Images of Piety Yale University Press

This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Their marriage continues to be

loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also write about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.

Female Domination Peeters Publishers

While at home, Charley thoroughly enjoys his overwhelming

desire to experience life dressed in all of his fetish clothing and to use his now custom-made medical restraints and corsets, then eventually, after he and his wife have made their fortunes, they decide to move far into the wilderness so that he will be able to pursue his interests in full measure. His wife has never had any issues with Charley's interests, but when he reveals the full extent of his desires, she presents him with an exceedingly strict contract that he must agree to or their marriage will end immediately. Given this stark choice, he accepts and signs the 'Agreement', then Charley's life becomes governed by severe rules and within months his existence has completely changed. His dreams of feminization are quickly realized and his name is changed to 'Charli' as his feminine identity, but that isn't the end - only the beginning. As well as his dreams coming true so too are many of his wife's! She becomes the cruellest of Mistresses he could have imagined and that has encouraged that until-now-concealed part of her personality. To Charli's increasing horror, she finds that what used to be her life, has spun violently out of her control, and there's no going back.

The Poisonwood Bible HarperCollins

Throughout its history, persecutions and martyrdom have been Christianity's faithful companions. Remarkably enough, Christians have always valued martyrdom in a positive way. This positive evaluation of martyrdom most certainly has to do with the absolute, uncompromising nature of it. The martyrs' lives and deaths represent the most uncompromising of answers to the divine call. The focus of the contributions in this volume is not in the first place on reconstructing the historical events of the martyr's life and death "wie es eigentlich gewesen ist," but on the

discourse generated by this event as mediated in texts. More than a Memory aims to explore the reciprocal relationship between this discourse of martyrdom and the construction of Christian identity. It will do so by presenting a number of test cases in which this dynamic can be seen at work. They will lead the reader through the entire history of Christianity, starting with the Martyrdom of Lyons and Vienne in the second century and ending in the Latin America of the 1960's. Each article will present a test case of discourse-analysis, attempting to explore the issue of how a document or coherent group of documents contributed to create a distinct Christian identity. Taken together, the essays provide an array of examples of how martyrdom impinged on the way Christian identity has been negotiated in the Christian past. In doing this, the volume at the same time illustrates the sheer importance of martyrdom and the reflection and writing about it throughout the history of Christianity until today.

Woman in the Nineteenth Century Cambridge University Press

John Paul II's landmark apostolic letter on the dignity and vocation of women, with insightful commentary by Genevieve Kineke.

Lockdown Feminization 2 Yale University Press

The chastity belt is one of those objects people have commonly identified with the 'dark' Middle Ages. This book analyzes the origin of this myth and demonstrates how a convenient misconception, or contorted imagination, of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands.

Forced Womanhood Oxford University Press

Choosing to become a proper sissy boi for your Mistress is a huge step. You are going to have to completely put your trust in her. These sissy boi humiliation assignments are designed to better break you down and help you transform yourself into the proper little sissy boi you want to be. You must always push your limits during your sissy training so that you can move forward and achieve your goals. Show your Mistress that you are devoted to both her and continuing your sissy boi training by completing these 25 sissy humiliation assignments. You are sure to find some of these public humiliation assignments more difficult than others but you will find it is all worth it in the end. You will feel demeaned, humiliated, and worthless but slowly achieving your goals and having your dream of becoming a true sissy boi become a reality makes it all worth it.

Awful Disclosures Springer Science & Business Media

Religious imagery was used to both stimulate what was already known and to communicate new, and often complex theological ideas. Madeleine Gray examines the imagery of medieval Wales found in parish churches, cathedrals and public areas of monastic buildings and explores the dichotomous role in which images held different levels of meaning for an audience with different literacy capabilities. She looks at images of maidenhood, motherhood, sanctity, pity, vice and virtue, and at liturgy and literacy, and the destruction of images.

More Than a Memory Pink Flamingo Media

The Cambridge Companion to Shakespeare and Race shows teachers and students how and why Shakespeare and race are inseparable. Moving well beyond Othello, the collection invites

the reader to understand racialized discourses, rhetoric, and performances in all of Shakespeare's plays, including the comedies and histories. Race is presented through an intersectional approach with chapters that focus on the concepts of sexuality, lineage, nationality, and globalization. The collection helps students to grapple with the unique role performance plays in constructions of race by Shakespeare (and in Shakespearean performances), considering both historical and contemporary actors and directors. The Cambridge Companion to Shakespeare and Race will be the first book that truly frames Shakespeare studies and early modern race studies for a non-specialist, student audience.

