easy access to further information on the topics covered in the series.

DC SUPER HEROES: MY FIRST BOOK OF GIRL POWER New Saraswati House India Pvt Ltd

A playbook for working with and training girls to be activists of their own social movements Drawing from a diverse collection of interviews with women and girl activists, Powered by Girl is both a journalistic exploration of how girls have embraced activism and a guide for adults who want to support their organizing. Here we learn about the

intergenerational support behind thirteen-year-old Julia Bluhm when she got Seventeen to go Photoshop free; nineteen-year-old Celeste Montaño, who pressed Google to diversify their Doodles; and sixteen-year-old Yas Necati, who campaigns for better sex education. And we learn what experienced adult activists say about how to scaffold girls' social-change work. Brown argues that adults shouldn't encourage girls to "lean in." Rather, girls should be supported in creating their own movements—disrupting the narrative, developing their own ideas—on their own terms.

The 48 Laws of Power John Wiley & Sons
In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand,

content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Complete Idiot's Guide to Raising Girls Nelson Thornes

This bibliographic guide covers the "Buffyverse"—the fictional worlds of the acclaimed television series Buffy the Vampire Slayer (1997–2003) and its spinoff Angel (1999–2004), as well as the original Buffy feature film of 1992. It is the largest and most inclusive work of its kind. The author organizes and describes both the original texts of the Buffyverse (episodes, DVDs, novels, comic books, games, and more) and the secondary materials created about the shows,

including books, essays, articles, documentaries, dissertations, fan production and websites. This vast and diverse collection of information about these two seminal shows and their feature-film forebear provides an accessible, authoritative and comprehensive survey of the subject.

Friends Andrea, Emma, Mia, Stephanie, and Olivia compete to appear on the popular television show "Girl Power" by showcasing their appreciation of Heartlake City.

The Purpose of Boys Elj Editions

#1 NEW YORK TIMES BESTSELLER "A haunting, beautiful, and necessary book."—Nicola Yoon, #1 New York Times bestselling author of Everything,

Everything Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real

and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

Power Play State University of New York Press

Teaches parents of young girls what they need to know from birth to college, including advice and information on school, discipline, puberty, friends, boys, and other essential topics.

THE INSTANT NEW YORK TIMES

BESTSELLER! Starred reviews from

Kirkus Reviews * Publishers Weekly *

Library Journal Named a "Must-Read" by

TODAY, Us Weekly, Bustle, BuzzFeed,

Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of *Roomies*. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for

wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in

love.

The Buffyverse Catalog Macmillan
A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER
An intimate, powerful, and galvanizing memoir by Pulitzer Prize winner, human rights advocate, and former US Ambassador to the UN Samantha Power. Named one of the best books of the year: The New York Times • National Public Radio • Time • The Economist • The Washington Post • Vanity Fair • Christian Science Monitor • Publishers Weekly • Audible "Her highly personal and reflective memoir . . . is a must-read for anyone who cares about our role in a changing world."—President Barack Obama Includes an updated afterword Tracing her distinctly American journey from immigrant to war correspondent to

presidential Cabinet official, Samantha Power's acclaimed memoir is a unique blend of suspenseful storytelling, vivid character portraits, and shrewd political insight. After her critiques of US foreign policy caught the eye of Senator Barack Obama, he invited her to work with him on Capitol Hill and then on his presidential campaign. When Obama won the presidency, Power went from being an activist outsider to serving as his human rights adviser and, in 2013, becoming the youngest-ever US Ambassador to the United Nations. Power transports us from her childhood in Dublin to the streets of war-torn Bosnia to the White House Situation Room and the world of high-stakes diplomacy, offering a compelling and deeply honest look at navigating the

halls of power while trying to put one's ideals into practice. Along the way, she lays bare the searing battles and defining moments of her life, shows how she juggled the demands of a 24/7 national security job with raising two young children, and makes the case for how we each can advance the cause of human dignity. This is an unforgettable account of the power of idealism—and of one person's fierce determination to make a difference. "This is a wonderful book. [...] The interweaving of Power's personal story, family story, diplomatic history and moral arguments is executed seamlessly and with unblinking honesty."—THOMAS L. FRIEDMAN, *The New York Times Book Review* "Truly engrossing...A pleasure to read."—RACHEL MADDOW "A beautiful

memoir about the times we're living in and the questions we must ask ourselves...I honestly couldn't put it down." —CHERYL STRAYED, author of *Wild* "Power's compelling memoir provides critically important insights we should all understand as we face some of the most vexing issues of our time." —BRYAN STEVENSON, author of *Just Mercy*

Whatever is Lovely Univ of Wisconsin Press

"Molfino explores female empowerment in her zesty debut. Women searching for ways to increase their self-worth and confidence will find many gems."

