In this romantic comedy, a construction worker renovating a brainy, beautiful doctor's home offers to give the love-shy lady some lessons in love. Neurosurgeon Julia Fitzgerald graduated

high school at fourteen, whizzed through medical school and even became a successful navy captain. But when it comes to romance, she's a dunce. No amount of education can help her find a date or understand what men really want. When handsome-as-heck contractor Kane Chatterson begins renovating Julia's house, nothing in her medical training can explain the shiver she feels every time she looks at him. She only know he's . . . distracting. Is it his strong, tanned forearms? His quiet, confident manner? Mr. Sexy Flannel Shirt doesn't have any of the qualities Julia believes she needs in a man. But when he offers to help her find the perfect date, she reluctantly agrees. And as Julia gets schooled in the fine art of love, she realizes that Kane might be exactly what the doctor ordered . . .

Rachael Farrington is sitting on a riverbank when young Jason Beauvale wanders into her life. The two become inseparable, but Rachael's mother is suspicious of the boy; he's wealthy and, for reasons of her own, she has no trust for him and his kind. As the couple become closer, Jason shares a secret: Many years earlier he witnessed his father escape, badly injured, under a hail of bullets. He doesn't know why it happened, or if his father survived, or why his mother then chose a life in hiding, refusing to speak much of him or their past lives again. These are mysteries that haunt the boy and which he aches to resolve. In an ironic twist, as the young couple battle against those determined to end their passionate relationship, they are confronted by the very forces that lurked in Jason's past. In the turmoil that follows, loved ones soon face abduction, imprisonment and death, as an unscrupulous organization, known as The Syndicate, seeks to fulfill a long-outstanding resolution to which Jason unwittingly becomes the key. The fight for justice falls to Rachael, but with high-ranking police corruption working to defeat her, how can she alone bring The Syndicate down?

Murder past and present obsesses Edinburgh's hardest cop... Skinner must help a criminal in order to catch a killer in Skinner's Mission, the sixth novel in Quintin Jardine's bestselling Edinburgh crime series. Perfect for fans of Ian Rankin and Peter James. 'Once again Jardine serves up a thriller full of action, gritty realism and sharp patter' - Darlington Northern Echo When an Edinburgh car showroom is torched, leaving a charred body among the burnt-out luxury cars, Deputy Chief Constable Bob Skinner wonders if a life of crime has finally caught up with one of the city's most elusive villains. But the corpse turns out not to be that of Jackie Charles, the owner of the showroom, but his wife Carole. Skinner now finds himself on the same side as his old enemy in the search for the killer. However, Skinner's number one priority is a murder much closer to home. Ever since memories of his first wife Myra's death resurfaced under hypnosis, the question of how she really died has become an obsession which could threaten his career, his marriage and even his sanity. As Skinner and his daughter Alex unlock the hidden secrets of Myra's past, they discover a woman neither could have imagined. A Myra whose bloody fate is linked inextricably across the years with the fiery death of Carole Charles and the murderous events which it triggers. What readers are saying about Skinner's Mission: 'Absolutely first class' 'A book I couldn't put down. Skinner is fascinating' 'Compelling story with a completely unexpected twist'

The Mobility Diaries Good Press

An investigative journalist confronts 13 of Northeast Ohio's most intriguing unsolved crimes and attempts to crack open dark secrets that have baffled Clevelanders for years, including: •

Abduction—In 2003, sixteen-year-old Georgina DeJesus disappeared on a West Side street corner, almost exactly one year after teenager Amanda Berry vanished just blocks away. • Stolen Identity—Joseph Newton Chandler of Eastlake was not who he claimed to be. Some think he was the Zodiac killer; others say he was D.B. Cooper, or even Jim Morrison. • Suicide or murder?—Joseph Kupchik hid gambling problems from friends and family until he was found at the bottom of a nine-story parking deck in downtown Cleveland—with multiple stab wounds. • Heist—In 1969, Lakewood bank employee Ted Conrad nabbed \$215,000 from the vault one day after his twentieth birthday. The FBI still shows up at his high school reunions. • Controversy—Jeffrey Krotine was thrice tried for the grisly 2003 murder of his wife and ultimately acquitted, to the frustration of Cuyahoga County prosecutors, detectives, and even jurors. These stories venture into dark alleys and seedy strip clubs, as well as comfortable suburbs and cozy small towns, where some of the region's most horrendous crimes have occurred. Renner's unblinking eye for detail and unwavering search for the truth make this book a gripping read.

