The Spanish American Reader HarperCollins Ibérica

Here's a haunting two-book collection that's perfect for fans of Miss Peregrine's Home for Peculiar Children. Asylum: Madeleine Roux's New York Times bestselling Asylum is a thrilling and creepy photo-illustrated novel that Publishers Weekly called "a strong YA debut that reveals the enduring impact of buried trauma on a place." Featuring found photographs from real asylums and filled with chilling mystery and page-turning suspense, Asylum is a horror story that treads the line between genius and insanity. Sanctum: An Asylum Novel: In this haunting, fast-paced sequel to the

New York Times bestselling photo-illustrated novel Asylum, three teens must unlock some long-buried secrets from the past before the past comes back to get them first. Featuring found photographs, many from real vintage carnivals, Sanctum is a mind-bending reading experience that blurs the lines between past and present, genius and insanity. Don't miss Madeleine Roux's all-new gothic horror novel, House of Furies.

Salvaged Walter de Gruyter GmbH & Co KG

From the New York Times bestselling author of ASYLUM MONTHS AGO THE WORLD ENDED...

...when an unknown virus spread throughout North America and then the world, killing millions of people. However, that is where the horror only started. The dead began to rise and when they rose they had an insatiable appetite for the living. A new hell had been unleashed on earth and the fight for survival had just begun. Sadie Walker is one of the survivors in this new world. Living in north Seattle behind barrier that keep the living in and the dead out, she trying to get back to a normal life, while raising her eight-year-old nephew, if anyone even knows what "normal" is anymore. Then everything goes sideways when Shane is kidnapped by a group of black market thieves and they bring down a crucial barrier in the city while trying to escape, and flood the city with the

walking dead. After rescuing her nephew, Sadie and Shane escape Seattle on the last remaining boat, along with other survivors. However, now they must face the complete chaos of a world filled with flesh eating zombies and humans who are playing with a whole new rule book when it comes to survival in their journey to find a new place that they can call home.

House of Furies Tor Books

After uncovering a web of deceit that shatters her sense of self, Quinlan McKee embarks on a relentless quest for the truth and stumbles upon a horrifying conspiracy as she learns of an unstoppable impending epidemic.

The Legend of Sleepy Hollow HarperCollins

The heart-stopping third book in the New York Times bestselling Asylum series follows three teens as they take a senior year road trip to one of America's most haunted cities, uncovering dangerous secrets from their past along the way. With all the thrills, chills, and eerie found photographs that led Publishers Weekly to call Asylum "a strong YA debut," Catacomb is perfect for fans for Miss Peregrine's Home for Peculiar Children. Sometimes the past is better off buried. Senior year is finally over. After all they've been through, Dan, Abby, and Jordan are excited to take one last road

trip together, and they're just not going to think about what will happen when the summer ends. But on their way to visit Jordan's uncle in New Orleans, the three friends notice that they're being followed . . . and photographed. Then Dan starts receiving messages from someone he didn't expect to hear from again—someone who died last Halloween. When the trio arrives in New Orleans and the strange occurrences only escalate, Dan is forced to accept that everything that has happened to him in the past year may not be a coincidence, but fate—a fate that ties Dan to a group called the Bone Artists, who have a sinister fascination with notorious killers of the past. Now Dan's only hope is that he will make it out of his senior trip alive. Don't miss Madeleine Roux's all-new gothic horror novel, *House of Furies*.

Catacomb St. Martin's Griffin

Instead of sleeping, Parker Chipp enters the dream of the last person he's had eye contact with. His exhaustion is crippling. Then he meets Mia, whose calm dreams allow him blissful rest. He must go to bizarre lengths to catch Mia's eye every day.

Ruined North Star Editions, Inc.

Ellos se dicen Artistas, Artistas de Huesos. No debes nombrarlos, ya que su magia te encontrará y tu espíritu nunca estará en paz. En el tomo 2.5 de la saga *Asylum*, Los artistas de huesos, Madeleine Roux nos presenta a los personajes claves del próximo libro de la serie: *Catacomb*. Como siempre, la autora nos sumerge en escenas oscuras, cargadas de misterio y deja muchos interrogantes que se resolverán de una manera que dejará anonadado al lector en el esperado final de la saga. Saga best seller *The New York Times*.

The Scarlets HarperCollins

In this chilling e-original story set in the world of Madeleine Roux's *New York Times* bestselling novel *Asylum*, which *Publishers Weekly* called "a strong YA debut," one teen's descent into the ranks of a secret society leaves him with a secret he'll have to take to his grave. When Dan and his friends meet Cal in *Sanctum*—the sequel to *Asylum*—their impression of the privileged *New Hampshire College* student is less than stellar. But Cal wasn't always the cold, sarcastic guy he is now. In this digital original story preceding the events of *Sanctum*, we meet Cal when he is experiencing college like any other kid with a group of close friends and a dad who piles on the pressure. Only, when the pressure starts getting to him and Cal accepts an invitation to meet a selective group of students and alumni known only as the *Scarlets*, the course of Cal's life changes forever. And the price of joining the *Scarlets* might be higher than he can pay. With plenty of twists, turns, and thrills, *The Scarlets* is an exhilarating installment in the *Asylum* series that can stand on its own for new readers or provide a missing piece of the puzzle for series fans. *Epic Reads Impulse* is a digital imprint with new releases each month.

