To Broadway, To Life! The Musical Theater of Bock and Harnick is the first complete book about these creative figures, one of Broadway's most important songwriting teams. The book draws from personal interviews with Bock and Harnick themselves to offer an in-depth exploration their shows, including Fiddler on the Roof, She Loves Me, and Fiorello!,

and their greater place in musical theater history.

Dialogues with/and Great Books OUP USA

This new edition of the innovative and widely acclaimed Theatre Histories: An Introduction offers overviews of theatre and drama in many world cultures and periods together with case studies demonstrating the methods and interpretive approaches used by today's theatre historians. Completely revised and renewed in color, enhancements and new material include: a full-color text design with added timelines to each opening

section a wealth of new color illustrations to help convey the vitality of performances described new case studies on African, Asian, and Western subjects a new chapter on modernism, and updated and expanded chapters and part introductions fuller definitions of terms and concepts throughout in a new glossary a re-designed support website offering links to new audio-visual resources, expanded bibliographies, approaches to teaching theatre and performance history, discussion questions relating to case studies and an online glossary.

The Making of My Fair Lady Rutgers University Press

In *The Seven Habits of the Good Life*, the authors highlight seven biblical gifts--self-esteem, wisdom, righteousness, love, healthy appetite, prudence, and purpose--and present each one as an alternative to one of the seven deadly sins. Each gift gives readers a chance to enrich their lives by integrating concern for themselves with a healthy concern for others rather than punishing themselves for bad behavior. Incorporating clinical case studies, the voices of real people, and biblical stories, this book shows how the wisdom of the scriptures can provide us concrete ways of redefining difficult situations and approaching life in a way that strives for fullness, harmony, and balance.

Musical Theater Rowman & Littlefield
Religion and Technology into the Future: From Adam to Tomorrow's Eve examines the broad significance of the current trends and accomplishments in technology (AI/robots) against the long history of the human imagination of making sentient beings. It seeks to enrich our understanding of the present as it is trending into the future against the richly

relevant and surprisingly long past. Creatively considered in some depth are a wide range of specific examples drawn especially from contemporary film and television, as well as from cosmology, ancient mythology, biblical literature, classical literature, folklore, evolution, popular culture, technology, and futurist studies. This book is distinctive, in part, in drawing on a wide range of resources demonstrating the indispensable interrelationship among these disparate materials. Science, technology, economics, and philosophy are seamlessly interwoven with history, gender, culture, religion, literature, pop culture, art, and film. Written for general as well as academic readers, it offers fascinating and provocative insights into who we are and where we are going.

Postcards from Penguin Andrews UK Limited

Eliza Doolittle is a poor flower-seller in Victorian London who has a very strong London accent. Professor Higgins chooses her for an experiment. He decides to teach her to speak like an upper class lady but things don't happen exactly as he plans ... This wonderful story was first a play called

Pygmalion by the famous writer George Bernard Shaw. It was made into a musical, perhaps the best-known of all, and then a film starring Audrey Hepburn.

It Penguin

Culinary delights abound, romance lingers in the air, and plans go terribly, wonderfully astray in this gender-bent take on *My Fair Lady* from Jennieke Cohen, author of *Dangerous Alliance*—perfect for fans of *Bridgerton* or *A Gentleman's Guide to Vice and Virtue*. It's 1830s England, and *Culinarians*—doyens who consult with society's elite to create gorgeous food and confections—are the *crème de la crème* of high society. Helena Higgins, top of her class at the Royal Academy, has a sharp demeanor and an even sharper palate—and knows stardom awaits her if she can produce greatness in her final year. Penelope Pickering is going to prove the value of non-European cuisine to all of England. Her contemporaries may scorn her Filipina heritage and her dishes, but with her flawless social graces and culinary talents, Penelope is set to prove them wrong. Elijah Little has nothing to his name but a truly excellent instinct for flavors. London merchants won't allow a

Jewish boy to own a shop, so he hawks his pasties for a shilling a piece to passersby—but he knows with training he can break into the highest echelon of society. When Penelope and Helena meet Elijah, a golden opportunity arises: to pull off a project never seen before, and turn Elijah from a street vendor to a gentleman chef. But Elijah's transformation will have a greater impact on this trio than they originally realize—and mayhem, unseemly faux pas, and a little romance will all be a part of the delicious recipe.

