"There is a
distinguished mind at
work beneath the
totally acceptable
dullness of clerking.
The mind is that of
Pessoa. We must be
given the chance to

learn more about him."-Anthony Burgess, "Observer" Seated at his desk in the Lisbon's Rua dos Douradores, Bernardo Soares, an assistant book-keeper, writes his diary-a self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his everyday life. "This is a prize-winning translation of a classic of existential literature-a book acknowledged by the critics as "the most beautiful diary of the century." Fernando Pessoa grew up in Durban, South Africa, where his stepfather was Portuguese consul. He returned to Lisbon in 1905 and worked as a clerk until his death in 1935.

Denn Liebe wird die

Zeit überwinden. Eifel, 1315. Gero und seine Frau Hannah sind am Ort ihrer Träume angelangt und hoffen auf ein friedliches Leben. Doch ihr Glück währt nur für kurze Zeit: Die Truppen der Heiligen Inquisition sind Gero auf der Spur und verlangen seine Auslieferung. Doch nicht nur sein Leben ist in Gefahr, sondern auch das machtvolle Geheimnis der Templer scheint nicht mehr sicher. Seine Entdeckung droht die Menschheit an den Abgrund zu führen. Aber kann Gero den Schatz der Templer schützen, ohne alles zu verlieren, was ihm wichtig ist? Eine packende Zeitreisegeschichte und die spektakuläre Jagd nach dem machtvollsten

Geheimnis der Templer. Für alle Fans der TV-Serien "Knightfall" und "Outlander".

Abaellino: the Great Bandit New Vessel Press

#1 New York Times Bestseller Edith Hahn was an outspoken young woman in Vienna when the Gestapo forced her into a ghetto and then into a slave labor camp. When she returned home months later, she knew she would become a hunted woman and went underground. With the help of a Christian friend, she emerged in

Munich as Grete Denner. There she met Werner Vetter, a Nazi Party member who fell in love with her. Despite Edith's protests and even her eventual confession that she was Jewish, he married her and kept her identity a secret. In wrenching detail, Edith recalls a life of constant, almost paralyzing fear. She tells how German officials casually questioned the lineage of her parents; how during childbirth she refused all painkillers, afraid that in an altered state of mind she might reveal something of her past; and how, after her husband was captured by the Soviets, she was bombed out of her house and had to hide while drunken Russian soldiers raped women

on the street. Despite the risk it posed to her life, Edith created a remarkable record of survival. She saved every document, as well as photographs she took inside labor camps. Now part of the permanent collection at the Holocaust Memorial Museum in Washington, D.C., these hundreds of documents, several of which are included in this volume, form the fabric of a gripping new chapter in the history of the Holocaust—complex, troubling, and ultimately triumphant. *A Dark Kiss of Rapture* Aufbau Digital
An electrifying thriller from #1 New York Times bestselling author and “Queen of Suspense” Mary Higgins Clark! When investigative journalist

Gina Kane receives an email from a “CRyan” describing her “terrible experience” while working at REL, a high-profile television news network, Gina knows she has to pursue the story. But when Ryan goes silent, Gina is shocked to discover the young woman has died tragically in a jet ski accident while on holiday. Meanwhile, REL counsel Michael Carter finds himself in a tricky spot as several more female employees have come forward with allegations of sexual misconduct. Carter approaches the CEO, offering to persuade the victims to accept settlements in exchange for their silence. It’s a risky endeavor, but it could well make him rich. As more allegations

emerge, Carter’s attempts to keep the story from making headlines are matched only by Gina Kane’s determination to uncover the truth. Was Ryan’s death truly an accident? And when another accuser turns up dead, Gina realizes someone—or some people—will go to depraved lengths to keep the story from seeing the light. “Clark’s usual mixture now updated, with surprising and welcome assurance, for a new generation of imperiled women” (Kirkus Reviews).

The Last Templar

Penguin

From the best-selling author of *The Hangman's Daughter*, a historical thriller set in contemporary Bavaria, about Ludwig II's mysterious death

and the long-lost diary that could unlock its secrets.

