A biographical
study of the
noted French
artist Marc
Chagall with
photos by Izis.
Marc Chagall
Paw Prints
A gorgeous,
expressive

picture-book
biography of
Marc Chagall
by the
Caldecott
Honor team
behind The
Noisy Paint
Box. Through
the window,
the student
sees . . . His
future--
butcher,
baker,
blacksmith,
but turns
away. A
classmate
sketching a

face from a
book. His
mind
blossoms. The
power of
pictures. He
draws and
erases,
dreams in
color while
Papa worries.
A folder of
pages laid on
an art
teacher's
desk. Mama
asks, Does
this boy have
talent? Pursed
lips, a shrug,

then a nod,
and a new
artist is
welcomed. His
brave heart
flying through
the streets, on
a journey
unknowable.
Known for
both his
paintings and
stained-glass
windows, Marc
Chagall rose
from humble
beginnings to
become one
of the world's
most
renowned
artists.
Admired for
his use of
color and the
powerful
emotion in his
work, Chagall
led a career
that spanned
decades and
continents,

and he never
stopped
growing. This
lyrical
narrative
shows
readers,
through many
different
windows, the
pre-WWI
childhood and
wartime
experiences
that shaped
Chagall's
path. From the
same team
behind the
Caldecott
Honor Book
The Noisy
Paint Box,
which was
about the
artist
Kandinsky,
Through the
Window is a
stunning book
that, through
Chagall's life

and work,
demonstrates
how art has
the power to
be
revolutionary.

Taylor & Francis
From the Twentieth Century Masters series, a concise overview, a comprehensive visual survey.

Marc Chagall
Chiron Publications
Examines the life and work of the painter whose Russian Jewish background did not prevent him from making an

international search for his own ways of expression. Modern Masters Series
'As fresh, poignant and individual as his paintings'
Lucy Beckett, TLS, Books of the Year 2018
'Here is my soul. Look for me here; here I am, here are my pictures, my roots'
Marc Chagall, one of the twentieth century's most popular artists, grew up in a close-knit, bustling Russian-Jewish community, the son of a herring seller. In his

colourful, dreamlike autobiography, written as he was about to leave his homeland for good in 1922, he vividly brings to life the memories and places that fed into his unique work, from his childhood to revolutionary Russia and Belle Époque Paris. Filled with Chagall's own evocative illustrations, *My Life* is as warm, joyful and humane as his art. 'Chagall writes as whimsically as he paints: lovingly

of other people, humorously and lovingly of himself' Daily Mail 'Anyone who likes Chagall's paintings will enjoy this book: the work of an unteachable, unspoiled folk artist' Evening Standard Marc Chagall Schocken This book follows Chagall's life through his art and his understanding of the role of the artist. It takes the reader through the different milieus of the nineteenth

and the twentieth century -- including the World Wars and the holocaust -- to present a unique understanding of Chagall's artistic vision. At a time when all identities are being subsumed into a 'national' identity, this book makes the case for a larger understanding of art as a way of transcending materiality. The volume explores in Chagall's work the Platonic notions of

truth, goodness, and beauty are linked and mutually illuminating. A "spiritual-humanist" interpretation of his life and work renders Chagall's work more transparent and accessible to the general reader. It will be essential reading for students of art and art history, and political philosophy. **Marc Chagall** Knopf One of the twentieth century's most beloved painters, Marc Chagall is

known for his lyrical works that are filled with images of religion, childhood memories, and dreams. This richly illustrated volume presents a cross-section of his work chronologically arranged. Illustrations of some of his most vibrant oil paintings, gouaches, and watercolors. Accompanying these reproductions are essays that illuminate Chagall's life, recount his experiences in Russia,

France, and later the United States, and examine the artistic influence of the Western avant-garde on his work. Together they celebrate an artist for whom painting was an expression of love, life, and faith. Marc Chagall
 ABRAMS
 Chagall loved blue. "The blue of the sky which ceaselessly combats the clouds which pass, which pass..." (Baudelaire).
 Marc Chagall's journey began in his native

Russia and concluded with his Parisian triumph, the extraordinary ceiling of the Paris Opera House, commissioned by André Malraux. On the way, he embraced the spirit of the twentieth century without ever disowning his Jewish-Russian origins. This work follows the path of the artist through his early works, his discovery of the United States and his passion for France. Marc Chagall,

unaffiliated with any movement but influenced by his encounters with Bakst, Matisse and Picasso, remains, undeniably, the painter of poetry.

