Clássico mundial da literatura, conheça como a história de Paddington e sua família começou. Brown conheceram um urso nada comum e resolveram chamá-lo de Paddington. Mas ao acolherem-no em sua família, aprendem que até as coisas mais comuns se tornam incríveis aventuras com ele. Um dos

personagens mais amados da literatura, Paddington conquistou gerações de leitores por todo o mundo. Agora, com as vibrantes ilustrações de R. W. Alley e a encantadora narrativa de Michael Bond, é impossível não se encantar com a história original do urso mais educado e divertido de todos.

The circus has come to town! Paddington Bear and the Browns have front-row seats, and they can't wait to see the show. Inside the circus tent there's a ringmaster with a top hat, a very, very tall clown, a band ... and a funny-looking man hanging from a rope above Paddington's head. Always willing to lend a paw, Paddington rushes off to save the trapeze artist. The circus is turned upside-down, but the show must go on - and it does, thanks to a surprise performance by Paddington Bear. Paddington Bear has charmed readers for nearly forty years. Now another generation of fans can join the beloved bear from Darkest Peru on a variety of adventrues written by Michael Bond and beautifully illustrated by artist R.W. Alley.

Here's Paddington once more, just returned from a visit to Darkest Peru and his Aunt Lucy's birthday celebration at the Home for Retired Bears. Now that Paddington is home with the Browns, he's free to cause his usual kind of trouble: dabbling in the stock market, trying a career as a barber, even taking a turn at the ballet. But the promise of international fame doesn't turn this bear's head. Not for long, at least. Indeed, readers will agree, it's far better to be simply a bear called Paddington.
