#### Le Figaro Magazine NBM

Lou's school year is off to a rocky start. Her BFF, Mina, won't speak to her, but a new friend, Mary Emily, never shuts up. Lou's mom and her new boyfriend are madly in love, but all their smooching is starting to get on Lou's nerves. Meanwhile, a wrecking ball is smashing down the apartment that used to belong to her beloved Tristan. Lou still has a friend in Paul, if she can just work up the courage to write him a letter. Life was a lot easier when dressing up in her pink princess gown and going to the park for ice cream would solve any problem. Is it any wonder that Lou is down in the dumps?

#### Largo Winch - Volume 18 Anchor

À l'occasion de la sortie de Titeuf le Film, les éditions Glénat ont imaginé une version collector en tirage limité : la couverture ainsi que le dos et la 4e de couverture habillés spécialement pour

Titeuf le film.. Si on est amoureux, il faut mettre sa langue dans la bouche d'une fille et puis tourner dedans (pour chercher quelque chose sûrement)... Si on trouve rien, il faut prendre une pelle et puis on lui roule une pelle (enfin, je crois). Enfant des années 90, Titeuf connaît les joies de l'apprentissage du savoir. Comment marche une Game Boy ? Paul Verlaine est-il un écrivain rigolo ? Pourquoi les filles c'est pas fait pareil que les garçons ?... Le chômage c'est quoi ? Bref, le B.A. BA de l'éducation d'un futur grand petit homme défile en une succession de gags succulents. Grand reporter des cours d'écoles,Zep traque le rire avec un zeste de sensibilité et un soupçon de vacherie.

#### Willies Glénat BD

The most cunning of detectives is also a fox in this suspense laden murder mystery! Is the idyllic animan society all that it seems or are generations of repressed animal instinct exploding to the fore with dire consequences! Murder most foul as Ney Quitso, chief of police is sucked into a dark web of intrigue following the discovery of a mysterious unidentified body. His investigation takes him to the shady back rooms of the criminal underworld in his search for answers to the burning

question, is this a case of cannibalism, the worst crime that can be committed in a society where over centuries base animal instincts have been repressed for the greater good and are considered a crime.

Titeuf est un ethnologue en culotte courte qui passe ses journées à étudier ces tribus énigmatiques que sont les parents, les grands, ou les filles... Or, voilà que son champ d'observation va s'enrichir d'un nouveau phénomène intéressant : un bébé... A première vue, il s'agit de quelque chose de pas très gros, tout rouge, plutôt laid et très bruyant. Un intrus pénible en quelque sorte. Mais alors comment se fait-il que tout le monde le trouve beau, s'extasie devant lui, et qu'il soit devenu l'occupation première des parents ? Est-ce cela le fameux mystère de la vie ? Chaque gag de Titeuf pose un regard complice sur les problèmes de la vie d'un grand petit

enfant qui saute à pieds joints dans cette fin de siècle avec une énergie débordante... Un feu d'artifice de couleur, de dialogue et d'imagination qui a propulsé cette série au rang des best-sellers.

In an equinox, day is as long as night, as if the world found perfect equilibrium between shadow and light, a fleeting equilibrium, similar to the stakes of our human destinies. Segmented into four tableaux for four seasons, unrelated people of all social backgrounds seeking equilibrium cross paths with other solitudes, weaving in and out of one another's lives- all captivated and tormented by the enigmatic meaning of life. Every season has its visual identity and its individual voice, culminating in summer and, possibly, an answer. Equinoxes is a unique ground-breaking work of rare intensity and narrative sensibility by a rising bestselling star of European comics.

Melusine decides to make love potions, but she'd better be careful: one too many drops of libidinous toad's saliva and the potion will be explosive; minus three hairs off an enamoured bat and the charming prince will become a hideous monster.

Sánchez!

*King of the Flies* Glénat BD

Retour à la structure d'un gag par page pour ce nouvel opus. Avec la même ingénuité, source de sourires et de délicieux quiproquos, Titeuf observe le monde qui l'entoure, en prise directe avec l'actualité. Et cette fois-ci, il y a un grand chambardement dans le quotidien de Titeuf et de sa famille, mais aussi dans sa classe... Bref, Titeuf va avoir l'occasion de se rendre compte que les copains, c'est hyper méga important !

Meet the new Lou! She's thirteen years old, so it's time to stop mooning over the guy who used to be the guy next door. Instead she's heading for a dreamy seaside village with her friends Mina, Mary Emily, and Karen. Let the boy hunt begin! But the first cute boy she spots is Tristan, the guy next door himself! It's the perfect opportunity to rekindle their romance. So why is Lou giving Tristan the cold shoulder? And why can't Tristan strike up a conversation that doesn't end with his foot in his mouth? It doesn't help that Mary Emily is making the moves on Tristan herself. And things get really messy when Lou's mom shows up with a surprise: Lou's old pal Paul! But Paul is just a friend, nothing more, right?

Who's afraid of the Big Bad Fox? No one, it seems. The fox dreams of being the terror of the

barnyard. But no one is intimidated by him, least of all the hens—when he picks a fight with one, he always ends up on the losing end. Even the wolf, the most fearsome beast of the forest, can't teach him how to be a proper predator. It looks like the fox will have to spend the rest of his life eating turnips. But then the wolf comes up with the perfect scheme. If the fox steals some eggs, he could hatch the chicks himself and raise them to be a plump, juicy chicken dinner. Unfortunately, this plan falls apart when three adorable chicks hatch and call the fox Mommy. Beautifully rendered in watercolor by Benjamin Renner, *The Big Bad Fox* is a hilarious and surprisingly tender parable about parenthood that's sure to be a hit with new parents (and their kids too).

