One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally?

Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, “You've just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today's transformed workplace.

Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of How to Talk to Anyone “If you think the emotional cruelty of comedies like Mean Girls and Heathers doesn't exist in the real world workplace, think again. In Mean Girls at Work, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” —Ann Creamer, author of It's Always Personal: Navigating Emotion in the New Workplace “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women's Foundation “A must-read for women of all ages in today's workforce. This book offers what we all

need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

In his final year at the Royal College of Music, star pianist Flynn Laukonen has the world at his feet. He has moved in with his girlfriend Jennah and is already getting concert bookings for what promises to be a glittering career. Yet he knows he is skating on thin ice - only two small pills a day keep him from plunging back into the whirlpool of manic depression that once threatened to destroy him. Unexpectedly his friends seem to be getting annoyed with him for no apparent reason, he needs less and less sleep, he is filled with unbridled energy. Events begin to spiral out of control and Flynn suddenly finds himself in hospital, heavily sedated, carnage left behind him. The

medication isn't working any more, the dose needs to be increased, and depression strikes again, this time with horrific consequences. His freedom is snatched away and the medicine's side-effects threaten to jeopardize his chances in one of the biggest piano competitions of his life. It seems like he has to make a choice between the medication and his career. But in all this he has forgotten the one person he would give his life for, and Flynn suddenly finds himself facing the biggest sacrifice of all.

What Type Am I? Sapphire Knight
Introducing a charming chapter book series starring Rachel Friedman, a sweet and silly Jewish girl renowned for her peanut butter challah baking skills and larger-than-life personality! Rachel loves being Jewish, but she hates following the rules at synagogue—and everywhere else. To encourage her to see the value of rules, Rachel and her father strike a deal: If Rachel can stick to the rules for one whole week, she can go to a meet and greet for her favorite gymnast! But when Rachel finds herself in a

tricky situation that forces her to choose between following the rules or doing what she believes is right, she learns that some rules are worth breaking. And yet, when the consequences of her rule breaking spin out of control, she learns that some rules are still worth following. Sarah Kapit creates a refreshing chapter book heroine in Rachel Friedman, featuring her identity, ADHD, and personality with care. The book also features Genevieve Kote's adorable illustrations throughout.

Watch Your Language Harper Collins
Allan Woodrow is back with another pitch-perfect middle-grade novel full of hilarious antics, epic arguments, and a class that just doesn't get along. Class 507 is the worst class Ms. Bryce has ever taught. And she would know -- she's been teaching forever. They are so terrible that when a science experiment goes disastrously wrong (again), Ms. Bryce has had it and quits in the middle of the lesson. But through a mix-up, the school office never finds out. Which means ... Class 507 is teacher-free! The class figures if they don't tell anyone, it'll be one big

holiday. Kyle and his friends can play games all day. Samantha decides she'll read magazines and give everyone (much needed) fashion advice. Adam can doodle everywhere without getting in trouble. Eric will be able to write stories with no one bothering him. And Maggie ... well, as the smartest kid in the class she has an ambitious plan for this epic opportunity. But can Class 507 keep the principal, the rest of the students, and their parents from finding out ... or will the greatest school year ever turn into the worst disaster in school history?

Help Me Be Good About Being Bossy helps young children understand and appreciate the problems caused by being bossy. It also takes the next step and offers practical advice on how not to be bossy.

Why Is My Child in Charge? SLG Publishing

Miss Isadora Delafield

may be an heiress, but her life is far from carefree. When her mother begins pressuring her to marry an elderly and uncouth duke, she escapes from the high society world she's always known and finds herself to be an unlikely candidate for a housekeeper position in rural Pennsylvania. Mr. Ian MacKenzie is known for his savvy business sense and has built his reputation and fortune completely on his own merits. But when his adopted parents are in need of a new housekeeper and Isadora is thrown into his path, he's unexpectedly charmed by her unconventional manner. Neither Isadora nor Ian expected to find the other so intriguing, but when mysterious incidents on the farm and the truth of Isadora's secret threaten those they love, they'll have to set aside everything they thought they wanted for a chance at happy-ever-after.

their children with dessert.