The Autocar SAE International

With well over 25 years of experience, Sven Beiker is widely regarded as the mobility expert in Silicon Valley specializing in future trends for the automotive and mobility industries including autonomous driving, connectivity, electrification, and shared mobility. In *The Mobility Diaries: Connecting the Milestones of Innovation Leading to ACES*, he opens up his personal diary regarding his take on 50 years of mobility innovation and history interwoven with his experiences from 1978 to 2018. From the Foreword by Reilly P. Brennan: "Understanding how transportation itself evolved requires a unique prism. The core components of vehicles today have stories and engineering journeys worth their own telling, and that is what is so exciting about the way we can learn about them in this text. Dr. Beiker's curriculum vitae, from BMW to Stanford University to McKinsey, are a compendium of experiences that created this unique historical and biographical book." "Sven and I are kindred spirits in the mobility world. His view on the evolution of mobility and technology illustrates why Detroit and Silicon Valley need one another." Darkstone Penguin

The 'Sci-Fi Ultimate Collection: 170+ Space Adventures, Dystopian Novels & Lost World Classics' stands as a testament to the vast and varied universe of science fiction, encapsulating the ingenuity and diversity of thought from the 19th to the early 20th centuries. This anthology spans a range of literary styles from the exploratory whims of Jules Verne to the dark, introspective narratives of H.P. Lovecraft, and the socio-political commentaries of H.G. Wells and George Orwell offering a broad view of the thematic concerns and stylistic evolutions within the genre. Notably, it includes landmark pieces that have defined and expanded the boundaries of speculative fiction, exploring themes of dystopia, utopia, cosmic horror, and science as both salvation and doom, thereby providing a comprehensive overview of the genre's development and its reflection of societal anxieties and

aspirations. The contributing authors and editors, each distinguished by their own unique contributions to literature and thought, bring a rich tapestry of background, perspective, and cultural context to the anthology. From the pioneering speculative visions of Mary Shelley, whose 'Frankenstein' laid the groundwork for scientific fiction as a critical mirror to society, to the sophisticated social critiques embedded in the works of Aldous Huxley and Sinclair Lewis, the collection is a convergence of voices that have not only defined but also challenged their contemporary sociopolitical paradigms. By aligning with various historical, cultural, and literary movements, these authors collectively amplify the anthology's exploration of human nature, progress, and the infinitely expanding boundaries of the unknown. 'Readers seeking not just entertainment but also a deep cultural and philosophical engagement with science fiction as a genre will find the 'Sci-Fi Ultimate Collection' an invaluable resource. This anthology affords a unique opportunity to experience the breadth and depth of speculative fiction through the eyes of its most iconic figures. It invites readers to traverse time and space, to challenge their preconceptions, and to engage in a dialogue with the past, understanding how past generations envisioned the future. For anyone interested in the evolution of science fiction and its role in critiquing, reflecting, and shaping societal views, this collection is an indispensable compendium, illuminating the myriad ways in which the genre has captivated the human imagination.

Driven to Murder Macmillan

In the riveting murder mystery, "Driven to Murder," Evelyn has long been a master at concealing her past, but keeping it buried is a whole different challenge. When a seemingly too-good-to-be-true opportunity presents itself, she finds herself entangled in a web of deceit, desire, and deadly consequences. Evelyn's plan appears straightforward—manipulate Aaron, a man whose desire for her body is evident in the sparkle of his eyes from the moment they first met. In a carefully crafted routine, she keeps her distance, offering no encouragement, while he remains blissfully unaware of her intentions. But as time passes, the moment for change draws near, and she prepares to seduce him, eager to reap the rewards of her plotting and planning. Evelyn believes herself to be the sole player in this dangerous game, with no rivals to challenge her. Her focus narrows to Aaron's wife, a woman with a wandering eye for other men. The question that lingers in Evelyn's mind is when to make her move—a calculated decision that could change the course of all their lives. "Driven to Murder" is an unconventional mystery that delves deep into the psyche of its characters, where deceit and desire collide in a sinister dance. Join Evelyn as she navigates the treacherous path she has chosen, where hidden agendas, dark secrets, and deadly ambitions lurk just beneath the surface. Will her calculated moves lead to the rewards she seeks, or will her relentless pursuit of desire drive her to the brink of murder?
