The gathering

This Little Golden Book is based on Disney and Pixar's Turning Red--coming to Disney+ on March 11th, 2022! In Turning Red, Mei Lee is a confident, dorky thirteen-year-old torn between staying her mother's dutiful daughter and the chaos of adolescence. And as if changes to her interests, relationships, and body weren't enough, whenever she gets too excited (which for a teenager is practically ALWAYS), she "poofs" into a giant red panda! Turning Red is directed by Academy Award-winner Domee Shi (Pixar short Bao), produced by Lindsey Collins and coming to Disney+ on March 11th, 2022. This Little Golden Book retelling of the animated feature film is perfect for girls and boys ages 2 to 5, as well as Disney Little Golden Book collectors of all ages!

The Plum in the Golden Vase, Or, Chin P'ing Mei One Story, Many Voices

Michael Grant's Gone series meets M. Night Shyamalan's The Village in this riveting story of one girl's journey to save the very people who have lied to her for her entire life. Amy Plum, international bestselling author of the Die for Me series, delivers a fast-paced adventure perfect for fans of Marie Lu, Veronica Rossi, and Robison Wells. Juneau grew up fearing the outside world. The elders told her that beyond the borders of their land in the Alaskan wilderness, nuclear war had destroyed everything. But when Juneau returns from a hunting trip one day and discovers her people have been abducted, she sets off to find them. And leaving the boundaries for the very first time, she learns the horrifying truth: World War III never happened. Nothing was destroyed. Everything she'd ever been taught was a lie. As Juneau comes to terms with an unfathomable deception, she is forced to survive in a completely foreign world, using only the skills and abilities she developed in the wild. But while she's struggling to rescue her friends and family, someone else is after her. Someone who knows the extraordinary truth about her secret past.

The first volume of a celebrated translation of the classic Chinese novel This is the first volume in David Roy's celebrated translation of one of the most famous and important novels in Chinese literature. The Plum in the Golden Vase or, Chin P'ing Mei is an anonymous sixteenth-century work that focuses on the domestic life of Hsi-men Ch'ing, a corrupt, upwardly mobile merchant in a provincial town, who maintains a harem of six wives and concubines. The novel, known primarily for its erotic realism, is also a landmark in the development of the narrative art form—not only from a specifically Chinese perspective but in a world-historical context. With the possible exception of The Tale of Genji (1010) and Don Quixote (1615), there is no earlier work of prose fiction of equal sophistication in world literature. Although its importance in the history of Chinese narrative has long been recognized, the technical virtuosity of the author, which is more reminiscent of the Dickens of Bleak House, the Joyce of Ulysses, or the Nabokov of Lolita than anything in the earlier Chinese fiction tradition, has not yet received adequate recognition. This is partly because all of the existing European translations are either abridged or based on an inferior recension of the text. This translation and its annotation aim to faithfully represent and elucidate all the rhetorical features of the original in its most authentic form and thereby enable the Western reader to appreciate this Chinese masterpiece at its true worth.

In this second of a planned five-volume series, David Roy provides a complete and annotated translation of the famous Chin P'ing Mei, an anonymous sixteenth-century Chinese novel that focuses on the domestic life of His-men Ch'ing, a corrupt, upwardly mobile merchant in a provincial town, who maintains a harem of six wives and concubines. The fourth book in Laura Ingalls Wilder's treasured Little House series, and the recipient of a Newbery Honor—now available as an ebook! This digital version features Garth Williams's classic illustrations, which appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. The adventures of Laura Ingalls and her family continue as they leave the prairie and travel in their covered wagon to Walnut Grove, Minnesota. Here they settle in a new home made of sod beside the banks of Plum Creek. Soon Pa builds a wonderful new little house with real glass windows and a hinged door. Laura and her sister Mary go to school, help with the chores, and fish in the creek. At night everyone listens to the merry music of Pa's fiddle. Misfortunes come in the form of a grasshopper plague and a terrible blizzard, but the pioneer family works hard together to overcome these challenges. The nine Little House books are inspired by Laura's own childhood and have been cherished by generations of readers as both a unique glimpse into America's frontier history and as heartwarming, unforgettable stories. NEW YORK TIMES BESTSELLER • Trailblazing food writer and beloved restaurant critic Ruth Reichl took the job (and the risk) of a lifetime when she entered the high-stakes world of magazine publishing. Now, for the first time, she chronicles her groundbreaking tenure as editor in chief of *Gourmet*. “A must for

