auntie who’d take him to the library any time, and a mother, “She-Daddy”, who schooled him in the wisdom of hip-hop and taught him never to take no for an answer. So for a long time

Michael didn’t tell anyone his story, but as he went on to a scholarship at Stanford and an internship in the Obama White House, he began to realize the power of his experience, the need for his perspective in the halls of power. By the time he returned to Stockton to become, in 2016 at age 26, its first Black mayor and the youngest-ever mayor of a major American city, he knew his story meant something. *The Deeper the Roots* is a memoir astonishing in its candor, voice, and clarity of vision. Tubbs shares with us the city that raised him, his family of badass women, his life-changing encounters with Oprah Winfrey and Barack Obama, the challenges of governing in the 21st century and everything in between—en route to unveiling his compelling vision for America rooted in his experiences in his hometown.

“A haunting story about the long reach of the past.”—Maureen Corrigan, NPR’S *Fresh Air* “In this intriguing book, [Nordhaus] shares her journey to discover who her immigrant ancestor really was—and what strange alchemy made the idea of her linger long after she was gone.” —People *La Posada*—“place of rest”—was once a grand Santa Fe mansion. It belonged to Abraham and Julia Staab, who emigrated from Germany in the mid-nineteenth century. After they died, the house became a hotel. And in the 1970s, the hotel acquired a resident ghost—a sad, dark-eyed woman in a long gown. Strange things began to happen there: vases moved, glasses flew, blankets were ripped from beds. Julia Staab died in 1896—but her ghost, they say, lives on. In *American Ghost*, Julia’s great-great-granddaughter, Hannah Nordhaus, traces her ancestor’s transfiguration from nineteenth-century Jewish bride to modern phantom. Family diaries,

photographs, and newspaper clippings take her on a riveting journey through three hundred years of German history and the American immigrant experience. With the help of historians, genealogists, family members, and ghost hunters, she weaves a masterful, moving story of fin-de-siècle Europe and pioneer life, villains and visionaries, medicine and spiritualism, imagination and truth, exploring how lives become legends, and what those legends tell us about who we are.

Miles Davis, supremely cool behind his shades. Billie Holiday, eyes closed and head tilted back in full cry. John Coltrane, one hand behind his neck and a finger held pensively to his lips. These iconic images have captivated jazz fans nearly as much as the music has. Jazz photographs are visual landmarks in American history, acting as both a reflection and a vital part of African American culture in a time of immense upheaval, conflict, and celebration. Charting the development of jazz photography from the swing era of the 1930s to the rise of black nationalism in the '60s, *Blue Notes in Black and White* is the first of its kind: a fascinating account of the partnership between two of the twentieth century's most innovative art forms. Benjamin Cawthra introduces us to the great jazz photographers—including Gjon Mili, William Gottlieb, Herman Leonard, Francis Wolff, Roy DeCarava, and William Claxton—and their struggles, hustles, styles, and creative visions. We also meet their legendary subjects, such as Duke Ellington, sweating through a late-night jam session for the troops during World War II, and Dizzy Gillespie, stylish in beret, glasses, and goatee. Cawthra shows us the connections between the photographers, art directors,

editors, and record producers who crafted a look for jazz that would sell magazines and albums. And on the other side of the lens, he explores how the musicians shaped their public images to further their own financial and political goals. This mixture of art, commerce, and racial politics resulted in a rich visual legacy that is vividly on display in *Blue Notes in Black and White*. Beyond illuminating the aesthetic power of these images, Cawthra ultimately shows how jazz and its imagery served a crucial function in the struggle for civil rights, making African Americans proudly, powerfully visible.
