Panoramic in scope, *Away* is the epic and intimate story of young Lillian Leyb, a dangerous innocent, an accidental

heroine. When her family is destroyed in a Russian pogrom, Lillian comes to America alone, determined to make her way in a new land. When word comes that her daughter, Sophie, might still be alive,

Lillian embarks on an odyssey that takes her from the world of the Yiddish theater on New York's Lower East Side, to Seattle's Jazz District, and up to Alaska, along the fabled Telegraph

Trail toward Siberia. All of the qualities readers love in Amy Bloom's work—her humor and wit, her elegant and irreverent language, her unflinching understanding of passion and the human heart—come together in the embrace of this brilliant novel, which is at once heartbreaking, romantic, and completely unforgettable. *Dare Fairfax* Adonis & Abbey Publishers Ltd Forty-five-year-old

Maggie Ashland is shocked when she learns she has inherited not only her great-aunt Lillians estate but vast wealth to go along with it. A divorced mother of three adult children and a music teacher at a local college, she has no reservations about changing her life completely and moving to the estate known as Blue Haven. After a few strange experiences, Maggie finally begins to settle into her

new life. But matters are complicated not only by a group of money-grubbing relatives after Great-Aunt Lillians entire fortune but also by mysterious forces that seem to reside in the area. Maggie soon finds herself in the midst of a supernatural turf war, with the Blue Haven house right in the middle. Relying on wit, wisdom, friendship, and sheer persistence, she must rise to the

challenge of defending the estate and all its secrets from the factions who seek to tear it apart. As Maggie deals with both worldly and otherworldly enemies, she seeks strength and courage in a situation she could never have imagined.

The Mage
Book 1 Fulton Books, Inc. Biological races do not exist—and never have. This view is shared by all scientists who study variation in human

populations. Yet racial prejudice and intolerance based on the myth of race remain deeply ingrained in Western society. In his powerful examination of a persistent, false, and poisonous idea, Robert Sussman explores how race emerged as a social construct from early biblical justifications to the pseudoscientific studies of today. *The Myth of Race* traces the origins of modern racist

ideology to the Spanish Inquisition, revealing how sixteenth-century theories of racial degeneration became a crucial justification for Western imperialism and slavery. In the nineteenth century, these theories fused with Darwinism to produce the highly influential and pernicious eugenics movement. Believing that traits from cranial shape to raw intelligence were

immutable, eugenicists developed hierarchies that classified certain races, especially fair-skinned “Aryans,” as superior to others. These ideologues proposed programs of intelligence testing, selective breeding, and human sterilization—policies that fed straight into Nazi genocide. Sussman examines how opponents of eugenics, guided by the German-American anthropologist

Franz Boas’s new, scientifically supported concept of culture, exposed fallacies in racist thinking. Although eugenics is now widely discredited, some groups and individuals today claim a new scientific basis for old racist assumptions. Pondering the continuing influence of racist research and thought, despite all evidence to the contrary, Sussman

explains why—when it comes to race—too many people still mistake bigotry for science. *Keep Your Courage* Roaring Brook Press
As Commander Sikwel once said, I want you to know that Scaba is inescapable. What would the two groups of kids do when, every time they make one move toward their goal to escape from Scaba, they find that they have fallen three

steps behind? Would that push them to become one team and work together to solve all the mysteries in Scaba, or fill them with hatred toward each other, exactly as King Bermuda wants. Two groups of children, the palace kids and the city teenagers, have been kidnapped and taken to the Kingdom of Scaba, a realm that lies beneath the human world and is inhabited by bizarre creatures: the

Makash and the Shakams, ruled by a vicious king who likes to see the human kids competing with each other in a brutal way. Everywhere in Scaba are human kids from all over the world serving as slaves. Some of them have been there for over ten years, and some even more. The palace kids come to know about the Dooms Book, which contain the secrets of Scaba. It is meant to be

opened by only one particular pair of human beings. Are they going to find that particular couple? More importantly, can they get the book from them in the first place? Why does the city teenager become homeless? And what does it mean to become one? Is it necessary for the city teenagers to get into organized fights with Makash kids? What is the power of the Dazar, and who

possesses it?
 How does the
 crystal ball
 work? Is so,
 why doesnt it
 reveal
 anything
 about the
 runaways?
 Why is King
 Bermuda the
 only one in
 Scaba who is
 not harmed by
 iron and can
 touch the
 Dazar? Who is
 the weird
 neighbor?
 These are just
 some of the
 many
 mysteries that
 need to be
 solved by the
 kids in order
 to escape
 from Scaba.