Say Nothing

Transaction Publishers
The pontificate of Clement VII (Giulio de' Medici) is usually regarded as amongst the most disastrous in history, and the pontiff characterized as timid, vacillating, and avaricious. It was during his years as pope (1523-34) that England broke away from the Catholic Church, and relations with the Holy Roman Emperor deteriorated to such a degree that in 1527 an Imperial army sacked Rome and imprisoned the pontiff. Given these spectacular political and military failures, it is perhaps unsurprising that Clement has often elicited the scorn of historians, rather than

balanced and dispassionate analysis. This interdisciplinary volume, the first on the subject, constitutes a major step forward in our understanding of Clement VII's pontificate. Looking beyond Clement's well-known failures, and anachronistic comparisons with more 'successful' popes, it provides a fascinating insight into one of the most pivotal periods of papal and European history. Drawing on long-neglected sources, as rich as they are abundant, the contributors address a wide variety of important aspects of Clement's pontificate, re-assessing his character, familial and personal relations, political strategies, and cultural patronage, as well as exploring

broader issues including the impact of the Sack of Rome, and religious renewal and reform in the pre-Tridentine period. Taken together, the essays collected here provide the most expansive and nuanced portrayal yet offered of Clement as pope, patron, and politician. In reconsidering the politics and emphasizing the cultural vitality of the period, the collection provides fresh and much-needed revision to our understanding of Clement VII's pontificate and its critical impact on the history of the papacy and Renaissance Europe.

Hawk Quest Penguin
The surrender of Nazi Germany in 1945 marked the end of an

epoch during which anti-Semitism escalated into genocide. In the immediate aftermath of World War II, Nazi racist ideology was discredited morally and politically, and the Allied occupation forces prohibited its dissemination in public. However, there was no overnight transformation of individual anti-Semitic attitudes among the public at large. Most surveys conducted since 1946 have confirmed the persistence of massive anti-Semitism in Germany both in the democratic West and the communist East. Based on all empirical survey data available up to now, this volume offers a thorough comparative analysis of anti-Semitism in

Germany, and in particular its resurgence with the rise of right-wing extremism since unification. Anti-Semitism in Germany reflects a historically unique opportunity to compare the attitudes of two population groups that shared a common history up to 1945 and then lived under differing political conditions until 1989. The authors find distinct generational patterns in the survival and development of anti-Semitic attitudes. In the Federal Republic hostility towards Jews was more manifest among those who had been socialized to it under the Weimar Republic and Third Reich but less prevalent in subsequent generations. In

contrast the authors show younger East Germans as more susceptible to anti-Semitism. The economic and cultural crises of reunification underwrote the strident anti-Zionism of the former communist regime. The authors also explore the anti-Semitic component of the recent wave of xenophobic violence and the disturbing rise of neo-Nazi political activity. This volume is especially noteworthy in its examination of a "secondary" anti-Semitism closely tied to the issue of coming to terms with the Nazi past. The motives behind persisting anti-Semitism can no longer be attributed to ethnic conflict, but go to the core discrepancy between wanting to forget and being

reminded. The authors consider this phenomenon within the framework of current German political culture. In its comprehensiveness and methodological sophistication, *Anti-Semitism in Germany* is a major contribution to the literature on modern anti-Semitism and ethnic prejudice. It will be read by historians, political scientists, sociologists, and Jewish studies specialists.

The Nazi Officer's Wife
New Vessel Press

On a normal Wednesday afternoon, Judge Scott Sampson is preparing to pick up his six-year-old twins for their weekly swim. His wife Alison texts him with a change of plan: she has to take them to the doctor instead. So Scott heads home

early. But when Alison arrives back later, she is alone - no Sam, no Emma - and denies any knowledge of the text .

. The phone then rings: an anonymous voice tells them that the Judge must do exactly what he is told in an upcoming drug case and, most importantly, they must 'say nothing'. So begins this powerful, tense breakout thriller about a close-knit young family plunged into unimaginable horror.

As a twisting game of cat and mouse ensues, they know that one false move could lose them their children for ever. Hugely suspenseful - with its fascinating insight into the US judicial system and its politics of influence and nepotism - *Say Nothing* is, above all, the poignant story

of the terror these
parents face, and their
stop-at-nothing
compulsion to get their
children back.

Bevölkerungsumfrage
der
Sozialwissenschaften
(ALLBUS) 1998 wird in
den Beiträgen des
Bandes ein breites
Spektrum
unterschiedlicher
Formen politischer
Beteiligung analysiert:
von der Teilnahme an
Wahlen über
parteibezogene
Partizipation und
politisches
Protestverhalten bis zu

gewalttätigen
politischen
Handlungen.
Verschiedene
theoretische Modelle
zur Erklärung
politischer Partizipation
werden dabei
herangezogen.
Daneben wird in
einzelnen Beiträgen
gezielt die Rolle
spezifischer
Determinanten
politischer Beteiligung -
wie z.B. der
Mediennutzung -
untersucht. Wie läßt
sich die Beteiligung an
Wahlen erklären, wenn
doch die eigene
Stimme kaum einen
Einfluß auf den
Wahlausgang hat? Was
sind die Ursachen für
das geringere
politische Engagement
von Frauen im
Vergleich zu Männern?
Welche Rolle spielt die
Mitgliedschaft in
Organisationen und

Vereinen für das politische Teilnahmeverhalten? Diese und weitere Fragen werden in dem vorliegenden Buch behandelt.

