Holistic nutritionist and highly-regarded blogger Sarah Britton presents a refreshing, straight-forward approach to balancing mind, body, and spirit through a diet made up of whole foods. Sarah Britton's approach to plant-based cuisine is about satisfaction--foods that satiate on a physical, emotional, and spiritual level. Based on her knowledge of nutrition and her love of cooking, Sarah Britton crafts recipes made from organic vegetables, fruits, whole grains, beans, lentils, nuts, and seeds. She explains how a diet based on whole foods allows the body to

regulate itself, eliminating the need to count calories. My New Roots draws on the enormous appeal of Sarah Britton's blog, which strikes the perfect balance between healthy and delicious food. She is a "whole food lover," a cook who makes simple accessible plant-based meals that are a pleasure to eat and a joy to make. This book takes its cues from the rhythms of the earth, showcasing 100 seasonal recipes. Sarah simmers thinly sliced celery root until it mimics pasta for Butternut Squash Lasagna, and whips up easy raw chocolate to make homemade chocolate-nut butter candy cups. Her recipes are not about sacrifice, deprivation, or labels--they are about enjoying delicious food that's also good for you.

In the first in this cat-filled cozy series, aspiring mystery author

Sabrina Tate is about to discover that when it comes to solving murders, her new feline friend Hitchcock is a master of sleuthing... Sabrina has never been the superstitious type. Still, when she moves to Lavender, Texas, to write her first novel and help her Aunt Rowe manage her vacation rental business, Sabrina can't avoid listening to the rumors that a local black cat is a jinx—especially after the stray in question leads her directly to the scene of a murder. The deceased turns out to be none other than her Aunt Rowe's awful cousin Bobby Joe Flowers, a known cheat and womanizer who had no shortage of enemies. The only problem is that Aunt Rowe and Bobby Joe had quarreled just before the cousin turned up dead, leaving Rowe at the top of the long list of suspects. Now it's up to Sabrina to clear her aunt's name. Luckily for her, she's got a new sidekick, Hitchcock the Bad Luck Cat, to help her sniff out clues and stalk a killer before Aunt Rowe winds up the victim of even more misfortune...

Bombs on Aunt Dainty Penguin

Six friends. One killer. Who do you trust? A teen girl is missing after a night of partying; thirty years later, the discovery of her body reopens a cold case in "a scorching portrait of friendship and its betrayal." (Nicci French). "This enjoyably chilling suspense tale . . . conveys both the thrills and the dangers of being a teenager on the brink of adult independence."—The New York Times Book Review On a scorching July night in 1983, a group of teenagers goes camping in the forest. When they wake in the morning the youngest of their group, Aurora Jackson, has disappeared. An exhaustive investigation is launched, but no trace of the teenager is ever found. Thirty years later, Aurora's body is unearthed in a hideaway that only the six friends knew

about, and Jonah Sheens is put in charge of solving the long-cold case. Back in 1983, as a young cop in their small town, he had known the teenagers—including Aurora—personally, even before taking part in the search. Now he's determined to finally get to the truth of what happened that night. Sheens's investigation brings the members of the camping party back to the forest, where they will be confronted once again with the events that left one of them dead and all of them profoundly changed forever. This searing, psychologically captivating novel marks the arrival of a dazzling new talent, and the start of a new series featuring Detective Chief Inspector Jonah Sheens. Praise for *She Lies in Wait* "A novel that literally makes you hold your breath then gasp out loud."—Val McDermid "She Lies in Wait is an atmospheric, deeply satisfying, well-written mystery whose resolution rings true after lots of false leads and blind alleys. A remarkably adept first novel. One hopes there will be many more to come."—Daily Herald "The mystery intrigues and twists, offering enough red herrings and moments of police procedural to please fans of the genre."—Kirkus Reviews (starred review) "What a marvel! A corkscrew-twisty, knife-sharp thriller—yet it doubles as a tender ode to loss and longing. Prepare to be haunted."—A. J. Finn, author of the New York Times bestseller *The Woman in the Window*