Killers Of The

<p><i>Dream</i> Routledge Patients with borderline personality disorder (BPD) are among the most challenging patients for clinicians to treat. Their behaviors and emotions can shift abruptly. As a result, these patients can seem like therapeutic moving targets, and improvement can be vexingly slow. A Developmental Model of Borderline Personality Disorder is a landmark work on this</p>	<p>difficult condition. The book emphasizes a developmental approach to BPD based on an in-depth study of inpatients at Chestnut Lodge in Rockville, Maryland, during the years 1950 through 1975 and the authors' thirty years of clinical and supervisory experience. Using information gleaned from the original clinical notes and follow-up studies, the authors present four</p>	<p>intriguing case studies to chart the etiology, long- term course, and clinical manifestations of BPD. With three main parts that cover theory, case examples, and practical strategies for treatment, A Developmental Model of Borderline Personality Disorder Introduces the reader to a multidimensional and integrated etiologic model of BPD to inform treatment Helps clinicians</p>
---	--	--

develop the understanding and empathy needed to deal with difficult patient behaviors. Gives strategies for designing psychotherapy in tandem with psychosocial services to help patients with BPD improve or sustain functioning in the community. A Developmental Model of Borderline Personality Disorder combines rich clinical case descriptions with an

integrated theoretical model that captures the complexities of BPD. The first resource to chart BPD over the long term in such depth, this book is a first-rate clinical resource that reads like a novel, illuminating the disorder to help interpret its causes and course. It will inspire and encourage clinicians, along with patients and their family members, to strive for success in treating this difficult

disease. Kingdom of Scaba AuthorHouse The Salbine Sisters are back! Salbine's Embrace picks up six years after the end of The Salbine Sisters, when the Merrin monastery is about to lose a cherished resident. Almost fourteen years old, Emmey's prison sentence is coming to an end and she must leave the monastery. As the day of her departure approaches, she has

frightening dreams that make her cry out in the night. When two of her dreams come true, Emmey worries that a recurring nightmare in which Maddy dies will also come to pass. Meanwhile, visiting sisters from the Hedgerow monastery try Sophia's patience and force one sister to relive a traumatic event from her past. Salbine's Embrace is a lesbian fantasy story with many strong and

principled lesbian main characters. *Fatal Destiny* Macmillan From Airplanes To Weddings, What Do Your Dream Symbols Really Mean? How many times have you awakened from an emotional dream convinced of its significance yet baffled by its practical meaning in your everyday life? In this remarkable book, dream doctor Charles Lambert McPhee, founder of the celebrated

website askthedreamdoctor.com, helps you unlock the hidden meaning in your dreams and transform your waking life. Drawing on hundreds of thousands of dreams sent to his website, he provides expert interpretations based on years of expertise and experience. Alphabetized for easy reference, filled with more than 160 real-life dreams from people around the world, Ask

the Dream Doctor will help you unravel many common dream symbols, including: • Airplane Crash. . . Are your dreams precognitive? Are they warnings? • Car . . . Are you driving your own car [symbol of self]--or allowing someone else to drive it? Is the car in your dream "out of control"? • Chase Nightmares . . . What disturbing feelings are you trying to avoid? Are you

procrastinating making a big decision? • House . . . What is your "dream" house like? It may reveal more about your true self than anything in your waking life. • Sex . . . It's not always about the obvious. Discover what underlies one of the most common metaphors of all. • Tornado . . . Are you in an intense emotional or family conflict? Your dreams may be waking you up to something you haven't

recognized. • Water . . . Learn about the kind of dream that alerts you to see a sleep doctor immediately! *The Oxford Book of the American South* Harvard University Press
Zoon, a being who has been raised and kept in isolation since birth by the obscure religious sect known as the UpperRoom, is finally unleashed. His mission: locate a mysterious woman--a beautiful

virgin--in a strange city of over one million people and return her to the UpperRoom compound "unspoiled". Complicating matter is the fact that Zoon is no ordinary man. He's a one-year old, half human/half demon hybrid with the body and intellect of a 35 year old man, who has no knowledge of his past or what he truly is...

Listening with the Third Ear

Forever
The name

Florenz Ziegfeld Jr. (1867–1932) is synonymous with the decadent revues that the legendary impresario produced at the turn of the twentieth century. These extravagant performances were filled with catchy tunes, high-kicking chorus girls, striking costumes, and talented stars such as Eddie Cantor, Fanny Brice, Marilyn Miller, W. C. Fields, and Will Rogers. After the success of his Follies,

