MCKENZIE YANG

How to Catch a Lobster Berkshire House Pub

How is Maine special to YOU? Children and adults alike will be delighted by a young girl's answer to this question at show and tell. Join in on a real Maine adventure--go to a county fair, pick wild blueberries, and search for sea glass. Visit Portland, L.L. Bean, and the state capitol building. Take in the magnificent sights from the mountains and lakes to the rocky coast and learn some state facts along the way, all while being accompanied by an adorable stuffed moose! This beautifully illustrated book truly captures the essence of Maine.

The Coast of Maine Book Penobscot Books

"The Winter Coast of Maine" is the first fine art book dedicated to color photographs of Maine's coastal landscape made exclusively during the coldest months - a time of year that most visitors and summer residents rarely get to see. The Maine coast is a place of exquisite beauty at all times of year, but especially in winter. The topography of this region ranges from long sandy beaches in the south to tall granite headlands in the area known as "Down East." Photographer and Maine resident Ed Kenney has spent the last decade compiling a portfolio of stunning images capturing the essence of a coast that is at times serene and still, and at other times ferocious, stormy, and bitterly cold. A photographer for over a half century, Ed Kenney

can barely recall a time when a camera was not close at hand. His skills were honed using a succession of film cameras that began with a Kodak Hawkeye and progressed over the years to an Arca Swiss 4x5. Although the view camera still sees occasional use, these days almost all capture is digital on high resolution sensors matched with the finest lenses. Thirty-three year National Geographic veteran Sam Abell has written the foreword to this volume in which he asks: "Was summer fiction? No, but without summer's growth the winter declares a hard granitic truth: All else is temporary." The luminous photographs gathered here forcefully make the case that while some things pass, many things seem eternal on "The Winter Coast of Maine."

The Winter Coast of Maine Seapoint Books and Media

A couple set out on a bold and vigorous quest for independence and a more essential way of life on a Maine island

The Coast of Maine Prestel Publishing

The Maine Play Book is a thought-fully curated guidebook gives parents an insider's perspective of Maine through a mother's eyes. Organized by season, each section features farms, nature preserves, and parks, as well as events and activities for families.

The Guest Book Penguin

Revised and updated 2018. This book divides Maine's landscape into smaller pieces - 'natural communities' and 'ecosystems' - and assigns names to those pieces based on where they fit in the landscape and on their attendant trees, shrubs, wildflowers, and wildlife species. Each of Maine's 104

natural communities has a two page description with color photographs and distribution maps. Introductory material includes a diagnostic key and how this classification fits into a bigger picture for conservation, and appendices include a cross-reference to other classification types and a glossary.

You'll never fall into tourist traps when you travel with Frommer's. Doing so is like having a trusted friend show you around, taking you to the places locals like best. That's because our guidebooks, unlike much of the competition, are written by resident experts--like Brian Kevin, the author of Frommer's Maine Coast, and the managing editor of Down East magazine. In this highly opinionated book, he'll help you sort through the options so you can tailor a vacation that's right for you. Frommer's Maine Coast covers all of the region's highlights--from the best beaches and lobster rolls to the most scenic places to hike, kayak, and sail. The book gives in-depth advice on how to tackle the wondrous Acadia National Park, the foodie scene in Portland, such small-town gems as York Village, Camden, Castine, and more. Our guide proudly contains: * Exact prices for every venue and activity listed, so there's never any guessing or nasty surprises * Detailed maps throughout, plus a handy pullout map * Savvy, hard-hitting reviews of restaurants, hotels, attractions, shopping, and nightlife in all price ranges, from luxe to backpacker-friendly * Helpful suggested itineraries so you can make the most of your vacation time

Edward Hopper's Maine David R. Godine Publisher

What's it like to live your dream? To live the life of an author? To (finally) be married to the man you love and live in the place you've always imagined? With wry humor and insight, Lea Wait, acclaimed author of 14 books in two genres, shares the good, the bad, and the challenging about living in a Maine house built in 1774, meeting publishing deadlines, and loving life. (Most of the time!) Lea always wanted to be an author, a mother, a wife ... and to live on the coast of Maine. She adopted her four daughters as a single parent. In 1998, after they were grown, she moved to Maine and began writing full-time. In 2003 she married Bob Thomas, a man she'd only known 12,994 days. Her story is a treasure for everyone who knows and love Maine, or writing ... or who dreams.