Black Cat Crossing Abrams

A magisterial history of the artists and writers who left Weimar when the Nazis came to power In 1933 thousands of intellectuals, artists, writers, militants and other opponents of the Nazi regime fled Germany. They were, in the words of Heinrich Mann, "the best of Germany," refusing to remain citizens in this new state

that legalized terror and brutality. Exiled across the world, they continued the fight against Nazism in prose, poetry, painting, architecture, film and theater. *Weimar in Exile* follows these lives, from the rise of national socialism to their return to a ruined homeland, retracing their stories, struggles, setbacks and rare victories. The dignity in exile of Walter Benjamin, Ernst Bloch, Bertolt Brecht, Alfred Döblin, Hanns Eisler, Heinrich Mann, Thomas Mann, Anna Seghers, Ernst Toller, Stefan Zweig and many others provides a counterpoint to the story of Germany under the Nazis.

Advertising has traditionally communicated messages to consumers with strong local and national identities. However, increasingly, products, producers, advertising agencies and media are becoming internationalized. In the development of strategies that appeal to a large multinational consumer base, advertising language takes on new 'multilingual' features. The author explores the role of advertising language in this new globalized environment, from a communicative theory point of view, as well as from a close linguistic analysis of some major advertising campaigns within a multicultural and multilingual marketplace.

She Lies in Wait Penguin

BAUDOLINO gravita em torno dos prazeres da corte de Federico Hohenstaufen, conhecido como Barbarossa, à época da Terceira

Cruzada. A história engloba justamente o período entre 1152 e 1204, começando com a ascensão de Barbarossa ao trono e terminando com a conquista de Constantinopla pela temida ordem dos cavaleiros templários. A trama é protagonizada por Baudolino - adolescente, criativo e mentiroso que dá título à obra - e Niceta Coniate, personagem inspirado em um historiador e orador que viveu na corte de Constantinopla. A narrativa retrocede, enquanto Baudolino conta a Niceta suas aventuras e desventuras, numa mistura de fantasia e realidade, História e faz-de-conta. Tudo isso temperado por inúmeras situações cômicas. No intervalo, Eco embaralha os seus personagens inventados e produz o mais recorrente efeito de seu texto: interferir em acontecimentos históricos conhecidos por meio de atos ou circunstâncias vividas pelos personagens fictícios.

My friend Anna Random House

First published in Germany to popular and critical acclaim, this is a unique portrait of the life and work of Theodor Fontane, the greatest German novelist of his age, as well as a major poet and theater critic and much loved travel writer. Gordon A. Craig, one of the foremost scholars of German history, interpolates a cohesive historical biography of Fontane with his own reflections on the art, culture, and politics of Fontane's world. The ideas and impressions of Fontane and Craig echo one another throughout the book in compelling and fascinating ways. Fontane's travel accounts of Scotland and Prussia are enriched by Craig's discussion of Germany's increasingly national vision of itself and the world at the time of unification. Similarly, Craig's mastery of German military history dovetails remarkably well with Fontane's reportage on Germany's wars with Denmark, Austria, and France.

Interesting are Fontane's ruminations over his great contemporary Otto von Bismarck, whom he revered as founder of the Reich but whose policies he feared would in the end be self-defeating. Although Fontane's Wanderings through the Mark Brandenburg and his novels are more widely read in Germany today than they were in his own time, and although his masterpiece *Effi Briest* was the basis for a famous Fassbinder film, Fontane remains little known in the English-speaking world. Theodor Fontane is the ideal introduction to this major European writer, a master of social analysis and one of the great letter writers of his age.

You Can in the astonishing true story of Anna Delvey, a young con artist posing as an heiress in New York City—as told by the former Vanity Fair photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at Le Coucou, infrared sauna sessions at HigherDOSE, drinks at the 11 Howard Library bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, *My Friend Anna* is an unforgettable true story of "glamour, greed, lust for power" (The New York Times), and female friendship.