Ziegfeld revolutionized theater performance with the musical Show Boat (1927) and continued making Broadway hits—including Sally (1920), Rio Rita (1927), and The Three Musketeers (1928)—several of which were adapted for the silver screen. In this definitive biography, authors Cynthia Brideson and Sara Brideson offer a comprehensive look at both the life and legacy of the

famous producer. Drawing on a wide range of sources—including Ziegfeld's previously unpublished letters to his second wife, Billie Burke (who later played Glinda the Good Witch in *The Wizard of Oz*), and to his daughter Patricia—the *Bridesons* shed new light on this enigmatic man. They provide a lively and well-rounded account of Ziegfeld as a father, a husband, a

son, a friend, a lover, and an alternately ruthless and benevolent employer. Lavishly illustrated with over seventy-five images, this meticulously researched book presents an intimate and in-depth portrait of a figure who profoundly changed American entertainment .
The Myth of Race Bethany House
 The journey continues After passing through the portal in Couplet

Canyon, Michael Smith finds himself surrounded by strange and unusual sights. A circus tent. A mustached ringleader. A posse of carnival folk. And worst of all he is forgetting. As the memories of his family fade, as images of Lillian and Mya wear away to nothing, as fearful thoughts of Bartlebug slowly leak from his mind, Michael remains trapped some where; and

new threats
 arise. A

Salbine's
Embrace
 Elizabeth
 Lennox
 From the
 tender age of
 seven, Lillian
 knew there
 was only one
 man she
 would ever
 love. Her love
 was intense
 and strong,
 and totally
 oblivious of
 the fact that
 the object of
 her attention
 didn't care
 about her.
 Orphaned in
 her early
 twenties, she
 agreed to
 meet a man
 who was
 interested in
 marrying her,
 but realized
 she couldn't.
 Her love was

too strong.
 When she
 went to
 explain she
 couldn't meet
 the man, she
 overheard
 something
 that turned
 her life upside
 down. When
 she was
 crying on the
 street, her
 only love,
 Benedict,
 came to her
 rescue, but
 made it clear
 he would only
 help her for a
 short time.
 Benedict was
 the oldest of
 three
 brother's and
 the second
 child in a
 family of six.
 He'd always
 known what
 he wanted

from life, and he knew how he was going to get there. When his parents' reputation and their family mercantile were ruined by the three deacons who had tried to marry his sisters, he knew he had to find a new plan for his life. It couldn't possibly include his childhood nemesis, Lillian, could it? Could he possibly make a fresh start with her? Could Lillian convince him that they were destined to be

together forever? **Away** Baker Books One hook-up is about to become one seriously hilarious situationship in this vibrant and lively romantic comedy about taking chances . . . and breaking the rules. Prima ballet dancer Lillian Jackson is all about control—on stage and in bed. Which is precisely why she keeps her hook-ups to one night, and one night only. No strings. No

phone numbers. No scones in the morning. There's no room for mistakes, especially now that her dance company's survival depends entirely on winning a million-dollar cash prize in one of America's biggest reality competitions. That is, until one night with a certain curvy, blue-haired siren changes everything . . . As burlesque dancer "Blue Lenox," Izzy Wells is the queen of on-

stage seduction. Almost no one knows that she's close to losing everything—her theater, her home, and her troupe—unless she wins this competition. Now she's going toe-to-toe with a gorgeous ballerina in front of the world. The chemistry between them is hot, but even more distracting are the feelings they're starting to develop. There's no way Lillian can fit Izzy into her life, and

Izzy knows better than to fall for someone who can't put her first. But if they can make it through the show with their hearts and dreams intact, they just might win the biggest prize of all. **The Presbyterian** Cege Smith Books Stolen Time - Jane & Tony's Story Arriving in New Orleans for her friend's wedding, Jane's calamitous coffee run morphs into a tempestuous introduction to

the devastatingly handsome Detective Tony Shaw. Always one to play by the rules, Jane isn't sure how to handle Detective Tony's brazen interest. Between being in her friend's wedding together and investigating the murder - plus the allure of opposites attracting - the ending was inevitable. Passionate Mystery - Becca and Alex's Story Oh, the delicious

possibilities that the handsome man presents! But only for a week. Alex Beauchamp was a native of New Orleans while Becca was a New York City woman – determined to conquer all obstacles. But during her week in New Orleans, she didn't want to face any obstacles. She wanted Alex. Alex was thoroughly amused that the dark-haired beauty had mistaken his profession. Unfortunately, untangling her

misunderstanding would be more difficult than he'd anticipated. The Seductive Truth - Talia and Stephen's Story A conservative republican and a liberal democrat. Oil and water. Cats and dogs. Two worlds that should never comeingle. And yet, Tallia couldn't seem to resist Stephen's charm, wit and his brilliance, even though he spouted the opposing political views from her own. Stephen took

one look at the beautiful woman and knew that her bleeding heart ideas weren't going to get in the way. He dismissed her political views and only saw the brilliant, beautiful, witty woman. Doing the Right Thing - Lillian and George's Story A week before her wedding, Lillian realizes that she isn't in love with her fiancé, Phillip. But what she felt for her business partner....? Now, her feelings for

George were a completely different issue. George had tried to keep away, but flaring tempers turned to a passionate embrace. And a whole lot more! Making her Smile - Phillip and Marie's Story Marie had been in love with her boss ever since the first week she'd started working for him. But he was engaged. Off limits. And then he wasn't! How had it happened that she was in the Caribbean -

with Phillip!? He was supposed to be here with his new bride but Lillian was married to someone else and...Okay, Marie wasn't sure what was going on.