The Pontificate of Clement VII Penguin UK From New York Times bestselling author Raymond Khoury comes a “a full-throttle action-adventure thriller” (Library Journal) that’s even more shocking and explosive than *The Last Templar... Constantinople, 1203: As the ravaging armies of the Fourth Crusade lay siege to the city, a secretive band of Templars infiltrate the imperial library. Their target: a cache of documents that must not be allowed to fall into the hands of the Doge of Venice. They escape with three*

heavy chests, filled with explosive secrets that these men will not live long enough to learn... Vatican City, present day: FBI agent Sean Reilly infiltrates the Pope’s massive Vatican Secret Archives of the Inquisition. No one but the Pope’s trusted secondi is allowed in—but Reilly has earned the Vatican’s trust, a trust he has no choice but to violate. A vicious, uncompromising terrorist bent on revenge has kidnapped Tess Chaykin, and the key to her freedom lies in this underground crypt, in the form of a document known as the Fondo Templari—the secret history of the infamous Templars... [The Da Vinci Code \(Abridged Edition\)](#)

HarperCollins Australia
While on a visit to the United States, Pope Pius XIII is kidnapped by a terrorist cell calling itself the Soldiers of Islam. If the United States and its allies do not meet their demands, they will execute the pope. So when FBI Specialist Shari Cohen is called to duty to track down the terrorist cell responsible, she learns that she is not alone. Deep behind the Vatican walls a secret order dispatches a clandestine op group of elite commandos known as the Vatican Knights. Their mission: bring the pope back alive. As Cohen and the Knights work in tandem they uncover a White House conspiracy involving high-ranking members on Capitol Hill. When

she begins to get too close to the truth about the pope's kidnapping, she becomes the target of indigenous forces trying to keep the conspiracy safe. However, in order to get to her they must go through the Vatican Knights.

The Templar Salvation
Penguin

"In the honorable vein of elegant, gentleman thieves, comes Allmen, the colorful protagonist of Suter's beautifully observed, deliciously fun novel" (Noah Charney, author of *The Museum of Lost Art*). Johann Friedrich von Allmen, a bon vivant of dandified refinement, has exhausted his family fortune. Forced to downscale, Allmen inhabits the garden house of his former Zurich estate, attended by his Guatemalan

butler, Carlos. When not reading novels by Balzac and Somerset Maugham, he plays jazz on a Bechstein baby grand. Allmen's fortunes take a sharp turn when he meets Jojo, a stunning blonde whose lakeside villa contains five Art Nouveau bowls created by renowned French artist Émile Gallé and decorated with a dragonfly motif. Allmen, seeking to pay off mounting debts, absconds with the priceless bowls and embarks on a high-risk, potentially violent bid to cash them in. This is the first of a series of humorous, fast-paced detective novels devoted to a memorable gentleman thief who, with his trusted sidekick, Carlos, creates an investigative firm to

recover missing precious objects. "A rollicking good time . . . Bestselling Swiss author Martin Suter may have a classic on his hands in this contemporary crime novel, the first of a series featuring the memorable character of Johann Friedrich von Allmen, gentleman thief." —The Winnipeg Free Press "Suter combines sleight-of-hand suspense with stunning art and slightly worn Old World elegance to create a smartly entertaining read . . . A classy puzzler." —Library Journal "The dark charms of Suter's novel are irresistible from the first pages." —Joshua Max Feldman, author of *Start Without Me* *The Vatican Knights* Routledge Convergence has

gained an enormous amount of attention in media studies within the last several years. It is used to describe the merging of formerly distinct functions, markets and fields of application, which has changed the way companies operate and consumers perceive and process media content. These transformations have not only led business practices to change and required companies to adapt to new conditions, they also continue to have a lasting impact on research in this area. This book's main purpose is to shed some light on crucial phenomena of media and convergence management, while also addressing more specific issues brought about by innovations

related to media, technologies, industries, business models, consumer behavior and content management. This book gathers insights from renowned academic researchers and pursues a highly interdisciplinary approach. It will serve as a valuable reference guide for students, practitioners and researchers interested in media convergence processes.