Nephilim Harper Collins

From the author of the international bestseller, *IF I STAY*, now a major film starring Chloe Grace Moretz. When sheltered American good girl Allyson "LuLu" Healey first meets laid-back Dutch actor Willem De Ruiter at an underground performance of Twelfth Night in England, there's an undeniable spark. After just one day together, that spark bursts into a flame, or so it seems to Allyson, until the following morning, when she wakes up after a whirlwind day in Paris to discover that Willem has left. Over the next year, Allyson embarks on a journey to come to terms with the narrow confines of her life, and through Shakespeare, travel, and a quest for her almost-true-love, to break free of those confines. Perfect for fans of John Green, *Just One Day* is the first in a sweepingly romantic duet of novels. Willem's story - *Just One Year* - is out now.

Just One Day Goldmann Verlag

A simple practice to heal your past and cleanse negative memories to live a more peaceful and harmonious life • Details how to apply Ho'oponopono to deal with traumatic past events, destructive thought patterns, family dynamics, daily annoyances, or any other disagreeable event in your life, from traffic jams to relationship break-ups • Draws on the new science of epigenetics and quantum physics to explain how Ho'oponopono works • Explains how the trauma of past events can cloud your perceptions and reveals how to break free from the weight of your memories Based on an ancestral Hawaiian shamanic ritual, the healing practice of Ho'oponopono teaches you to cleanse your consciousness of negative memories, unconscious fears, and dysfunctional programming and grant yourself forgiveness, peace, and love. The process is deceptively simple--first you must

recognize your own responsibility for creating the events in your life, then you are ready to apply the mantra of Ho'oponopono: I'm sorry, Forgive me, Thank you, I love you. Repeated several times over a dedicated interval, the negativity is replaced with inner peace, love, and harmony--and, as the stories in this book show, sometimes even miracles take place. In this step-by-step guide, the authors explain how to apply Ho'oponopono to traumatic past events, destructive thought patterns, family dynamics, daily annoyances, or any other disagreeable event in your life, from traffic jams to relationship break-ups. Drawing on quantum physics and epigenetics, they explore how Ho'oponopono works--how thoughts and consciousness can affect the expression of your DNA, the materialization of your goals, and the behavior of those around you. They explain how negative thought patterns and memories unconsciously guide your life and draw more negativity to you, perpetuating the cycle of bad events and clouding your recollection of the past. By apologizing to yourself, your memory, and the event in question, you can forgive yourself, heal your memories, and cleanse your perceptions. By reconciling with yourself, you open your heart to love for your experiences, yourself, and others and bring harmony to your mind, body, and the world around you.

Carl Gustav Carus (1789-1869)--court physician to the king of Saxony--was a naturalist, amateur painter, and theoretician of landscape painting whose *Nine Letters on Landscape Painting* is an important document of early German romanticism and an elegant appeal for the integration of art and science. Carus was inspired by and had contacts with the greatest German intellectuals of his day. Carus prefaced his work with a letter from his correspondence with Johann Wolfgang von Goethe, who was his primary mentor in both science and art. His writings also reflect, however, the influence of the German natural philosopher Friedrich Wilhelm Joseph Schelling, especially Schelling's notion of a world soul, and the writings of the naturalist and explorer Alexander von Humboldt. Carus played a role in the revolution in landscape painting taking place in Saxony around Caspar David Friedrich. The first edition appears here in English for the first time.

Lara is the heartbreaking story of lovers Boris Pasternak, the author of *Doctor Zhivago*, and Olga Ivinskaya—the true tragedy behind the timeless classic. “Anna Pasternak does not spare an ounce of drama nor detail from the story of her great-uncle’s love affair with Olga Ivinskaya, the inspiration for *Doctor Zhivago*’s Lara. The result is a profoundly moving meditation on love, loyalty and, ultimately, forgiveness.” —New York Times—bestselling author Amanda Foreman When Stalin came

