MOONEY GOODMAN

The Immortals Sole Books

This book gives you a rare opportunity to use Pep Guardiola's Practices and learn from one of the best coaches in the history of football. The 88 Attacking Combinations and Attacking Positional Patterns of Play included are taken direct from Pep Guardiola's training sessions at Manchester City, Bayern Munich and FC Barcelona.

Go Pro Simon and Schuster

Pep Guardiola and Jose Mourinho are probably the two best coaches in the world. But they are not just coaches, there is much more to them than that. There are already dozens of books about their tactics and training methods. Instead, this book explains why they are different from all others from the perspective of their leadership, communication, emotional intelligence, talent and team management. These factors make the difference between winners and losers.

The Expected Goals Philosophy Birlinn Ltd

Colombia's status as the fourth largest nation in Latin America and third most populous—as well as its largest exporter of such disparate commodities

as emeralds, books, processed cocaine, and cut flowers—makes this, the first history of Colombia written in English, a much-needed book. It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes—a country where military dictators are virtually unknown, where the political left is congenitally weak, and where urbanization and industrialization have spawned no lasting populist movement. There is more to Colombia than the drug trafficking and violence that have recently gripped the world's attention. In the face of both cocaine wars and guerrilla conflict, the country has maintained steady economic growth as well as a relatively open and democratic government based on a two-party system. It has also produced an impressive body of art and literature. David Bushnell traces the process of state-building in Colombia from the struggle for independence, territorial consolidation, and reform in the nineteenth century to economic development and social and political democratization in the twentieth. He also sheds light on the modern history of Latin America as a whole.

Football Against the Enemy Penguin

By comparing Spanish artist Joan Miro's finished paintings and sculptures with more than 1200 of his sketches and preparatory studies, Gimferrer places Miro's art in a surprising new perspective. Marvelously illustrated with 285 radiant color plates and 1276 in black-and-white, this intensive analysis of Miro's creative process explains how he would first isolate some element from the teeming outside world, then incorporate a graphic sign into it, thus setting in motion a transfigurative process in which objects, signs and symbols underwent a constant metamorphosis. In placing Miro's preliminary drawings alongside the pictures to which they gave rise, Spanish poet and art critic Gimferrer illuminates the inner alchemy by which Miro

discovered his major motifs and set them loose in a free-floating pictorial universe.

The Storyteller Penguin

In his memoir, written with award-winning journalist John Carlin, tennis star Rafael Nadal reveals the secrets of his game and shares the inspiring personal story behind his success. What makes a champion? What does it take to be the best in the world at your sport? Rafael Nadal has the answers. It begins in Mallorca, where the tight-knit Nadal family has lived for generations. Coached by his uncle Toni from the age of four and taught humility and respect by his parents, Nadal has managed the uncommon feat of becoming an acclaimed global celebrity while remaining a gracious, hardworking role model for people in all walks of life. Now he takes us behind the scenes, from winning the Wimbledon 2008 final -- described by John McEnroe as "the greatest game of tennis" he had ever seen -- to the family problems that brought him low in 2009 and the numerous injuries that have threatened his career. With candor and intelligence, Nadal brings readers on his dramatic and triumphant journey, never losing sight of the prize he values above all others: the unity and love of his family. From RAFA:"During a match, you are in a permanent battle to fight back your everyday vulnerabilities, bottle up your human feelings. The more bottled up they are, the greater your chances of winning, so long as you've trained as hard as you play and the gap in talent is not too wide between you and your rival. The gap in talent with Federer existed, but it was not impossibly wide. It was narrow enough, even on his favorite surface in the tournament he played best, for me to know that if I silenced the doubts and fears, and exaggerated hopes, inside my head better than he did, I could beat him. You have to cage yourself in protective armor, turn yourself into a bloodless warrior. It's a kind of self-hypnosis, a game you play, with deadly seriousness, to disguise your own weaknesses from yourself, as well as from your rival."

Zonal Marking: The Making of Modern European Football Createspace Independent Publishing Platform

After the hugely popular Volume 1, Volume 2 gives you another rare opportunity into Pep Guardiola's Training Sessions with 85 Practices taken directly from Pep's training sessions including: Technical Circuits, Passing, Rondos, Positional and Possession Games, Small to Large Sided Games at Manchester City, Bayern Munich and FC Barcelona.

Learning to Lose Cambridge University Press

Throughout the world football is a potent force in the lives of billions of people. Focusing on national, political and cultural identities, football is the medium through which the world's hopes and fears, passions and hatreds are expressed.