any food lover . . . Reichl is a warm, intimate writer. She peels back the curtain to a glamorous time of magazine-making. You'll tear through this memoir.”—*Refinery29* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Real Simple • Good Housekeeping • Town & Country When Condé Nast offered Ruth Reichl the top position at America's oldest epicurean magazine, she declined. She was a writer, not a manager, and had no inclination to be anyone's boss. Yet Reichl had been reading *Gourmet* since she was eight; it had inspired her career. How could she say no? This is the story of a former Berkeley hippie entering the corporate world and worrying about losing her soul. It is the story of the moment restaurants became an important part of popular culture, a time when the rise of the farm-to-table movement changed, forever, the way we eat. Readers will meet legendary chefs like David Chang and Eric Ripert, idiosyncratic writers like David Foster Wallace, and a colorful group of editors and art directors who, under Reichl's leadership, transformed stately *Gourmet* into a cutting-edge publication. This was the golden age of print media—the last spendthrift gasp before the Internet turned the magazine world upside down. Complete with recipes, *Save Me the Plums* is a personal journey of a woman coming to terms with being in charge and making a mark, following a passion and holding on to her dreams—even when she ends up in a place she never expected to be. Praise for *Save Me the Plums* “Poignant and hilarious . . . simply delicious . . . Each serving of magazine folklore is worth savoring. In fact, Reichl's story is juicier than a Peter Luger porterhouse. Dig in.”—*The New York Times* Book Review “In this smart, touching, and dishy memoir . . . Ruth Reichl recalls her years at the helm of *Gourmet* magazine with clear eyes, a sense of humor, and some very appealing recipes.”—*Town & Country* “If you haven't picked up food writing queen Ruth Reichl's new book, *Save Me the Plums*, I highly recommend you fix that problem. . . . Reichl is in top form and ready to dish, with every chapter seeming like a dedicated behind-the-scenes documentary on its own.”—*Soleil Ho*, *San Francisco Chronicle*

The Dissolution W. W. Norton & Company

The Plum in the Golden Vase (also known as *The Golden Lotus*) was published in the early seventeenth century and may be the first long work of Chinese fiction written by a single (though anonymous) author. Featuring both complex structural features

and psychological and emotional realism, the novel centers on the rich merchant Ximen Qing and his household and describes the physical surroundings and material objects of a Ming Dynasty city. In part a social, political, and moral critique, the novel reflects on hierarchical power relations of family and state and the materialism of life at the time. The essays in this volume provide ideas for teaching the novel from a variety of approaches, from questions of genre, intertextuality, and the novel's reception to material culture, family and social dynamics, and power structures in sexual relations. Insights into the novel's representation of Buddhism, Chinese folk religion, legal culture, class, slavery, and obscenity are offered throughout the volume. *The Plum in the Golden Vase, Or, Chin P'ing Mei: The climax* Princeton University Press

"This book advances a "horizontal" method of comparative literature and applies this approach to analyze the multiple emergences of early realism and novelistic modernity in Eastern and Western cultural spheres from the sixteenth through the eighteenth centuries. Naming this era of economic globalization the 'Age of Silver,' this study emphasizes the bullion flow from South America and Japan to China through international commerce, and argues that the resultant transcontinental monetary and commercial co-evolutions stimulated analogous socioeconomic shifts and emergent novelistic realisms in places such as China, Japan, Spain, and England. The main texts it addresses include *The Plum in the Golden Vase* (anonymous,

China, late sixteenth century), *Don Quixote* (Miguel de Cervantes, Spain, 1605 and 1615), *The Life of an Amorous Man* (Ihara Saikaku, Japan, 1682), and *Robinson Crusoe* (Daniel Defoe, England, 1719). These Eastern and Western narratives indicate from their own geographical vantage points commercial expansions' stimulation of social mobility and larger processes of cultural destabilization. Their realist tendencies are underlain with politically critical functions and connote "heteroglossic" national imaginaries. This horizontal argument realigns novelistic modernity with a multipolar global context and reestablishes commensurabilities between Eastern and Western literary histories. On a broader level, it challenges the unilateral equation between globalization and modernity with westernization, and foregrounds a polycentric mode of global early modernity for pluralizing the genealogy of 'world literature' and historical transcultural relations"

Volume Four, The Climax Harper Collins

Barbara Jefferson, a young American teaching in Tokyo in the 1960s, is set on a life-changing quest when her Japanese surrogate mother, Michi, dies, leaving her a tansu of homemade plum wines wrapped in rice paper. Within the papers Barbara discovers writings in Japanese calligraphy that comprise a startling personal narrative. With the help of her translator, Seiji Okada, Barbara begins to unravel the mysteries of Michi's life, a story that begins in the early twentieth century and continues through World War II and its aftermath. As Barbara and Seiji translate the plum wine papers they form an intimate bond, with

Michi a ghostly third in what becomes an increasingly uneasy triangle. Barbara is deeply affected by the revelation that Michi and Seiji are hibakusha, survivors of the atomic bombing in Hiroshima, and even harder for her to understand are the devastating psychological effects wrought by war. Plum Wine examines human relationships, cultural differences, and the irreparable consequences of war in a story that is both original and timeless. 2007 A Notable Fiction Book of 2007, selected by the Kiriyaama Prize Committee Winner, Fiction Award, Southern Independent Bookstore Alliance Notable Fiction, Kiriyaama Pacific Rim Book Prize