Boy-Wives and Female Husbands Springer

Among the many myths created about Africa, the claim that homosexuality and gender diversity are absent or incidental is one of the oldest and most enduring. Historians, anthropologists, and many contemporary Africans alike have denied or overlooked African same-sex patterns or claimed that such patterns were introduced by Europeans or Arabs. In fact, same-sex love and nonbinary genders were and are widespread in Africa. Boy-Wives and Female Husbands documents the presence of this diversity in some fifty societies in every region of the continent south of the Sahara. Essays by scholars from a variety of disciplines explore institutionalized marriages between women, same-sex relations between men and boys in colonial work settings, mixed gender roles in east and west Africa, and the emergence of LGBTQ activism in South Africa, which became the first nation in the world to constitutionally ban discrimination based on sexual orientation. Also included are oral histories, folklore, and

translations of early ethnographic reports by German and French observers. *Boy-Wives and Female Husbands* was the first serious study of same-sex sexuality and gender diversity in Africa, and this edition includes a new foreword by Marc Epprecht that underscores the significance of the book for a new generation of African scholars, as well as reflections on the book's genesis by the late Stephen O. Murray. This book is freely available in an open access edition thanks to the generous support of the Murray Hong Family Trust. Access the book online at the SUNY Open Access Repository at <http://hdl.handle.net/20.500.12648/1714>.

Today Fanny Burney's venture into authorship would not be questionable. She was, after all, a daughter of a celebrated musician, and the Burney family was known to the circle of Samuel Johnson and Hester Thrale. Yet as Kristina Straub ably shows, the public recognition which followed the publication of her first novel placed Fanny Burney in a situation of disturbing ambiguity. Did she become famous or notorious? Was she a prodigy or a freak? In this study of Burney, Straub not only describes and analyzes the disturbing transition of a writer's self-awareness as a woman and a literary artist from private to public terms, but also reveals in Burney's works a hitherto unacknowledged complexity."

Forced Feminization : a Study in Sissification (Jacqueline's Submission to Slave New-York : M. Monk

A strategic marriage to a powerful Saracen lord with a penchant for virgins will enable wealthy Lady Jocelyn to keep her fortress home. But at what cost? Her only hope of escaping the depraved lord's harem is to lose her virginity—and fast! Captured and tortured knight Simon de Rhys is in no position to refuse Lady

Jocelyn's proposition: his freedom for one night with her. The task seems simple, and deeply pleasurable, until he discovers her secret....

Gabrielle's Sissy Antonio F. Marín

This type of relationship allows your Alpha Male to be himself while completely 100% devoted, worshipping and obedient to you as his Queen, which allows you both to enjoy a spiritual and sexually blissful relationship. No other Female Led Relationship guide on the market will give you the same level of evidence-based insight sure to help you strengthen, nurture, and live the relationship you've always wanted!

A Visitor's Guide to the Ancient Olympics Barnes & Noble Publishing

Segunda parte del libro "Azul y sombra", del mismo autor, en el

que el protagonista sigue narrando en primera persona las vicisitudes de su amargura existencial que quizás amaine con el amor de una chica que ha conocido, mientras se cuestiona asuntos de mucha envidia como por qué las mujeres te preguntan en qué piensas, cuando no piensas en ellas y cuando por fin piensas en ellas te reprochan que siempre piensas en lo mismo. Amor, crítica social, política, humor, religión y sátira políticamente incorrecta.

A Woman's Thoughts about Women Randall Caruso

Writing in an age when the call for the rights of man had brought revolution to America and France, Mary Wollstonecraft produced her own declaration of female independence in 1792. Passionate and forthright, *A Vindication of the Rights of Woman* attacked the prevailing view of docile, decorative femininity and instead laid out the principles of emancipation: an equal education for girls and boys, an end to prejudice, and the call for women to become defined by their profession, not their partner. Mary Wollstonecraft's work was received with a mixture of admiration and outrage. Walpole called her a hyena in petticoats yet it established her as the mother of modern feminism.