Through the Window:
Views of Marc Chagall's Life and Art

Macmillan
 "When Matisse dies," Pablo Picasso remarked in the 1950s, "Chagall will be the only painter left who understands what color really is." As a pioneer of modernism

and one of the greatest figurative artists of the twentieth century, Marc Chagall achieved fame and fortune, and over the course of a long career created some of the best-known and most-loved paintings of our time. Yet behind this triumph lay struggle, heartbreak, bitterness, frustration, lost love, exile—and above all the miracle of survival. Born into near poverty in Russia in

1887, the son of a Jewish herring merchant, Chagall fled the repressive "potato-colored" tsarist empire in 1911 for Paris. There he worked alongside Modigliani and Léger in the tumbledown tenement called La Ruche, where "one either died or came out famous." But turmoil lay ahead—war and revolution; a period as an improbable artistic commissar in the young Soviet Union;

a difficult existence in Weimar Germany, occupied France, and eventually the United States. Throughout, as Jackie Wullschlager makes plain in this groundbreaking biography, he never ceased giving form on canvas to his dreams, longings, and memories. His subject, more often than not, was the shtetl life of his childhood, the wooden huts and synagogues, the goatherds, rabbis, and

violinists—the whole lost world of Eastern European Jewry. Wullschlager brilliantly describes this world and evokes the characters who peopled it: Chagall's passionate, energetic mother, Feigalita; his eccentric fellow painter and teacher Bakst; his clever, intense first wife, Bella; their glamorous daughter, Ida; his tough-minded final companion and wife, Vava; and the

colorful, tragic array of artist, actor, and writer friends who perished under the Stalinist regime. Wullschlager explores in detail Chagall's complex relationship with Russia and makes clear the Russian dimension he brought to Western modernism. She shows how, as André Breton put it, "under his sole impulse, metaphor made its triumphal entry into modern

painting,” and helped shape the new surrealist movement. As art critic of the Financial Times, she provides a breadth of knowledge on Chagall’s work, and at the same time as an experienced biographer she brings Chagall the man fully to life—ambitious, charming, suspicious, funny, contradictory, dependent, but above all obsessively determined to produce art of singular beauty and

emotional depth. Drawing upon hitherto unseen archival material, including numerous letters from the family collection in Paris, and illustrated with nearly two hundred paintings, drawings, and photographs, Chagall is a landmark biography to rank with Hilary Spurling’s Matisse and John Richardson’s Picasso.

Marc Chagall and His Times

Putnam Publishing Group
 Summary:
 Vignettes from the life of painter Marc Chagall are arranged under an alphabetical sequence of French words that focus on a key element of his life or work.
Marc Chagall
 Routledge
 India
 Marc Chagall was a painter, poet and dreamer as well as being an outsider and artistic eccentric. His work fuses the opposing worlds of dreams and

reality. This volume presents an overview of his body of work.

translation by

Benjamin and Barbara Harshav of the first book about Chagall's work, the 1918 Russian *The Art of Marc Chagall*. *Marc Chagall* Parkstone International On the Spirit and the Self: The Religious Art of Marc Chagall compliments and extends the scholarship surrounding Chagall's place in the History of 20th Century Art as a Religious artist. Central to this study is the psychic process of individuation and the ways in which images appear to depict the deeper changes in our collective human existence. A new perspective on Chagall's creative output is presented through the application of Jungian theory: Jung identifies a separation between the cultural and historical underpinnings of natal faith, or creed, and the presence of an internal, personal spirituality, or religious attitude. This theoretical approach helps to define Chagall's creative connection to his own natal Hasidic faith whilst clarifying the interiority of his religious experiences on a universal level. That creative development may be explored through the visual patterns of sacred transformative imagery is a new approach in Chagallian scholarship,

elevating two key concepts: the Chagallian sacred-secular binary, and the Chagallian temenos sites. Primary source materials reflecting the Artist's voice are illuminated by more than seventy colour reproductions to support the perspective that, like Jung, Chagall was among the most prolific and significant religious communicators of the 20th Century.

Part of the

Jewish Encounter series Novelist and critic Jonathan Wilson clears away the sentimental mists surrounding an artist whose career spanned two world wars, the Russian Revolution, the Holocaust, and the birth of the State of Israel. Marc Chagall's work addresses these transforming events, but his ambivalence about his role as a Jewish artist adds an intriguing wrinkle to common

assumptions about his life. Drawn to sacred subject matter, Chagall remains defiantly secular in outlook; determined to "narrate" the miraculous and tragic events of the Jewish past, he frequently chooses Jesus as a symbol of martyrdom and sacrifice. Wilson brilliantly demonstrates how Marc Chagall's life constitutes a grand canvas on which much of twentieth-century Jewish

history is vividly portrayed. Chagall left Belorussia for Paris in 1910, at the dawn of modernism, looking back dreamily on the world he abandoned. After his marriage to Bella Rosenfeld in 1915, he moved to Petrograd, but eventually returned to Paris after a stint as a Soviet commissar for art. Fleeing Paris ahead of the Nazis, Chagall arrived in New York in 1941. Drawn to

Israel, but not enough to live there, Chagall grappled endlessly with both a nostalgic attachment to a vanished past and the magnetic pull of an uninhibited secular present. Wilson's portrait of Chagall is altogether more historical, more political, and edgier than conventional wisdom would have us believe—showing us how Chagall is the emblematic Jewish artist of

the twentieth century. Visit nextbook.org/chagall for a virtual museum of Chagall images.
