101+ Practical Ways to Raise Funds Westminster John Knox Press

'Leadership in The Salvation Army' is a review and analysis of Salvation Army history, focused on the process of clericalisation. The Army provides a case study of the way in which renewal movements in the church institutionalise. Their leadership roles, initially merely functional and based on the principle of the 'priesthood of all believers', begin to assume greater status. the adoption of the term 'ordination' for the commissioning of The Salvation Army's officers in 1978, a hundred years after its founding, illustrates this tendency. The Salvation Army's ecclesiology has been essentially pragmatic and has developed in comparative isolation from the wider church, perhaps with a greater role being played by sociological processes than by theological reflection in its development. The Army continues to exhibit a tension between its theology, which supports equality of status, and its military structure, which works against equality, and both schools of thought flourish within its ranks.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he?

As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

This book examines for the first time the scriptorium of the Augustinian Monastery of St. Pancras in Hamersleben. In the last quarter of the 12th century six wellknown manuscripts were produced there. Of the fourteen scribeartists involved, one in particular stands out as responsible for the correct text and illustrations. The bold innovations of this master scribeartist are expressed especially in the decoration programmes of a Psalter and two Gospel books. The manuscripts produced in the Hamersleben Scriptorium, as well as its notable library, were dispersed throughout the world or thought to be lost. In this book six known manuscripts are brought home, to Hamersleben. Each manuscript is minutely analysed for its codicology, palaeography, text and illuminations. The style of script as well as the style and iconography of the illustrations are discussed in relation to those from other monasteries in Saxony, in order to examine the evolvment of the regional style.

"Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—Time Cristina García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. Dreaming in Cuban is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for Dreaming in Cuban "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—San Francisco Chronicle "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—The Denver Post

What was family life like in the early church? How did early Christians treat their parents? Would early Christian families have been admired or scorned by their neighbors? Did the relationships between early Christian children and their parents mirror those in the families around them? What characteristics were typical of the first few generations of followers of Jesus? Marshalling the evidence from both New Testament and nonbiblical texts, Peter Balla offers fresh insight into the

first Christian families.

Dr. Alan Gribben, a foremost Twain scholar, made waves in 1980 with the publication of *Mark Twain's Library*, a study that exposed for the first time the breadth of Twain's reading and influences. Prior to Gribben's work, much of Twain's reading history was assumed lost, but through dogged searching Gribben was able to source much of Twain's library. *Mark Twain's Literary Resources* is a much-expanded examination of Twain's library and readings. Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions. This volume, long awaited, is an in-depth and comprehensive accounting of Twain's literary history. Each work read or owned by Twain is listed, along with information pertaining to editions, locations, and more. Gribben also includes scholarly annotations that explain the significance of many works, making this volume of *Mark Twain's Literary Resources* one of the most important additions to our understanding of America's greatest author.

Notes and Queries Simon and Schuster

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

"[Thich Nhat Hanh] shows us the connection between personal, inner peace and peace on earth." -- His Holiness The Dalai Lama Nominated by Martin Luther King, Jr. for a Nobel Peace Prize, Thich Nhat

Hanh is one of today's leading sources of wisdom, peace, compassion and comfort. With hard-won wisdom and refreshing insight, Thich Nhat Hanh confronts a subject that has been contemplated by Buddhist monks and nuns for twenty-five-hundred years— and a question that has been pondered by almost anyone who has ever lived: What is death? In *No Death, No Fear*, the acclaimed teacher and poet examines our concepts of death, fear, and the very nature of existence. Through Zen parables, guided meditations, and personal stories, he explodes traditional myths of how we live and die. Thich Nhat Hanh shows us a way to live a life unfettered by fear.

The B-version of 'Piers Plowman', perhaps the only version authorised by Langland, is the one most frequently read today, and the most influential form of the poem. This catalogue of the extant medieval manuscripts, now located in Cambridge, London, Oxford, Tokyo, and San Marino, California, offers both individual manuscript descriptions and a record of the annotations. The new and detailed codicological descriptions include information on provenance and ownership, a full list of the contents, and a description of the physical make-up and the presentation of each manuscript. The first published accounts of the various textual annotations on each manuscript (whether produced by the original scribes or later readers) provides the best record available of how 'Piers Plowman' was understood by its earliest audience. Professor C. DAVID BENSON teaches in the English Department at the University of Connecticut; Dr LYNNE BLANCHFIELD is an Associate Lecturer at the Open University.

George Washington ... Boydell & Brewer Ltd

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