Crusader Captive Independently Published

David Amey has been forced to wear female clothes and renamed Amy while working for Ms Ryder, a world-famous author. He can't escape due to the COVID lockdown and the attention of Ms Ryder's other two employees, Ellen and Jenny. They do not like a rival in the household and push him further into femininity. His situation becomes more extreme in book 2, when Ms Ryder's agent, Louise Lipman comes to stay and see out the lockdown. She is so enamoured with 'Amy' that she goes

further by making him into a sissy maid and dressing him in increasingly sissy and revealing clothes. Things take an unexpected turn when he receives a call from a lawyer. An aunt he hadn't known existed is searching for him with a proposal he will find impossible to refuse. This novel contains scenes of a sexual nature including forced feminisation, sissy to sissy sex, submission, female domination, forced sissyfication, mild BDSM and humiliation. Suitable for adults over the age of 18 or the age of maturity in your region only.

Male and Female Circumcision Taylor & Francis

In this "captivating saga" of the post-Reconstruction era, a black female journalist blazes her own trail—"unforgettable; gripping; an instant classic" (Elle). Ivoe Williams, the precocious daughter of a Muslim cook and a metalsmith from central-east Texas, discovers a lifelong obsession with journalism when she steals a newspaper from her mother's white employer. Living in the segregated quarter of Little Tunis, Ivoe immerses herself in the printed word until she earns a scholarship to the prestigious Willetson Collegiate in Austin. Finally fleeing the Jim Crow South to settle in Kansas City, Ivoe and Ona, her former teacher and present lover, start the first female-run African American newspaper, *Jam On the Vine*. In the throes of the Red Summer—the 1919 outbreak of lynchings and race riots across the Midwest—Ivoe risks her freedom and her life to call attention to the atrocities of the American prison system. Inspired by the legacy of trailblazing black women like Ida B. Wells and Charlotta Bass, LaShonda Katrice Barnett's *Jam On the Vine* is both an epic vision of the hardships that defined an era and "an ode to activism, writ[ten] with a scholar's eye and a poet's soul" (Tayari

Jones, O The Oprah Magazine).

Chastity Mistress Dede

"In *Women and War in Roman Epic*, Elina Pyy discusses the narrative and ideological functions of gender in the works of Virgil, Lucan, Statius, Silius Italicus and Valerius Flaccus. By examining the themes of violence, death, guilt, grief, and anger in their epics, she offers an account of the intertextual tradition of the genre and its socio-political background. Through a combination of classical narratology and Julia Kristeva's subjectivity theory, Pyy scrutinises how gendered marginality is constructed in the genre and how it contributes to the fashioning of Roman imperial identity. Focusing on the ambiguous elements of epic, the study looks beyond the binary oppositions between the Self and the Other, male and female, and Roman and barbarian"--

Entretiempo Grove/Atlantic, Inc.

In this pathbreaking book, a well-known feminist and sociologist--who is also the Founding Editor of *Gender & Society*--challenges our most basic assumptions about gender. Judith Lorber views gender as wholly a product of socialization subject to human agency, organization, and interpretation. In her new paradigm, gender is an institution comparable to the economy, the family, and religion in its significance and consequences. Drawing on many schools of feminist scholarship and on research from anthropology, history, sociology, social psychology, sociolinguistics, and cultural studies, Lorber explores different paradoxes of gender: --why we speak of only two "opposite sexes" when there is such a variety of sexual behaviors and relationships; --why transvestites, transsexuals, and

hermaphrodites do not affect the conceptualization of two genders and two sexes in Western societies; --why most of our cultural images of women are the way men see them and not the way women see themselves; --why all women in modern society are expected to have children and be the primary caretaker; --why domestic work is almost always the sole responsibility of wives, even when they earn more than half the family income; --why there are so few women in positions of authority, when women can be found in substantial numbers in many occupations and professions; --why women have not benefited from major social revolutions. Lorber argues that the whole point of the gender system today is to maintain structured gender inequality--to produce a subordinate class (women) that can be exploited as workers, sexual partners, childbearers, and emotional nurturers. Calling into question the inevitability and necessity of gender, she envisions a society structured for equality, where no gender, racial ethnic, or social class group is allowed to monopolize economic, educational, and cultural resources or the positions of power.

The Medieval Chastity Belt State University of New York Press

The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

You Can Be the Happiest Woman in the World Harlequin

Michael has a normal life - a good job, friends, and a beautiful wife. But Michael also harbors a dark secret - his deep love of frilly, feminine things, which he can only indulge when his wife is out of town. For years, Michael has taken stolen moments to indulge in his secret fantasies. However, when his wife comes home and finds out about his secret, Michael's whole life is about

to change in ways that he couldn't possibly have hoped - or feared. As he quickly discovers that he may have gotten more

than he bargained for, Michael's only choice becomes to accept his fate and allow himself to become.... Gabrielle's Sissy.