The Wedding Girl Simon and Schuster

Perfect for fans of *The Hazel Wood*, this genre-bending page-turner from *New York Times* bestselling author Madeleine Roux follows two girls who transport themselves into the world of their favorite book only to encounter the sinister alternate reality that awaits them. No matter how different best friends Adelle and Connie are, one thing they've always had in common is their love of a little-known gothic romance novel called *Moira*. So when the girls are tempted by a mysterious man to enter the world of the book, they hardly suspect it will work. But suddenly they are in the world of *Moira*, living among characters they've obsessed about for years. Except...all is not how they remembered it. The world has been turned upside down: The lavish balls and star-crossed love affairs are now interlaced with unspeakable horrors. The girls realize that something dark is lurking behind their foray into fiction—and they will have to rewrite their own arcs if they hope to escape this nightmare with their lives.

The Warden VRYA

From the *New York Times* bestselling author of *Asylum* comes the second book in a creepy fantasy series that *Publishers Weekly* praised as "darkly delightful." Perfect for fans of *Miss Peregrine's Home for Peculiar Children*. After the frightful events of last autumn, seventeen-year-old Louisa Ditton has settled into her role as a maid at *Coldthistle House*, a place of distortions and lies, but she has not settled into what that means for her humanity. As Louisa struggles to figure out whether she is worthy of redemption, the devilish Mr. Morningside plans a fete—one that will bring new guests to *Coldthistle House*. From wicked humans to Upworlders, angelic beings who look down on Mr. Morningside's monstrous staff, all are armed with their own brand of self-righteous justice. Even a man claiming to be Louisa's father has a role to play, though what his true motive is, Louisa cannot tell. The conflicts will eventually come to a head on the grounds of *Coldthistle House*—and the stakes include Louisa's very soul. In this second book of Madeleine Roux's

suspenseful *House of Furies* series, illustrations from artist Iris Compier and chilling photographs help bring to life a twisted world where the line between monsters and men is ghostly thin. "Takes the reader on a twisting path down a dark hall we're compelled to travel, no matter what is behind the door at the end. Darkly captivating." —Mindy McGinnis, *Edgar Award-winning author of A Madness So Discreet*, on *House of Furies*

The Asylum Two-Book Collection DC Comics

ADELLE Y CONNIE son íntimas amigas desde hace años, unidas por su amor a una novela poco conocida, *Moira*. Al no poder localizar a su autora, la esquivada Robin Amery, tienen que conformarse con releer el libro sin descanso mientras sueñan con lo maravilloso que sería vivir en el mundo de esa fantasía romántica, plagada de intrigas y emociones. Aun así, cuando el misterioso señor Straven las tienta a que entren en el mundo del libro, a duras penas se imaginan que pueda acabar funcionando. Y cuando se encuentran con que el mundo de la novela está patas arriba, y que a los fastuosos bailes y amores desdichados se suman horrores indecibles, comprenden que detrás de su incursión en la ficción se esconde algo siniestro y que cualquier esperanza de salir vivas de esa pesadilla pasa por reescribir sus propios argumentos. «Cerró mucho los ojos, suspirando. ¿Qué debía de haber hecho Connie? Si había dejado el mensaje significaba que estaba en la ciudad. ¿Se había quedado cerca del parque? ¿Pero hasta cuándo? El mensaje era señal de que cronológicamente llevaba más tiempo en el libro. El pasaje elegido por Adelle quedaba hacia la mitad, en medio de la trama. Ya habían pasado muchas cosas: el compromiso, el primer encuentro en el parque, el plan de secuestro, el baile de los cuchicheos... y, ahora, el segundo encuentro en el parque. Podía querer decir que Connie también llevaba más tiempo real dentro del libro. Quizá intentase buscar a alguno de sus personajes y hacerse amiga de él. Era lo que habría hecho Adelle». «Exquisitamente construida, y de una maravillosa extravagancia. Imaginativa y cautivadora». *Kirkus Reviews* «Un mundo de ficción perfectamente recreado y unos personajes redondos y atractivos dan un toque distinto y refrescante a esta aventura, con cierto romanticismo que le añade más emoción». *School Library Journal*