My Fair Lady BRILL

The story of Freud's involvement with cocaine and how it affected research long after he died... The book tells of a number of drug related tragedies Freud was involved in including the death of Ernest Fleischl and that of the less well known Otto Gross who was a good analyst, a cocaine addict and has advanced ideas about sex which led him to founding an orgiastic commune in Italy. Freud devotees will be unhappy with the book because it depicts their hero as all too human but it is a balanced view!

Plays by George Bernard Shaw

HarperCollins

George Bernard Shaw demanded truth and despised convention. He punctured hollow pretensions and smug prudishness—coating his criticism with ingenious and irreverent wit. In Mrs. Warren's Profession, Arms and the Man, Candida, and Man and Superman, the great playwright satirizes society, military heroism, marriage, and the pursuit of man by woman. From a social, literary, and theatrical standpoint, these four plays are among the foremost dramas of the age—as intellectually stimulating as they are thoroughly enjoyable. “My way of joking is to tell the truth: It is the funniest joke in the world.”—G. B. Shaw With an Introduction by Eric Bentley and an Afterword by Norman Lloyd

The Book of Margery Kempe Liverpool University Press

#MeToo and Modernism offers a blend of cultural, historical, literary, and pedagogical responses applied to the themes behind today's ongoing #MeToo Movement. This volume is organized into four sections: a three-part chronological response in which scholars analyze literary understandings of how ripples of the #MeToo Movement began to emerge in

Modernist literature, followed by a pedagogical section on how to incorporate such teachings in university classrooms. Editors Robin E. Field and Jerrica Jordan foreword the collection with an introduction answering the question of why such a volume is necessary in today's educational landscape. The introduction summarizes the current scholarship regarding #MeToo and Modernism, while also uncovering the omissions, particularly in approaching nonbinary or queer writers, as well as writers of color, that still exist; as a response, many of these essays attempt to approach these gaps.

Furthermore, the introduction shows how more traditional Modernist writers--including Woolf, Forster, Wells, and Joyce--served as forerunners of early glimmers of the #MeToo Movement in Modernist Literature.

My Fair Lady Routledge

This text considers one of the most popular musicals of all time, Lerner and Loewe's 'My Fair Lady.' Using previously-unpublished letters and documents, author Dominic McHugh presents a behind-the-scenes look at the creation of the show, revealing the tensions that went

into the making of this beloved musical.

Religion and Technology into the Future Random House

****Shortlisted for Waterstones Book of the Year**** The Penguin Classics Book is a reader's companion to the largest library of classic literature in the world. Spanning 4,000 years from the legends of Ancient Mesopotamia to the poetry of the First World War, with Greek tragedies, Icelandic sagas, Japanese epics and much more in between, it encompasses 500 authors and 1,200 books, bringing these to life with lively descriptions, literary connections and beautiful cover designs.

Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that

simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in. *My Fair Lady* Chin Music Press

Three voices. Three acts of defiance. One mass injustice. The story of camp as you've never seen it before. Japanese Americans complied when evicted from their homes in World War II -- but many refused to submit to imprisonment in American concentration camps without a fight. In this groundbreaking graphic novel, meet JIM AKUTSU, the inspiration for John Okada's *No-No Boy*, who refuses to be drafted from the camp at Minidoka when classified as a non-citizen, an enemy alien; HIROSHI KASHIWAGI, who resists government pressure to sign a loyalty oath at Tule Lake, but yields to family pressure to renounce his U.S. citizenship; and MITSUYE ENDO, a reluctant recruit to a lawsuit contesting her imprisonment, who refuses a chance to leave the camp at Topaz so that her case could reach the U.S. Supreme Court. Based upon painstaking research, *We Hereby Refuse* presents an original vision of America's past with disturbing links to the American present.

Audrey Hepburn Bloomsbury Publishing Cinderella's transformation from a lowly, overlooked servant into a princess who attracts everyone's gaze has become a

powerful trope within many cultures. Inspired by the Cinderella archive of books and collectables at the University of Bedfordshire, the essays in this collection demonstrate how the story remains active in various different societies where social and family relationships are adapting to modern culture. The volume explores the social arenas of dating apps and prom nights, as well as contemporary issues about women's roles in the home, and gender identity. Cinderella's cultural translation is seen through the contributors' international perspectives: from Irish folklore to the Colombian Cenicienta costeña (Cinderella of the coast) and Spanish literary history. Its transdisciplinarity ranges from fashion in Charles Perrault and the Brothers Grimm's publications to a comparison of Cinderella and Galatea on film, and essays on British authors Nancy Spain, Anne Thackeray Ritchie and Frances Hodgson Burnett. My Fair Lady Oxford University Press Daniel Karlin has selected poetry written and published during the reign of Queen Victoria, (1837-1901). Giving pride of place to Tennyson, Robert Browning, and Christina Rossetti, the volume offers

