Premchand's death, gives us a fascinating glimpse of north Indian society, and especially of the author's own Kayasth community. But this novel also serves to put forth his own deeply-held views of the ills of that society - the insatiable love of its women for personal adornment, its failure to create fulfilling marriage relationships, and its moral corruption. This is a felicitous translation by Christopher R. King and will enable many readers to appreciate Premchand's important novel, available for the first time in English [The Cabuliwallah](#) Penguin \*Winner of the 2017 Goodreads Choice Awards: Non-Fiction Book of the Year!\* The official debut book from YouTube phenomenon Lilly Singh. 'The ultimate no-nonsense manual for millennials how how to make it to the top' Marie Claire From actress, comedian and YouTube sensation Lilly Singh (aka Superwoman) comes the definitive guide to being a BAWSE - a person who exudes confidence, reaches goals, gets hurt efficiently, and smiles genuinely because they've fought through it all and made it out the other side. Told in her hilarious, bold voice that's

inspired over 9 million fans, and using stories from her own life to illustrate her message, Lilly proves that there are no shortcuts to success. WARNING: This book does NOT include hopeful thoughts, lucky charms, and cute quotes. That's because success, happiness and everything else you want in life needs to be fought for - not wished for. In Lilly's world, there are no escalators. Only stairs. **A Life Less Ordinary** Abde Mustafa Publications Rabinranath Tagore, also written Rabinranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of

colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.

**Doli Aur Arthi (Roman Urdu)** Abde Mustafa Publications In these enlightening and eye-opening conversations, the renowned spiritual mentor, Sister BK Shivani reveals how to create a life of joy, contentment and bliss, because we all have the choice and the power to do so. According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on 'anything' or 'anyone', or found 'anywhere'. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder why we are not happy now. Happiness is only possible when we are able to accept everyone

as they are, at every moment, in every situation. This book is a medium for the awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift from asking to sharing; from holding on to letting go; from expectations to acceptance; from the past and the future to being in the now. Happiness is a 'decision', not a 'consequence'.

clients, deals, and projects, the bestselling author of *Captivate*, Vanessa Van Edwards, shares her advanced guide to improving professional relationships through the power of cues. What makes someone charismatic? Why do some captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? If you have ever been interrupted in meetings, overlooked for career opportunities or had your ideas ignored, your cues may be the problem – and the solution. Cues – the tiny signals we send to others 24/7 through our body language, facial expressions, word choice, and vocal inflection – have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likeability, and charisma in every interaction. You'll learn: • Which body language cues assert, "I'm a leader, and here's why you

should join me." • Which vocal cues make you sound more confident • Which verbal cues to use in your résumé, branding, and emails to increase trust (and generate excitement about interacting with you.) • Which visual cues you are sending in your profile pictures, clothing, and professional brand. Whether you're pitching an investment, negotiating a job offer, or having a tough conversation with a colleague, cues can help you improve your relationships, express empathy, and create meaningful connections with lasting impact. This is an indispensable guide for entrepreneurs, team leaders, young professionals, and anyone who wants to be more influential.

*The Diary of Manu Gandhi* Penguin UK

Manu Gandhi, M.K. Gandhi's grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi's ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, *The Diary of Manu Gandhi* is a record of her life and

times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi's life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943-44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi's illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her 'mother'.
