Toll the Hounds Redeemer

Beyond the Empire and within it, the threat of war looms ever larger as the Blood Shrike, Helene Aquilla, Laia of Serra, and Elias Veturius all face increasing dangers.

Shadow of the Redeemer Lulu Press, Inc

Eighteen-year-old Ingrid Tirsdatter is a shieldmaiden—a Viking warrior tasked with protecting her clan while upholding their virtues of honor, valor, and total domination. She's one-hundred-percent focused on climbing the shieldmaiden ranks, and not at all focused on Axel Andersson—the overly confident and unnaturally good-looking warrior who saved her life exactly one time . . . and hasn't let her forget it. When an unparalleled enemy threatens Ingrid's clan, she vows to do everything in her power to protect her home. But saving Valkyris will require her to travel one thousand years into the future, join an elite Southern California sorority, capture a magic-wielding psychopath . . . and not fall for the one warrior in all the realms who could be her undoing. Ingrid's new assignment is a nightmare in the making, but she's determined to do her clan proud. After all, she's a shieldmaiden. And shieldmaidens never back down. This is a full length, young adult fantasy for readers who love action, adventure, subterfuge and romance.

The Left Hand of God by Paul Hoffman is the gripping first instalment in a remarkable trilogy. "Listen. The Sanctuary of the Redeemers on Shotover Scarp is named after a damned lie for there is no redemption that goes on there and less sanctuary."

The Sanctuary of the Redeemers is a vast and desolate place - a place without joy or hope. Most of its occupants were taken there as boys and for years have endured the brutal regime of the Lord Redeemers whose cruelty and violence have one singular purpose - to serve in the name of the One True Faith. In one of the Sanctuary's vast and twisting maze of corridors stands a boy. He is perhaps fourteen or fifteen years old - he is not sure and neither is anyone else. He has long-forgotten his real name, but now they call him Thomas Cale. He is strange and secretive, witty and charming, violent and profoundly bloody-minded. He is so used to the cruelty that he seems immune, but soon he will open the wrong door at the wrong time and witness an act so terrible that he will have to leave this place, or die. His only hope of survival is to escape across the arid Scablands to Memphis, a city the opposite of the Sanctuary in every way: breathtakingly beautiful, infinitely Godless, and deeply corrupt. But the Redeemers want Cale back at any price... not because of the secret he now knows but because of a much more terrifying

secret he does not. The Left Hand of God is a must read. It is the first instalment in a gripping trilogy by Paul Hoffman. Imagine if Phillip Pullman's His Dark Materials met Umberto Eco's Name of the Rose. Fans of epic heroic fiction will love this series. Praise for Paul Hoffman: 'This book gripped me from the first chapter and then dropped me days later, dazed and grinning to myself' Conn Iggulden 'Tremendous momentum' Daily Telegraph 'A cult classic . . . Campbell Memorial Award, the British Fantasy Award, and France's Prix Apollo. His popular successes include the four-volume classic The Book of the New Sun. With this new series, Wolfe not only surpasses all the most popular genre writers of the last three decades, he takes on the legends of the past century, in a work that will be favorably compared with the best of J. R. R. Tolkien, E. R. Eddison, Mervyn Peake, and T. H. White. This is a book--and a series---for the ages, from perhaps the greatest living writer in (or outside) the fantasy genre. Royal Rebel (Alfheim Academy: Book Three) Tor Books

"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review From international bestselling author S.T. Bende comes the complete story of the Ære Saga (Books 1-4). Book 1: PERFEKT ORDER All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-evah-aftah, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had. Book 2: PERFEKT CONTROL Rule the realms. Brynn Aksel is a valkyrie—a battle goddess tasked with protecting both the God of War and the future of Asgard. She fends off giants and dark elves with an iron fist, a glossy smile, and no less than perfekt control. She's focused one-hundred-percent on rising through the valkyrie ranks, and not at all on her lifelong crush on Henrik Andersson—the one

guy in all the realms who could be her undoing. Henrik serves as War's other bodyguard, and he's too focused on protecting their shared charge to realize that Brynn's a girl. When an unprecedented surge of darkness abducts the Goddess of Love, Brynn's already-steely focus is singularly directed on her new assignment—accompany Henrik to recover the realms' source of light before the cosmos descends into chaos. While battling demons, dragons, and the not-quite-dead, it becomes clear that immortality does not equal invincibility. And when Hel herself puts a hit on Brynn, the valkyrie has to decide if staying in control is worth losing everything . . . or if it's time to rule the realms. Book 3: PERFEKT BALANCE Become what you believe. Elsa Fredriksen knows there's a thin line between love and fear. As High Healer, she rights the wrongs committed by those who choose the darkness. But even Asgard's secret weapon can't undo every injury—especially when her fate is completely entwined with the god she's trying to save. Elsa's in love with the Norse God of Justice. But Forse's heart is ruled by fear—fear that the past will repeat itself; fear that opening his heart will compromise his ability to do his job; fear that he'll hurt the one girl he desperately wants to protect. Again. When Elsa faces off against the very monster she once swore to protect, her survival depends on a power she isn't sure she can control. And when Forse's worst nightmare unfolds in front of him, Elsa has to decide whether it's more important to hold the realms in perfekt balance . . . or hold onto the guy she can't imagine existing without. Book 4: PERFEKT MATCH For honor. For love. For Asgard. Valkyrie Brynn Aksel is ready for some downtime. But when an urgent warning arrives from Asgard, heralding the death of a beloved god and the dawn of Ragnarok—the not-so-mythological end of days—it becomes clear there's no rest for the gods . . . not when future of the realms is on the line. Goddess of Love Freya Skönsten can't shake the darkness that's clung to her since her Helheim imprisonment. An unsanctioned romantic connection with a mortal is the only thing keeping her in the light, but Freya's vow to the Norms prevents her from fully uniting with her perfekt match. When Hel returns to finish what she started, Freya must decide how much she's ready to sacrifice to save the family she loves . . . and whether she's willing to give up everything for the worlds she's sworn to protect. With the forces of darkness aligning to destroy the realms, it's clear more than just Love hangs in the balance. Ragnarok has arrived. And it's shaping up to be the perfekt storm.

The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos.