—Publishers Weekly *Women: it's time to break the good girl myths that are holding you back and share your true gifts with this groundbreaking book from*

Stanford University-trained designer and women's leadership expert Majo Molfino. For thousands of years, women have been taught to be "good" instead of powerful. But when we embody the good girl, we hold back their voices and gifts in a world that desperately needs female perspectives. Drawing on countless coaching sessions and conversations with female leaders, Majo identifies five self-sabotaging tendencies ("the five Good Girl Myths") every woman must overcome to unleash her power and design a more purposeful life: The Myth of Rules The Myth of Perfection The Myth of Logic The Myth of Harmony The Myth of Sacrifice While there are many women's leadership books, Majo uses her knowledge and training in design thinking (which is used by the world's

most innovative people and companies) to help you build creative confidence and break free from these disempowering myths once and for all. Discover how each myth negatively affects your relationships, career, and well-being and identify your primary good girl myth—the blindspot that’s zapping most of your power as a creative badass. “An elegant, powerful framework for female liberation.” —Amber Rae, author of *Choose Wonder over Worry* “Smart, empowering, and practical . . . guides you in creating a better future for yourself—and the planet.” —BJ Fogg, PhD, New York Times–bestselling author

The Education of an Idealist Penguin
Offers practical advice to parents concerned about self-esteem in their

daughters.

Break the Good Girl Myth Scholastic Paperbacks

A text book on Social

Gay Girl, Good God Routledge

Abby and the rest of her friends go international as they embark on their first “official” Center mission in this second book in the Mrs. Smith’s Spy School for Girls series. After discovering the truth about her spy school/boarding school—and her super-spy mom—Abby Hunter is ready for her next adventure,

but what's about to happen is something she never would have guessed... Everyone at The Smith School is obsessed with Monster Mayhem, the latest reality video game craze. But when Drexel Caine, the mastermind behind the game, is suddenly kidnapped, it becomes clear that the kidnapers are playing for more than just special badges. After Drexel's son—who is Abby's friend, Toby—receives a cryptic message, Abby and her friends discover the kidnapping is part of a bigger scheme that could take down The Center for good. With the help of Abby's frenemy (and reluctant mentor), Veronica Brooks, the group tackles their first official Center Mission. They tangle with the world's most notorious hacker, get in trouble for the possible theft of

the Mona Lisa, and prepare for the ultimate showdown in London. But not before they have to contend with one more hurdle: the agonizing Smith School Spring Formal. Along the way, they discover they are much stronger as a team than they can ever be alone. And with a little luck, they might just save the world.

Sometimes I Lie Zonderkidz
Mingling God and Mammon, piety and polemics, and prescriptions for this world and the next, modern Americans have created a culture of print that is vibrantly religious. From America's beginnings, the printed word has played a central role in articulating, propagating, defending, critiquing, and sometimes attacking religious belief. In the last two centuries the United States has become

both the leading producer and consumer of print and one of the most identifiably religious nations on earth. Print in every form has helped religious groups come to grips with modernity as they construct their identities. In turn, publishers have profited by swelling their lists with spiritual advice books and scriptures formatted so as to attract every conceivable niche market. *Religion and the Culture of Print in Modern America* explores how a variety of print media—religious tracts, newsletters, cartoons, pamphlets, self-help books, mass-market paperbacks, and editions of the Bible from the King James Version to contemporary “Bible-zines”—have shaped and been shaped by experiences of faith since the Civil War. Edited by Charles L. Cohen and Paul S. Boyer,

whose comprehensive historical essays provide a broad overview to the topic, this book is the first on the history of religious print culture in modern America and a well-timed entry into the increasingly prominent contemporary debate over the role of religion in American public life. Best Books for General Audiences, selected by the American Association of School Librarians, and Best Books for Regional Special Interests, selected by the Public Library Association

Women Warriors for Allah Three Rivers Press (CA)

The final and conclusive book in the groundbreaking series on boys and their development In this climax to his series of landmark books about boys, Michael Gurian offers a powerful new program to

help us give our sons a core purpose—a program based on building morality, character, career goals, the ability to form intimate relationships, selflessness, personal and community responsibility, and an accelerated process of developmental maturity. Gurian reveals how important purpose is for the success and happiness of boys and explains how a boy's core personality, nature, and genetic predisposition functions to create both strengths and weaknesses in their journey towards maturity. Includes an innovative program for support and interventions according to the unique needs, weaknesses, and strengths of each individual young man. This book is the follow-up to Gurian's bestselling *The Minds of Boys* Draws on the latest science and field research on how boys

develop neurologically Gurian explores the unique issues boys must confront, and shows how their strategy for moral development and success in life is predicated on their nature and genetic predispositions.

Lights, Camera, Girl Power! VNR AG

In Reel to Real, Hooks enhances our visual experience of movies, enabling us to see in a new way. Her work, like the best films of our time, provokes thought and creates a context for dialogue.

The Unhoneymooners Delacorte Press
ALICE FEENEYS NEW YORK TIMES AND INTERNATIONAL BESTSELLER “Boldly plotted, tightly knotted—a provocative true-or-false thriller that deepens and darkens to its ink-black finale.

Marvelous.” —AJ Finn, author of *The Woman in the Window* My name is

Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Homework and Assessment Ember
A celebration of girl power for budding super heroines featuring beloved DC

characters from Wonder Woman to Batgirl. Exploring attributes from physical strength to intuition, this introduction to DC's super heroines is also a catalog of role models for little girls. From Wonder Woman's ability to find the truth to Black Canary's powerful voice to Batgirl's keen mind, readers will find much to admire. Cool, classic art makes for a fun, colorful package.

Girl Talk Profile Books

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control. This is the only authorized hardcover edition in the US. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert

Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28:

Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