45 Professional Soccer Possession Drills Thomas Nelson

With rare and unrivaled access, bestselling coauthor of Soccernomics and longtime Financial Times journalist Simon Kuper tells the story of how FC Barcelona became the most successful club in the world—and how that era is now ending FC Barcelona is not just the world's highest grossing sports club, it is simply one of the most influential organizations on the planet. At last count, it had approximately 214 million social media followers, more than any other sports club except Real Madrid CF—and by one earlier measure, more than all thirty-two NFL teams combined. It has more in common with multinational megacompanies like Netflix or small nation-states than it does with most soccer teams. No wonder its motto is "More than a club." But it was not always so. In the past three decades, Barcelona went from a regional team to a global powerhouse, becoming a model of sustained excellence and beautiful soccer, and a consistent winner of championships. Simon Kuper unravels exactly how this transformation took place, paying special attention to the club's two biggest stars, Johan Cruyff and Lionel Messi, who is arguably the greatest soccer player of all time. Messi joined Barça at age thirteen and, more than anyone, has been the engine and standard-bearer of Barcelona's glory. But his era is coming to an end—and with it, a once-in-a-lifetime golden run. This book charts Barça's rise and fall. Like many world-beating organizations, FC Barcelona closely guards its secrets, granting few outsiders access to the Camp Nou, its legendary home stadium. But after decades of writing about the sport and the club, Kuper was given access to the inner sanctum and the people behind the scenes who strive daily to keep Barcelona at the top. Erudite, personal, and capturing all the latest upheavals, his portrait of this incredible institution goes beyond soccer to understand FC Barcelona as a unique social, cultural, and political phenomenon.

People are seeking the answer to the confusion, the moral sickness, the spiritual emptiness that oppresses the world. We are all crying out for guidance. For comfort. For peace. Is there a way out of our dilemma? Can we really find personal peace with God? Yes! But only if we look in the right place. The Key to Personal Peace not only includes trusted Biblical insights from renowned evangelist Dr. Billy Graham, but also includes the full gospel of John, making the book a perfect gift for evangelism or outreach. The Key to Personal Peace offers a look into how to live life in the fullness of God. Sections include: The Great Quest Our Dilemma What is God Like What Did Jesus Do for Us? Finding the Way Back Peace at Last Heaven, Our Hope Note: Must be ordered in multiples of 50.

The Cinema of Latin America HarperCollins

It is Sylvia's sixteenth birthday, and her life as an adult is about to begin—not with the party she had been planning, but with a car accident and a broken leg. Behind the wheel is a talented young soccer player, just arrived from Buenos Aires and set for stardom on and off the field. As their destinies collide and a young romance is set in motion, across town, Sylvia's father and grandfather are finding their own lives suddenly derailed by a violent murder and a secret affair with a prostitute. Set against the maze of Madrid's congested and contested streets, Learning to Lose follows these four individuals as they swerve off course in unexpected directions. Each of them is dodging guilt and the fear of failure, but their shared search for

happiness, love, purity, redemption, and, above all, a way to survive, forms a taut narrative web that binds the characters together. From one of Spain's most celebrated contemporary writers, Learning to Lose is a lucid and gripping view into the complexities of lives overturned and into the capriciousness of modern life, with its intoxicating highs and devastating lows.

Warren Buffett's Stock Portfolio is the first book to take readers deep into Warren Buffett's investment portfolio. Each of Buffett's current stock investments is analyzed in detail with information as to why Buffett found these attractive businesses and how he determined that they are good long-term investments. Each company will be analyzed using the criteria outlined in Buffettology and Warren Buffett and the Interpretation of Financial Statements. The reader can then apply these techniques to a variety of other stocks and see if they meet Buffett's criteria. Although information about Warren Buffett's stock portfolio is available on-line, it is merely listings of the stocks Warren owns. No one else explains the criteria Warren uses to determine how and when to buy and sell. In addition this book will include stocks that are too new to be on-line. The authors will also look at a few top-performing stocks that Warren has sold in the last ten years.

The Expected Goals method is football's best-kept secret. The metric gives unparalleled insight into which teams and players are performing at the highest level. Professional gamblers have used Expected Goals to make millions through football betting. Club scouts have used Expected Goals to identify hidden gems in the transfer market. And the media have recently started using Expected Goals to offer more profound insight in their broadcasts. Despite this, most ordinary fans still don't understand what the Expected Goals method is - or appreciate the significant impact that it is set to have on the sport in coming years. Expected Goals (otherwise known as xG) was originally conjured up by a small corner of the online football analytics community. It didn't take long for professional gamblers to begin using xG to predict match outcomes. These bettors utilised the Expected Goals method to turn over hundreds of millions of pounds from the bookmakers. Before long, football clubs had caught on to the ground-breaking insight given by xG. Brentford FC were leaders in this field, managing to assemble a Play-Off-reaching squad on a shoe-string budget. In the last five years, the small West London side have turned over more than £100m in transfer revenue from their use of the Expected Goals method in player recruitment. More recently, the Expected Goals method has been adopted by the media as a form of insight. Fans are finally catching on to the pioneering means of football analysis. Soon enough, anyone who doesn't understand the Expected Goals philosophy will be left behind. "This book will make you watch football differently" - Tobias Pedersen "Possibly the most ground-breaking football book ever written" - Football Impact "A brilliant account of the history and future of Expected Goals" - StatShot

