Worship Destiny Image

Few books on
episcopacy deal with
the inner life or
practical problems of
being a bishop, but this
volume gives an inside

view. It describes the
initial challenge of
adjusting to a new role
with little preparation,
and indicates the main
ongoing pressures.
This account combines
personal experience
with theological
reflection. Convinced
that being comes
before doing, David
Tustin first considers
vital elements in the
bishop's personal way

of life: inner life, outer lifestyle, home and hospitality, and careful use of time. The rationale of what bishops actually do is then examined in seven key areas, together with suggestions about translating ideals into reality: teamwork; caring for people within and beyond the church; conducting worship; spreading the Christian message; sending new ministers; building bridges in society and within the church; fostering visible Christian unity. Emphasis is laid on bishops sharing their ministry with others, and reaching out beyond the church. This book offers examples of good practice. It draws together resources useful for new bishops,

including excerpts from classic writers (Gregory the Great and Bernard of Clairvaux) and pointers to an ecumenical range of contemporary material unlikely to be in the hands of most readers. It is relevant to all who share in senior church leadership. A bibliography and index are included. 'The closing section argues that bishops, no less than other ministers, need good initial training, periodic review and continuing professional development. It also looks at how bishops can adjust to active retirement.'

A BEAD AND A PRAYER
introduces Protestants to prayer as a way to connect with God. Readers will explore

the history and art of using beads in prayer, discover ways to pray with beads, and learn how beads can help them deepen their faith, understand Christian beliefs, and listen to God. Instructions for making prayer beads are included. Great for Christians with no experience in using beads for prayer, Sunday school classes, womens groups, prayer groups. Youth and children will also enjoy making prayer beads, led by someone using this book as a guide.

In Peace Let Us Pray
WaterBrook

This paradigm-shifting book helps believers understand the process of being transformed by God's grace and truth, and challenges them to be a part of the process of

discipleship in the lives of their fellow brothers and sisters in Christ.

Counseling One Another biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son—a goal reached through the targeted form of intensive discipleship most often referred to as counseling. All Christians will find *Counseling One Another* useful as they make progress in the life of sanctification and as they discuss issues with their friends, children, spouses, and fellow believers, providing them with a biblical framework for life and one-another ministry in the body of Christ.

Our Membership Vows in the United Methodist

Church Canterbury Press

A resource for both newcomers to the United Methodist Church and those who have been members for decades, *Our Membership Vows* is a wonderful reflection on the vows each member takes upon joining the church. Members make covenant to uphold the vows, and each one is discussed in this easy-to-read booklet. A great gift idea for churches to give to new members.

Creating a Life with

God Kingswood Books

'You'll meet 'traveling companions' from history, like Ignatius and Julian of Norwich-- individuals and groups who illuminate these prayers. You'll discover how classical approaches to God can deepen your prayer life

today. An appendix offers step-by-step instructions for practicing the Jesus Prayer, and the prayer of examen, for walking the labyrinth, praying with your body, and more--whether individually or in a group." -- Back cover
In the Silence of the Heart Oxford University Press

Completing the series, *The Africana Worship Book (Year C)*, offers the same diversity as the past two volumes with all new materials from new and experienced voices. *The Africana Worship Book (Year C)*, contains new calls to worship, liturgies, prayers, litanies, offertory prayers, doxologies, choral readings, creeds, chants, and benedictions. The compilations are

related to Year C of the Revised Common Lectionary. This volume invites the whole church to become open to the fresh movements of God in the midst of corporate worship. The book includes a bound-in CD, making it easy for congregations to reproduce the material for use in worship.

Common Worship: Times and Seasons President's Edition

Xulon Press

"American Methodist Worship is the most comprehensive history of worship among John Wesley's various American spiritual descendents that has ever been written. It will be a foundational book for anyone who wishes to understand how American Methodists have worshipped."

Sacramental Life "This groundbreaking study will help to reshape the way that we think

about early American Methodist worship and how it connects to more recent trends."--
The Journal of Religion
"Karen Westerfield Tucker's exhaustive examination of the history of American Methodist worship may indeed launch a new genre in liturgical historiography: denominational liturgical histories. The genius of this contribution is its comprehensiveness in examining for the first time the worship life of an American ecclesiological tradition."--

Order of Baptism of Children Preaching the Revised Common L
 The Book of Everyday Prayer is for anyone looking to have deeper conversations with God in a busy world. It contains a seven-day read-along guide for praying the hours; dawn, morning, midday, afternoon, evening, and midnight. Within each prayer you'll find Scripture and even song lyrics to help you focus your mind and heart on God. Also included in the book are over 30 prayers for every occasion from cleaning your room to taking a test to fighting with a friend. There are even prayers for difficult times like parents; divorcing or a loved one dying. For those

wanting to dig even deeper still, there is also a quick guide to four ancient, mystical prayer practices that have been used by Christians for centuries; centering prayer, the Jesus Prayer, Lectio Divina, and the Ignatian Examen. Keep The Book of Everyday Prayer on your nightstand to grab whenever you need to pray but can't find the words, slip it into your backpack or purse and take it with you wherever you go, or; if you're a ministry volunteer or leader; use the written prayers for the hours in a prayer service or even on a prayer retreat.
An Invitation to Prayer
 Catholic Book Publishing
 Prayer seems like it should be so simple.

Yet, when it comes to actually praying, so often it feels awkward and complicated. The truth is, prayer is simple. It's like talking. Talking with a good friend. Down-to-earth pastor Adam Weber offers an accessible, hopeful approach to one of life's greatest mysteries: talking with God. Now with a brand new bonus chapter and in paperback. This is a book on prayer for the person who longs to connect with God, but doesn't really know how. It's a book for the person who has a job, family, schedule, kids, deadlines, full inbox, and a million things to do and yet is curious about prayer and talking with God. What does it really look like to pray in the midst of all of life's craziness?

The Africana Worship Book, Year B HarperOne

The prayers compiled in this unique book are gleaned from the rich tradition of Jesuit reflection on the human hunger for God. Hundreds of prayers are included, many written by the most illustrious Jesuits, including Ignatius Loyola, Francis Xavier, Peter Canisius, Gerard Manley Hopkins, and others.

How to Pray Loyola Press

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from

Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts

On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergymen admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues

for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.