Once a poor illiterate cowboy wanted for murder, Cam Stearns became one of the wealthiest and most influential men in Cuba. From Teddy Roosevelt and

his Rough Riders to brushes with gun smugglers, world wars, and the revolutions leading to Castro's rise to power, Stearns's life unfolds.

A
Developmental Model of Borderline Personality Disorder
iUniverse
Anais Nin: A Myth of Her Own traces Nin's literary craft by following the intimacy of self-exploration and poetic expression attained in the

details of the quotidian, transfigured into fiction. By digging into the mythic tropes that permeate both her literary diaries and fiction, this book demonstrates that Nin constructed a mythic method of her own, revealing the extensive possibilities of an opulent feminine psyche. Clara Oropeza demonstrates that the literary diary, for Nin, is a genre that with its traces of trickster archetype,

among others, reveals a mercurial, yet particular understanding of an embodied and at times mystical experience of a writer. The cogent analysis of Nin's fiction alongside the posthumously published unexpurgated diaries, within the backdrop of emerging psychological theories, further illuminates Nin's contributions as an experimental and important modernist writer whose

daring and poetic voice has not been fully appreciated. By extending research on diary writing and anchoring Nin's literary style within modernist traditions, this book contributes to the redefinition of what literary modernism was comprised, who participated and how it was defined. Anaïs Nin: A Myth of Her Own is unique in its interdisciplinary expansion of literature,

literary theory, mythological studies and depth psychology. By considering the ecocritical aspects of Nin's writing, this book forges a new paradigm for not only Nin's work, but for critical discussions of self-life writing as a valid epistemological and aesthetic form. This impressive work will be of great interest to academics and students of Jungian and post-Jungian studies, literary

studies, cultural studies, mythological studies and women's studies. **The Dream on the Hill** John Hunt Publishing Carter Heyward is one of the most influential and controversial theologians of our time. Under headings "Speaking Truth to Power," "Remembering Who We Are," and "Celebrating Our Friends," she reflects on how movements

for gender and sexual justice reverberate globally. In this volume of occasional pieces, the lesbian feminist theologian bears witness to the sacred struggles to topple oppressive power. These pieces illustrate feminist theology's bold and transformative engagement of its cultural, political, social, and theological contexts. "Now forty years later, while not as naïve and

utopian in my politics, I am still enthusiastically committed, as a Christian, to struggles dedicated to building a world in which every person is entitled, by law, to basic human rights. I have come to realize, as I move along into my mid-sixties, that what justice-loving people most need in these times, and in all times, is courage to speak and act on behalf of this world. My desire in this book is to spark such

courage and stir imagination.” —from the Foreword. How Am I to Be Heard? SpokenWord Events Publishing It is a series of stories, describing individual cases concerned with the guiding forces of human existence. There are four parts: Midas Touch, Out, Hostile Worlds, and The Peacock’s flight. Each part bears the same structure. All the fuss was about the

telepathic web that could take over the human race’s deeds in her control, independent of circumstances and dedicated to the recovery of the human world by AI. AI, however was not given the power of making up people. For that purpose a natural intellect was needed, a Nattie. There was a race of natural telepaths who could in a supersensitive way read the signs of Earth elements,

living creatures, trees and herbs. They were people who were connected with the Earth and could follow all its changes and aches caused by people's activities. They were oversensitive and they lived where the crystal lattice of the world was broken and mountain ranges were running like scars of formation. They needed the elements of the earth

close by: the water and the air, the soil and the fire. And the defense of the mid-earth.

Second Night Stand Random House

Author cites the evils of segregation for both white and colored people and gives the history of race relations from pre-Civil War days.

Blue Haven

Xlibris Corporation
In the past, if a Native American tribe had a bad or evil chief, a warrior was

chosen to do away with him... To Kill him! The warrior chosen wasn't always the fastest or best, but rather a Brave who had little or no reason to kill the chief. Often it was a friend or relative of the chief who was chosen. The Indigenous people did not take a life wantonly, but only after serious consideration, and then, only after all other solutions were exhausted.