generous selections from other major poets such as Arnold, Emily Bronte, Hardy and Hopkins, and makes room for several poem-sequences in their entirety. It is wonderful, too, in its discovery and inclusion of eccentric, dissenting, un-Victorian voices, poets who squarely refuse to 'represent' their period. It also includes the work of Elizabeth Barrett Browning, George Meredith, James Thomson and Augusta Webster. *Home* Rowman & Littlefield A collection of 100 postcards, each featuring a different and iconic Penguin book jacket. From classics to crime, here are over seventy years of quintessentially British design in one box. In 1935 Allen Lane stood on a platform at Exeter railway station, looking for a good book for the journey to London. His disappointment at the poor range of paperbacks on offer led him to found Penguin Books. The quality paperback had arrived. Declaring that 'good design is no more expensive than bad', Lane was adamant that his Penguin paperbacks should cost no more than a packet of cigarettes, but that they should always look distinctive. Ever since then, from their original - now world-famous -

look featuring three bold horizontal stripes, through many different stylish, inventive and iconic cover designs, Penguin's paperback jackets have been a constantly evolving part of Britain's culture. And whether they're for classics, crime, reference or prize-winning novels, they still follow Allen Lane's original design mantra. Sometimes, you definitely should judge a book by its cover.

The Bookseller Longman

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of

unforgettable character and courage.
[To Broadway, To Life!](#) National Geographic Books

The common lament was Broadway will never be the same! when My Fair Lady finally ended its stellar run the night of Sunday, September 30, 1962. Millions of people had seen the show over six years and had helped break box-office records, even though Rex Harrison, Julie Andrews, Stanley Holloway, and Robert Coote did not stay with the cast throughout the six-year run. MyFair Lady used the substance and wit of George Bernard Shaw to add a new dimension to the Broadway libretto.

[My Fine Fellow](#) Penguin UK

A consumer's guide to iconic celebrity and ageless glamour "Strikingly original, wickedly witty, and thoroughly learned, Roach's anatomy of abnormally interesting people and the vicarious pleasure we take in our modern equivalents to gods and royals will captivate its readers from the first page. I dare you to read just one chapter!" —Felicity Nussbaum, University

of California, Los Angeles "It considers the effect that arises when spectacularly compelling performers and cultural fantasy converge, as in the outpouring of public grief over the death of Princess Diana. . . . An important work of cultural history, full of metaphysical wit . . . It gives us a fresh vocabulary for interpreting how after-images endure in cultural memory."

—Andrew Sofer, Boston College "Joseph Roach's enormous erudition, sharp wit, engaging style, and gift for finding the most telling historical detail or literary quote are here delightfully applied to the intriguing subject of why certain historical and theatrical figures have possessed a special power to fascinate their public."

—Marvin Carlson, Graduate Center, City University of New York That mysterious characteristic "It"—"the easily perceived but hard-to-define quality possessed by abnormally interesting people"—is the subject of Joseph Roach's engrossing new book, which crisscrosses centuries and continents with a deep playfulness that entertains while it enlightens. Roach

traces the origins of "It" back to the period following the Restoration, persuasively linking the sex appeal of today's celebrity figures with the attraction of those who lived centuries before. The book includes guest appearances by King Charles II, Samuel Pepys, Flo Ziegfeld, Johnny Depp, Elinor Glyn, Clara Bow, the Second Duke of Buckingham, John Dryden, Michael Jackson, and Lady Diana, among others.

[Musical Theatre](#) Routledge

The most ambitious and personal account ever written about Hollywood's most gracious star-Audrey Hepburn by Barry Paris is a "moving portrayal" (The New York Times Book Review) that truly captures the woman who captured our hearts... With the insights of family and friends who never before spoke to a Hepburn biographer-and never-before-published photographs-Paris has created an in-depth portrait of the actress, from her childhood in Nazi-occupied Europe, through her legendary career, and into her UN ambassadorship.