The Making of Modern Colombia BackPage Press

"James Victore is a dangerous man. His ideas on optimizing your creativity, doing wow work and building a life that inspires will devastate your limits. And show you how to win. Read this book fast." —Robin Sharma, #1 bestselling author of The Monk Who Sold His Ferrari Begin before you're ready. Renowned designer and professional hell-raiser James Victore wants to drag you off your couch and throw you headfirst into a life of bold creativity. He'll guide you through all the twists, trials, and triumphs of starting your creative career, from finding your voice to picking the right moment to start a project (hint: It's now). Bring your biggest, craziest, most revolutionary ideas, and he will give you the kick in the pants you need to make them real. No matter what industry or medium you work in, this book will help you live, work, and create freely and fearlessly. Here are some dangerous ideas: • The things that made you weird as a kid make you great today. • Work is serious play. • Your ego can't dance. • The struggle is everything. • Freedom is something you take. • There ain't no rules. Take a risk. Try them out. Live dangerously. More praise for Feck Perfection: "In James Victore's new book, he unequivocally proves why he is the master he is. In every chapter, he challenges and inspires the reader to reach for more, to try harder and to create our best selves. It is a magnificent and momentous experience. (All true)." —Debbie Millman, Host Design Matters "James Victore got famous creating tough posters that shook me to the core. He now does the same using the written word. To you." —Stefan Sagmeister, designer

The Warren Buffett Stock Portfolio Thomas Nelson

Since his arrival to Liverpool, Jurgen Klopp transformed The Merseyside club into a pressing machine. Dortmund's former manager implemented the tactic he popularized which is counter-pressing, known as "Gegenpressing" in German. This book addresses the defending transition in theory and the gegenpressing in particular, besides analyzing Liverpool's pressing moments. This book offers some sessions from European Top teams concerning the defending transition as well.

En una era donde las organizaciones y la sociedad anhelan un cambio, el libro Liderazgo humano: De la revolución a la evolución te desafía a explorar una visión innovadora y profundamente auténtica del liderazgo. En una era de cambios vertiginosos, no es suficiente adherirse a los estilos de liderazgo tradicionales. Nuestras experiencias culturales influyen en nuestra comprensión del liderazgo. Por eso, utilizar esa comprensión para moldear la cultura de tu organización, mejorar la comunicación y fomentar un ambiente laboral positivo es esencial. Esta obra nos invita a abrazar la adaptabilidad y el aprendizaje continuo, a cuestionar los viejos patrones y a valorar la resiliencia y la transformación. Liderazgo humano: de la revolución a la evolución no es solo un llamado a liderar de manera efectiva, sino una invitación a hacerlo con equilibrio, compasión y autenticidad. ¿Estás listo para garantizar el bienestar y la felicidad de tu equipo y llevarlos a un nivel de desarrollo que nunca antes habían experimentado?

Pep Guardiola Bold Type Books

The Third World Congress of Science and Football was held in Cardiff, Wales in April 1995. The aim of the conference was to continue to bridge the gap between the theory and practice of the various branches of football and increase the awareness of the value of a scientific approach to these games. These aims and the outcomes of the conference are reflected in this third volume of Science and Football. The volume is divided into eight parts, each part containing a group of papers that are related by theme or disciplinary approach. Metabolism and nutrition, football training, match analysis, medical aspects of football and psychology and football behaviour are just a few of the areas covered in this comprehensive, in-depth volume that has been fully edited and revised. The conclusions drawn during the congress represent an invaluable practical reference for coaches,

scientists, players, managers, and all those involved in the many football codes.

Play Like Pep Guardiola's Barcelona Orion Publishing Company

Carlo Ancelotti is one of the greatest managers of all time, with five Champions League titles to his name. Yet his approach could not be further from

the aggressive theatricals favoured by many of his rivals. His understated style has earned him the fierce loyalty of players like David Beckham, Zlatan Ibrahimovic and Cristiano Ronaldo. In *Quiet Leadership*, Ancelotti reveals the full, riveting story of his managerial career - his methods, mentors, mistakes and triumphs - and takes us inside the dressing room to trace the characters, challenges and decisions that have shaped him. The result is both a scintillating memoir and a rare insight into the business of leadership.
