I'm a nobody... until everybody realizes who I am and who I'm related to. Then it's like a giant target is painted on my back. They all think they can use me to climb the Rosewood High royalty ladder. They obviously underestimate me. I won't cower down or give in. They can't break me. But he can... without even trying. Zayn Hunter. He doesn't want to use me... he's already at the top- one of the Kings of the school. He wants something else. Something he can't have. Me. Yet he's always there, living up to his name. Stalking me, like I'm his prey... Maybe I am. Even with the teasing and taunting, he's not the real predator. He's my protector. His rescuing could be my undoing. Because not everything is a game, and the boy I love to hate isn't the only one watching. He just might be the only one who sees me... the real me. I just hope it's enough. Dear Readers, HUNTER is a dark high school bully romance, and the fifth in the emotional and addictive Rosewood High series.

She was my best friend. The person I told my deepest secrets to. But when my world came crashing down, it was all because of her family. From that moment, I realized I'd been wrong to trust her.

Her big caring eyes and sweet face were nothing but an act as she'd watched on while I tried to keep my head above water. That was our past. Now, I've largely put Camila behind me and moved on with my life. Though it doesn't explain why she's always there: taunting me, tempting me, showing me the life I could have been living. I should have been laughing when her own world turned upside down. Karma always wins out in the end. But suddenly we're forced together once again and I have no choice but to remember the girl I've tried so hard to forget. Dear Reader, PAINE is the highly anticipated follow up to my high school bully romance, THORN. Are you ready to discover the truth about what happened between Camila and Mason? This enemies to lover romance is full of angst, drama, emotions and of course steam. It is an upper YA romance and not intended for readers under 17. I hope you enjoy. xo