into power in 1924, the Communist government began persecuting dissident writers. Though he spared the life of Boris Pasternak—whose novel-in-progress, *Doctor Zhivago*, was suspected of being anti-Soviet—Stalin persecuted Boris’s mistress, typist, and literary muse, Olga Ivinskaya. Boris’s affair devastated the Pasternaks, and they were keen to disavow Olga’s role in Boris’s writing. Twice sentenced to work in Siberian labor camps, Olga was interrogated about Boris’s book, but she didn’t betray the man she loved. Released from the gulags, Olga assumed that Boris would leave his wife for her but, trapped by his family’s expectations and his own weak will, he never did. Drawing on previously neglected family sources and original interviews, Anna Pasternak explores her great-uncle’s hidden act of moral compromise, and restores to history the passionate affair that inspired and animated *Doctor Zhivago*. Devastated that Olga suffered on his behalf and frustrated that he could not match her loyalty to him, Boris instead channeled his thwarted passion for her into his novel’s love story. Filled with the rich detail of Boris’s secret life, Lara unearths a moving love story of courage, loyalty, suffering, drama, and loss, casting a new light on the legacy of *Doctor Zhivago*.

The inspiration for the Sofia Coppola film. The true story of the privileged teenagers who stole millions of dollars worth of valuables from celebrities. With a list of victims that reads like a “Who’s Who” of young Hollywood, including Lindsay Lohan, Orlando Bloom, Paris Hilton, and Rachel Bilson, *The Bling Ring* is the stuff of writers’ imaginations—with one exception—it’s a true story. The media asked: Why would a group of kids who already

had designer clothes, money, cars, and status take such risks? Award-winning journalist Nancy Jo Sales found the answer: They did it because they could. And because it was easy. “A great piece of crime reportage,” *The Bling Ring* is a shocking look at the seedy world of the real young Hollywood (The New York Observer). “For a satire on America’s modern day celebrity culture, *The Bling Ring* is hard to beat.” —The Guardian “Sales [is] a superlative reporter.” —People “Absolutely terrific.” —The Awl “Brilliant.” —Grazia Daily

With a star that rose from unforgettable child acting roles, such as A. C. Slater in *Saved by the Bell*, to the forefront of today’s entertainment media, Mario Lopez is nothing short of a pop culture sensation. Now, as he turns forty, Mario looks back on his life with a newfound perspective and a humorous sensibility of how things have changed with age, divulging for the first time the endearing, surprising, and sometimes difficult experiences that shaped him into the loving father and husband he is today. In *Just Between Us*, Mario shares a behind-the-scenes look into his successes and disappointments in the entertainment business and how his tight-knit family and long-standing values helped keep him grounded, no matter what. With wit and candor, Mario reveals his most intimate never-before-told stories, including the details of his often tumultuous and largely public love life—giving readers a look at the ups and downs of his romantic past leading up to his happily-ever-after with his beautiful wife and their two children. This is Mario Lopez unfiltered, for the first time ever.

This memoir shares the early, troubled years of the author's wife

and transitions to their first meeting, relationship, and marriage. A woman with low self-esteem found courage, comfort, and support and dared to dream again. Friends and family often referred to their marriage as a romance meant to be.

Frontotemporal Dementia, FTD, interrupted that love story. The author devotedly cared for his wife until her passing. He weaves in journals, letters, and posts and lays bare their life through her incurable disease. Throughout much of the book, the author offers dementia mileposts, tips, and observations to assist those struggling in their own journeys. While dementia will differ person to person, many will find similarities to their own experiences. The book serves two purposes as both an aid to those in a dementia care partner role but also as a love story.

Reverence for J. S. Bach's music and its towering presence in our cultural memory have long affected how people hear his works. In his own time, however, Bach stood as just another figure among a number of composers, many of them more popular with the music-loving public. Eschewing the great composer style of music history, Andrew Talle takes us on a journey that looks at how ordinary people made music in Bach's Germany. Talle focuses in particular on the culture of keyboard playing as lived in public and private. As he ranges through a wealth of documents, instruments, diaries, account ledgers, and works of art, Talle brings a fascinating cast of characters to life. These individuals--amateur and professional performers, patrons, instrument builders, and listeners--inhabited a lost world, and Talle's deft expertise teases out the diverse roles music played in their lives and in their relationships with one another. At the same time, his

nuanced re-creation of keyboard playing's social milieu
illuminates the era's reception of Bach's immortal works.