Tomb of Ancients John Wiley & Sons

No one is more conscious of the faults of this work than the author. Therefore some self-criticism should be woven into this foreward. There are two possible methodologically pure solutions to this book's theme: a descriptive catalog of the pictures couched in the language of natural science and accompanied by a clinical and psychopathological description of the patients, or a completely metaphysically based investigation of the process of pictorial composition. According to the latter, these unusual works, explained psychologically, and the exceptional circumstances on which they are based would be integrated as a playful variation of human expression into a total picture of the ego under the concept of an inborn creative urge, behind which we would then only have to discover a universal need for expression as an instinctive foundation. In brief, such an investigation would remain in the realm of phenomenologically observed existential forms, completely independent of psychiatry and aesthetics. The compromise between these two pure solutions must necessarily be piecemeal and must constantly defend itself against the dangers of fragmentation. We are in danger of being satisfied with pure description, the novelistic expansion of details and questions of principle; pitfalls would be very easy to avoid if we had the use of a clearly outlined method. But the problems of a new, or at least never seriously worked, field defy the methodology of every established subject.

A headless horseman haunts Sleepy Hollow! At least that's the legend in the tiny village of Tarrytown. But scary stories won't stop the town's new schoolmaster, Ichabod Crane, from crossing the hollow, especially when the beautiful Katrina lives on the other side.

Sadie Walker Is Stranded Springer Science & Business Media

In this thrilling and creepy digital original story set in the world of Madeleine Roux's *New York Times* bestselling novel *Asylum*, a young nurse starts work at the Brookline asylum—and quickly discovers that there's more to its sinister warden than meets the eye. When Jocelyn and her best friend, Madge, arrive at the gates of Brookline sanatorium—fresh out of nursing school—they are eager and excited to start their new careers. But from their very first meeting with Brookline's austere warden, they can tell their new boss will be . . . difficult. Then Jocelyn wakes up in her room one night to the sound of screaming, and she starts to wonder if the treatments in this asylum are entirely humane. But the warden has his eye on Jocelyn—and the treatment of patients should be the least of her concerns. With page-turning chills and a shocking final twist, *The Warden* is a short and terrifying installment in the *Asylum* series that can stand on its own for new

readers or provide a missing piece of the puzzle for series fans. *Epic Reads Impulse* is a digital imprint focused on young adult short stories and novellas, with new releases the first Tuesday of each month.

Escape from Asylum Harper Collins

Perfecta para los fans de Melissa Albert, esta historia de la autora superventas del *New York Times*, Madeleine Roux, sigue a dos chicas que se transportan al mundo de su libro favorito solo para encontrarse con la siniestra realidad alternativa que les espera. ADELLE Y CONNIE son íntimas amigas desde hace años, unidas por su amor a una novela poco conocida, *Moira*. Al no poder localizar a su autora, la esquivada Robin Amery, tienen que conformarse con releer el libro sin descanso mientras sueñan con lo maravilloso que sería vivir en el mundo de esa fantasía romántica, plagada de intrigas y emociones. Los artistas de huesos VRYA

I Am Not A Serial Killer is now a major film starring Christopher Lloyd and Max Records. This is the first title in the thrillingly dark *John Wayne Carver* series. John works in his family's mortuary and has an obsession with serial killers. He wants to be a good person, but fears he is a sociopath, and for years he has suppressed his dark side through a strict system of rules designed to mimic 'normal' behavior. Then a demon begins stalking his small town and killing people one by one, and John is forced to give in to his darker nature in order to save them. As he struggles to understand the demon and find a way to kill it, his own mind begins to unravel until he fears he may never regain control. Faced with the reality that he is, perhaps, more monstrous than the monster he is fighting, John must make a final stand against the horrors of both the demon and himself.

Law and Asylum HarperCollins

Shanti's quest hangs on the edge of a knife... With Isaru's state critical, Shanti and the crew must leave him in the Hollow. They return to Colonia, this time with leverage that might see her parents saved. But things go from bad to worse when the *Sanctum* seeks retribution. Shanti finds herself a hunted woman. Former friends have turned to enemies as she flees to the Ruins. There, she hopes vainly that the Sphere Priests will know the true location of Anna's prophecy. They point her in the last place she expected -- the domed cities of the Shen Collective. When she meets with the Collective's overseer, a godlike AI, she learns the incredible truth. That truth will change everything...

The Suffrage Cookbook Capstone

Allison Hewitt is trapped. In the storeroom of Brookes & Peabody's. In a world swarming with the Undead, the Doomed, the Infected. Locked away with an oddball collection of colleagues and under siege, Allison takes advantage of a surviving internet connection and blogs. She writes, as the food runs out and panic sets in, as relationships develop and friends die, and as zombies claw at the door, all in the hope of connecting with other survivors out there. But as she reads the replies to her posts, Allison begins to comprehend the horrifying scale of the damage. And when no one comes to the group's rescue, they are forced to leave the safety of their room and risk a journey across the city; streets that crawl with zombies, and worse - fellow humans competing for survival.