The Redemption Of Kylie - Nappy Version Xlibris Corporation

Investigative journalist Michael Gross delves into the history of models and takes us into the private studios and hidden villas where models play and are preyed upon, going beyond modeling's carefully constructed facade of glamour to expose the scandal and untold truths that permeate the seemingly glamorous business. Here for the first time is the complete story of the international model business—and its evil twin: legalized flesh peddling. It's a tale of vast sums of money, rape both symbolic and of the flesh, sex and drugs, obsession and tragic death. At its heart is the most unholy combination in commerce: beautiful, young women and rich, lascivious men. Fashion insider Michael Gross has interviewed modeling's pioneers, survivors, and hangers-on, and he tells the story of the greats: Lisa Fonsagrives; Anita Colby, Candy Jones; Dorian Leigh and her sister Suzy Parker; Jean Shrimpton and Twiggy; Veruschka and Lauren Hutton; and today's

supermodel trinity, Christy, Naomi and Linda. *Chevelle* Ai Press Contains monthly column of the Sequoya League. *Playing with Danger* Independently Published Pink Passion: A ruling passion motivates, pushes, stretches, encourages, inspires and in some instances a ruling passion might even challenge you to reach your full potential. Make no mistake about it, a ruling passion is much different from a goal. In general, a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular task. Normally, goal setters classify goals into categories, short term and long term. For a tantamount of consumers and shoppers, once a goal is set it stays at the center of attention until the goal is accomplished. Totally different from a goal__putatively, a passion, so to speak, is something that you love to do more than anything else that you do daily. Straight forwardly speaking, when you have a passion it consumes your every thought, it pretty much paints the picture of how you view, see, and live life. A strong feeling, longing, or

desire;each of us as consumers and shoppers have different passions__ostensibly, even with the various passions available as choices, some consumers and shoppers have not found their ruling passion, understandably, it could take years before a consumer or shopper stumbles upon their ruling passion. At any rate that you find your passion, a passion or a ruling passion could be just about anything that you love and enjoy to do at home, away from the job, on vacation and during holidays. From shopping to blogging to cooking to singing to acting to dancing, it's what you love to do the most, it's what motivates, pushes, stretches, encourages, inspires, and challenges you, it's your ruling passion. In previous years, I have had a passion to try and do many things. While in college, I rediscovered my passion for the English language and writing. Within the past seven years, I developed a passion for shopping and blogging. 2009, I developed a passion for pink. Along with my passion for pink, I believe my ruling passion is to be an award winning editor

and writer. Veritably, all passions begin with you_if you have found your ruling passion stick with it, share it, and create a niche for your passion. And for the percentage of you (consumers and shoppers) who you havent found your ruling passion, start_right now and start doing what you love and enjoy, it's not too late.

Best Book of the Year Real Simple • AARP • USA Today • NPR • Virginia Living Longlisted for the 2022 Booker Prize From the Man Booker finalist and bestselling author of *We Are All Completely Beside Ourselves* comes an epic and intimate novel about the family behind one of the most infamous figures in American history: John Wilkes Booth. In 1822, a secret family moves into a secret cabin some thirty miles northeast of Baltimore, to farm, to hide, and to bear ten children over the course of the next sixteen years. Junius Booth—breadwinner,

celebrated Shakespearean actor, and master of the house in more ways than one—is at once a mesmerizing talent and a man of terrifying instability. One by one the children arrive, as year by year, the country draws frighteningly closer to the boiling point of secession and civil war. As the tenor of the world shifts, the Booths emerge from their hidden lives to cement their place as one of the country's leading theatrical families. But behind the curtains of the many stages they have graced, multiple scandals, family triumphs, and criminal disasters begin to take their toll, and the solemn siblings of John Wilkes Booth are left to reckon with the truth behind the destructively specious promise of an early prophecy. Booth is a startling portrait of a country in the throes of change and a vivid exploration of the ties that make, and break, a family.

Kylie is a typical 19-year-old girl going to college and suffering all the stresses and trials of leaving home for the first time. This all leads to a recurrence of her bedwetting and pants-

wetting. Her mother, Lori, is frustrated and seeks assistance from anyone that will give it and comes into contact with the mysterious Mark. When diapers finally come onto the scene, everything changes dramatically. This huge story covers Kylie's regression, her rehabilitation and finally her redemption. Along the way, we meet a number of regressed diapered girls as well as their carers and the mysterious - and possibly criminal - 'Institute'. A brilliant ABDL drama.