The Hangman's Revolution (W.A.R.P. Book 2) McFarland
When a \$30 million diamond disappears, the gentleman P.I. embarks on an adventure across Europe in this "delightfully quirky and original" mystery (Peter James, author of *Dead Simple*). A rare pink diamond recently

sold at auction has gone missing, and gentleman thief turned private detective Johann Freidrich von Allmen cannot resist the case—even if his butler and business partner Carlos de Leon has his reservations. With suspicion falling on a man named Artyom Sokolov, Allmen and de Leon embark from London to Zurich in search of the mysterious Russian. Soon the two discover that they are up against a conspiracy far more complex and dangerous than they suspected. And as amorous adventures and diverting mishaps litter their path through Europe's high society, Allmen and de Leon get closer to uncovering a high-tech plot to manipulate global financial

markets.

Lindhardt og Ringhof
The peace of Westphalia constituted a watershed in early modern history. It guided a number of political, territorial, and legal decisions that determined the internal politics of the Holy Roman Empire and the international landscape. This work provides an insight into the Peace of Westphalia.

Allmen and the Pink Diamond

Harper Collins
The Government of Florence Under the Medici 1434-1494
investigates the ways

in which the Medici established and exercised their authority. Although de facto rulers of Florence, they wielded their power within the structure of the Florentine constitution and enjoyed no political rights and privileges denied to other prominent citizens. Nicolai Rubinstein examines the complex system of controls which the Medici gradually created to secure and increase their ascendancy, and throws fresh light on the personalities and groups supporting the Medici regime, as well as on the surviving republican opposition. In this second edition, Professor Rubinstein has taken account of the many important studies on fifteenth-

century Florence, in particular on Lorenzo and his age, that have appeared since the publication of the first edition over thirty years ago. He has added an essay on the techniques by which a number of important administrative offices were subjected to electoral controls before and after the establishment of the Medici regime, and also added a brief account of the procedures of the council of Seventy of 1480, as well as a list of its members in 1489. The reorganization of the Archivio delle Tratte has necessitated the revision of every single reference to what is by far the largest group of sources on which this book is based. Reviews of the first edition:

'The importance of the theme need not be laboured. Florence is the most interesting of all proto-democracies, the Medici among the most intriguing of all dynasties (especially before they became dynasts).' Times Literary Supplement 'a fundamental contribution to Florentine history, which will be used as a source by historians for many years to come.' British Book News 'an extremely important and useful book.' Philosophical Studies

The Ludwig

Conspiracy Vintage

The first thrilling novel in Raymond Khoury's New York Times bestselling Templar series. In 1291, a young Templar knight flees the fallen holy land in a hail of fire and flashing sword,

setting out to sea with a mysterious chest entrusted to him by the Order's dying grand master. The ship vanishes without a trace. In present day Manhattan, four masked horsemen dressed as Templar Knights stage a bloody raid on the Metropolitan Museum of Art during an exhibit of Vatican treasures. Emerging with a strange geared device, they disappear into the night. The investigation that follows draws archaeologist Tess Chaykin and FBI agent Sean Reilly into the dark, hidden history of the crusading knights—and into a deadly game of cat and mouse with ruthless killers—as they race across three continents to recover the lost secret of the Templars.

The Government of Florence Under the Medici (1434 to 1494) Springer-Verlag
The second volume in the internationally bestselling Brethren trilogy, *Crusade* is gripping historical fiction that “grows more relevant by the day” (Raymond Khoury, bestselling author of *The Last Templar*) An international bestseller, *Crusade* is a fast-paced medieval adventure portraying the rising tide of political pressures that led East and West to war in the 13th century. After years of bloodshed, peace finally reigns in the Middle East, in part due to the efforts of Will Campbell and a mysterious group known as the Brethren. However, a cabal of

ruthless Western merchants aims to reignite war in the Holy Land, while Prince Edward—once a trusted member of the Brethren—has made a promise to the pope: he will take the Cross to Jerusalem and lead a new crusade. To survive the escalating conflict and protect his family, Will must harness all his knowledge and courage.
Crusade Ivy Books
Indulge with this irresistible Christmas romance by USA Today bestselling author Sarah Morgan! Once upon a time Kayla loved Christmas... Now she's more dedicated to her job than decking the hall, until she arrives at the enchanting Snow Crystal ski resort, determined to win
