Saving the Boxer Chance Carter

Download for FREE with Kindle Unlimited This is a 9,000 words EROTIC stand-alone story with an HEA, so no cliff-hangers! Ellie is a well-educated, liberal lawyer from a well-to-do family. Her neighbor and best friend of over 15 years', experience a traumatic evening when Ellie's home is broken in to. Alan, not-so-secretly in love with Ellie, calls the cops but quickly comes to her rescue and is able to take down the intruder until police arrive. Feeling helpless, and nervous to be in her own home, Ellie decides she needs to take some self-defense classes that she stumbles upon at the police station. Kyle is the owner of 4 gyms around the Los Angeles area. He is a hard-working conservative who loves his family. He starts to train Ellie in Mixed Martial Arts and it doesn't take long before the two end up becoming something more than Instructor and Student. While neither

of their friends approve of the potential relationship, the two continue to get close. After the two cross that line from just friends to lovers, Ellie begins to admit her feelings to herself. The two go to a party for one of Ellie's friends together; only to realize that Kyle and Alan had an altercation in High School that puts Ellie right in the middle of this childhood feud. -----

----- EXCERPT FROM BOOK Her hands shook slightly as she typed the number into her iPhone. A pleasant, extremely masculine male voice answered after 3 rings, surprising her. At 4 PM on a Saturday any gym would be pretty packed; she had been expecting to leave a voicemail. "Um, hi." She muttered. Then, regaining her usual confidence, "Hi yes, I got your number from a flyer at the police station and was interested in potentially taking some individual self-defense classes." "Absolutely." the man on the line responded. "I have an opening for individual lessons Mondays, Wednesdays and Fridays every week from 6-8 PM." "Wow, that's a lot." She replied, momentarily second guessing herself. Maybe she should have thought this through more to see if she was willing to dedicate the amount of time that was clearly necessary. "It is, but it's worth it. Trust me." She could almost hear a smile through the phone. This guy was obviously passionate about his job. "Besides, that's only initially. Once you feel more comfortable and have learned the basics we usually cut back to twice a week, then ultimately only one class a week. You'll also have free range of the workout equipment any other day you please." He continued. "Okay. Count me in." She smiled as she relayed her answer. "Starting this Monday?" She wanted to confirm. "Yep. See you Monday." And he hung up. Funnily enough, she was already feeling less weak and more powerful; she was taking back control of her situation. Ellie had never considered herself a damsel in distress before, but last night had been a huge wake up call. Yes, she had a gun. But she wouldn't always. What if she had been attacked and disarmed? She would have had no knowledge or means to fight off any sort of attacker. AUTHOR'S NOTE: This is a 9,000 words stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for 18+ readers only.

Barrister's clerk Silas Warner has been a sexual butterfly, flitting from man to man in Victorian London. Until he meets boxer Ezra Curiel, who delivers a knockout punch to Silas's heart. But can love thrive between two men with such different backgrounds—a poor clerk from the English countryside and a French-born pugilist who has achieved fame and fortune as the Hammering Hebrew? Their romance is tested when Ezra is arrested for murder. But Silas and his friends know Ezra must be innocent, because he was in their presence at a soirée at Ormond Yard as the murder was committed. Can Silas gather the talents of the men of Ormond Yard to prove Ezra's innocence? Or in the process will they ruin his reputation, and subject him and Silas to prison for sodomy? Perfect for fans of emotionally charged, sexy reads, Dirty Boxing, the first installment in the Blood and Glory series, is full of "tons of emotion and heat" (Molly O'Keefe, USA TODAY bestselling author), and reveals that the mixed martial arts battles waged inside the octagon are second only to the battles fought in the name of love. After an unstable childhood, Jules Darcy is very familiar with the risks of falling in love. And as an adult, she's never let herself forget just how high those stakes can be. That's why she ran away a year ago after her fling with MMA fighter Nick Giannakis quickly got serious. But when she jumps at the opportunity to reconnect with her dad by accepting a job with his growing fight league, she's stunned to learn the abs, the chiseled arms, and the rock-solid punches she has to market belong to none other than her former fling. Unable to run away from the sexy middleweight this time, Jules vows to keep things strictly professional. But one look at Nick, and her resolve starts to crumble.... The last thing Nick expects when he signs with the prestigious World Fighting Championship is that he'll have to work with the only woman who ever broke his heart. Desperate to hide the pain she caused him, Nick vows to keep his distance from his gorgeous ex. But when he realizes their intense chemistry hasn't faded after a year apart, he wonders if they could have a future together, even if dating the boss's daughter could complicate his bid for the championship belt. Under the bright lights of Las Vegas, in the world of high-stakes prize fighting, they'll have to take a risk and decide if their love is worth fighting for. [Romance](#) Mills & Boon