Ghosts on the Coast of Maine Macmillan

An anthology of poetry, essays, and visual art on the climate crisis by Maine writers and artists with a foreword by Governor Janet Mills.

My Maine Berkshire House Pub

WHEN YOU NAVIGATE THE COAST OF MAINE, A PICTURE IS WORTH A THOUSAND WORDS A Visual Cruising Guide to the Maine Coast takes the guesswork out of navigating Maine's intricate, reef-strewn waters, ensuring that your next voyage through this coastal paradise will be picture-perfect. Inside you will find more than 180 full-color aerial photographs that provide "by-the-picture" navigational guidance for Maine's treasured harbors, difficult passages, and hidden approaches. Author James Bildner has added chart segments and recommended course lines to these low-altitude photos, giving you a unique, at-a-glance guide to sailing around Maine. It's like cruising with a masthead lookout to point the way. • Text descriptions of area with piloting instructions • Labeled approach lines • Low-angled photos with key navigation aides labeled • Chart segments from

A Dangerous New World McGraw Hill Professional

A ghostly tour of Maine's coast - twenty-five tales of hauntings and unexplained supernatural occurrences compiled by a woman whose family's home in coastal Maine is home to more than one ghost. Her interest in psychic phenomena was sparked by a request from the NBC series In Search of... for an interview about her family's haunted house. This is a different kind of tour, an intriguing, spine-tingling tour full of witches, mysterious disappearances, and things that go bump in the night.

Living with the Coast of Maine Down East Books

Award Winning Author Jenifer LeClair Delivers A Taut Thriller That Builds To A Shattering Climax Set Against the Rugged Maine Coast and the Bay Of Fundy A Landscape Both Beautiful and Unforgiving Detective Brie Beaumont teams with the Maine State Police to investigate a grisly murder away Down East near the village of Tucker Harbor, Maine. A second death, a four-year-old mystery involving a research scientist, and a mysterious unexplained phenomenon draw Brie into an ever-tightening web of intrigue and danger. Themes of isolation and the destructive power of secrets play hauntingly throughout this gripping thriller, the third in Jenifer LeClairs acclaimed Windjammer Mystery Series.

Islands of Maine Down East Books

On Quinipeague, hearts open under the summer stars and secrets float in the Sweet Salt Air... Charlotte and Nicole were once the best of friends, spending summers together in Nicole's coastal island house off of Maine. But many years, and many secrets, have kept the women apart. A successful travel writer, single Charlotte lives on the road, while Nicole, a food blogger, keeps house in Philadelphia with her surgeon-husband, Julian. When Nicole is commissioned to write a book about island food, she invites her old friend Charlotte back to Quinipeague, for a final summer, to help. Outgoing and passionate, Charlotte has a gift for talking to people and making friends, and Nicole could use her expertise for interviews with locals. Missing a genuine connection, Charlotte agrees. But what both women don't know is that they are each holding something back that may change their lives forever. For Nicole, what comes to light could destroy her marriage, but it could also save her husband. For Charlotte, the truth could cost her Nicole's friendship, but could also free her to love again. And her chance may lie with a reclusive local man, with a heart to soothe and troubles of his own. Bestselling author and master storyteller Barbara Delinsky invites you come away to Quinipeague...

Frommer's Maine Coast Penobscot Books

Rich takes readers on a tour of Maine's coast, and in her personal, warm, and witty way, she illuminates the land she knew so well. This book is as informative and delightful today as when it was first published nearly 40 years ago.

Ada Bea's Downeast Adventure Penobscot Books

Instant New York Times Bestseller Longlisted for Andrew Carnegie Medal for Excellence 2020 New England Society Book Award Winner for Fiction "The Guest Book is monumental in a way that few novels dare attempt." —The Washington Post The thought-provoking new novel by New York Times bestselling author Sarah Blake An exquisitely written, poignant family saga that illuminates the great divide, the gulf that separates the rich and poor, black and white, Protestant and Jew. Spanning three generations, The Guest Book deftly examines the life and legacy of one unforgettable family as they navigate the evolving social and political landscape from Crockett's Island, their family retreat off the coast of Maine. Blake masterfully lays bare the memories and mistakes each generation makes while coming to terms with what it means to inherit the past.