The Silent Patient Henry Holt and Company (BYR)
USA Today bestselling authors Shelley Shepard Gray, Rachel J. Good, and

Loree Lough celebrate the spirit of the season, the warmth of simple traditions, and of course, the joy of holiday treats, with this faith-affirming collection of three connected holiday novellas about the Christmas surprises in store for those who work and shop at a charming Amish bakery. A
CHRISTMAS CAKE FOR REBECCA New York Times bestselling author Shelley Shepard Gray When carpenter Aden returns to Lancaster after twenty years away, bakeshop owner Rebecca is dismayed to find he's still as handsome and kind as ever. He broke her heart when he left the community back then. Will a holiday emergency provide a second chance at love, this time forever?
BEST CHRISTMAS PRESENT EVER * USA Today bestselling author Rachel J. Good When a lonely widower with an ailing daughter meets a new cake decorator at the bakeshop, they discover they were once childhood playmates. But as each of them helps the other care for family, their neighborly kindness inspires a gift that only love could make possible . . . THE CHRISTMAS CUPCAKE * USA Today

bestselling author Loree Lough A builder who never learned to read believes he must hide his fond feelings for a kind schoolteacher. But after they run into each other at the bakeshop, she offers to teach him—and as Christmas approaches, each of them learns a lesson about the great gift of love . . .

A Kinchela Boy Goanna Press

Tired of being told what to do by everyone else in the family, Julia tries different ways of bossing them.

I'm Not Bossy I Just Have Better Ideas Andrews McMeel Publishing

In the first two books of the 'Kylie Trilogy', we met Kylie and Lucy, two patients at the mysterious and perhaps criminal 'Institute'. The two girls were nothing alike and yet both needed serious help. Kylie was wetting her bed, needing pull-ups and finally, diapers. Then she was handed over to Donna whose job was to regress her back to babyhood and to help solve her problems before coming back out again to society. But things went wrong. With great power, comes great responsibility, but instead of responsibility, it was coercion, control, and power-seeking that took

place. In this stunning conclusion, we see Kylie redeemed from her troubled past and are given some insight into her future. The book *One Week in Diapers* follows on from this as Kylie finds her true calling...

The Captives BoD -

Solve toddler challenges with eight key mindshifts that will help you parent with clarity, calmness, and self-control. In *Why is My Child in Charge?*, Claire Lerner shows how making critical mindshifts—seeing children's behaviors through a new lens—empowers parents to solve their most vexing childrearing challenges. Using real life stories, Lerner unpacks the individualized process she guides parents through to settle common challenges, such as throwing tantrums in public, delaying bedtime for hours, refusing to participate in family mealtimes, and resisting potty training. Lerner then provides readers with a roadmap for how to recognize the root cause of their child's behavior and how to create and implement an action plan tailored to the unique needs of each child and family. *Why is My Child in*

Charge? is like having a child development specialist in your home. It shows how parents can develop proven, practical strategies that translate into adaptable, happy kids and calm, connected, in-control parents.

I'm the Boss! iUniverse

From the senior pastor of New Life Church, a "timely, thought-provoking, inspiring, and uplifting" (The Gazette, Colorado) book that redefines the notion of extravagance by using the parable of the Good Samaritan to demonstrate how to live a truly compassionate and selfless life of giving freely without expecting anything in return. We all know people in our lives who have "yes" faces. They are calm but energetic, present but still purposeful with their time. They're genuine in their desire to know about you—how you're doing, what you're up to, how you feel. Even with full lives of their own, they somehow still have the energy to inquire about others. These are extravagant people. In *Extravagant*, Pastor Brady Boyd shows us that by constantly offering up our time, talents, and hearts we can live life more like these exceptional people.

Drawing on the parable of the Good Samaritan, he encourages us to stop living a life driven by selfish desire and start building lasting relationships that will be spiritually fulfilling. Discover how to begin this transformation by ceasing

to be a passerby and become one who pauses in the course of daily life. By embracing the spirit of generosity, Pastor Boyd shows us that the path to a happier life is by living closer to God's vision and building a community that

will be there in times of need. "Boyd's illuminating insights are a perfect primer for living a more self-aware, spiritually fulfilling life" (Shelf Awareness) and just the remedy we need in today's fractured culture and troubled times.