*Man in Furs* Cinebook

"A billion husbands are about to be replaced." From the author of *Fight Club*, the classic portrait of the damaged contemporary male psyche, now comes this novel about the apocalyptic marketing possibilities of a new product that gives new meaning to the term "self-help." Penny Harrigan is a low-level associate in a big Manhattan law firm with an apartment in Queens and no love life at all. So it comes as a great shock when she finds herself invited to dinner by one C. Linus Maxwell, a software mega-billionaire and lover of the most gorgeous and accomplished women on earth. After dining at Manhattan's most exclusive restaurant, he whisks Penny off to a hotel suite in Paris, where he proceeds, notebook in hand, to bring her to previously undreamed-of heights of gratification for days on end. What's not to like? This: Penny discovers that she is a test subject for the final development of a line of feminine products to be marketed in a nationwide chain of boutiques called Beautiful You. So potent and effective are these devices that women by the millions line up outside the stores on opening day and then lock themselves in their room with them and stop coming out. Except for batteries. Maxwell's plan for battery-powered world domination must be stopped. But how?

Si l'humour est la meilleure défense contre la morosité, alors le nouveau Titeuf est franchement le bienvenu ! Les lecteurs seront ravis de retrouver leur héros dans ce nouveau recueil intitulé judicieusement *Le Sens de la vie*. Cet album voit Titeuf s'interroger, avec une fraîcheur et un ton sans cesse renouvelé, sur le pourquoi de l'existence, plaçant ses questions sur de vertigineuses hauteurs philosophiques : la vie, l'amour, la mort, l'injustice, comme sur de petites choses triviales et quotidiennes, car au fond Titeuf n'a qu'une peur, celle de grandir. Toujours connecté au monde, Zep signe l'un des albums les plus réussis de sa « saga de la cour de récré ». Il délivre une suite de planches mises en cases avec une maîtrise du trait virevoltante ainsi qu'un florilège de situations qui sonnent juste. En cela, Zep est unique.

*Titeuf - Tome 17* Piccadilly Books

And unknown secrets even harder to swallow. Join Sandro, Evan, Frank and JB—four friends separated by time, distance and status—as they explore their history, their lives, and their friendship. This is their story—a story of men.

C'est la jungle ! Titeuf et Manu partent en colo ! Ils auraient préféré aller au camp de jeux vidéo mais bon, il n'y avait plus de place. C'est donc pour le camp du Bois des ours qu'ils prennent le train ! On leur a vendu un grand bol d'air frais et Titeuf le citadin découvre la vie en pleine nature. Préparer à manger, faire de la randonnée et du camping, c'est sympa, mais si c'est pour se faire bouffer le zizi par un loup, faut pô compter sur lui ! Heureusement, il y a les nouveaux copains et copines, une monitrice méga cool et puis en colo, on vit quand même plein d'aventures. On fait de l'escalade, on se baigne dans les rivières et il paraît même qu'on découvre parfois des trésors... Un peu déboussolé, loin du bitume et des klaxons, Titeuf découvre la vie en communauté, les toilettes sèches et le compost. Ça fait beaucoup d'un coup, mais il est pô une mauviette et il est prêt à plonger dans l'enfer vert, peuplé de bêtes sauvages comme... des hérissons, des sauterelles et des moustiques. Un nouveau tome pour une grande aventure dans laquelle la célèbre mèche blonde se frotte à l'écologie, aux nouvelles amitiés et aux amours de vacances !

Jenny and Vicky are super-cute girls - if a little catty - who would do almost anything to be the centre of attention. The third wheel of the group is the too-tall, plain Karine. When a guy named Dan shows interest in Karine, Jenny and Vicky are appalled and will go to any lengths to thwart the competition. An ironic take on chick lit in graphic novel format.

*The Desert of Love (Le Désert de L'amour) [and] The Enemy (Le Mal)* Europe Comics

The daughter of a river god, raised by a human father and bound to a tragic destiny. An African fantasy-adventure graphic novel inspired by the mythology of the Zambezi River and the history of the Kariba Dam, one of the largest dams ever constructed. Siku has always called the Zambezi River her home. She understands the water - and strangely enough, it seems to understand her, too, bending to her will and coming to her aid in times of need. But things are changing on the river - a great dam is being built, displacing thousands of Shonga people - and things are changing in Siku, too, as her ability to manipulate water grows out of control, and visions of a great serpent pull her further from reality and her loving father, Tongai. When Tongai ventures to the Kariba Dam to find a cure for Siku and never returns, she sets off to find him with the help of Amedeo, the young son of Kariba's chief engineer. Together, they traverse elephant graveyards, rugged jungles, and ancient ruins, outrunning pirates, bootleggers, and shape-shifting prophets ready to use Siku to their own advantage. But Siku soon discovers that her father has been shielding a terrible secret: Siku is actually the daughter of the Great River Spirit, Nyaminyami, and the only way to bring about the necessary rumuko - a ritual which has brought balance to the Zambezi for centuries - is for Siku to give up the only life she's ever known. With the future of the Shonga resting on her shoulders, Siku must journey to the source of the river to understand the ancient power hidden within her.
