fittingly, from top to bottom instead of from side to side, making it perfect for story-time sharing."--

Corwin Press  
Could a witch hunt happen again in Salem? New York Times bestselling author of *The Lace Reader* Brunonia Barry returns to Salem with this spellbinding new thriller, a complex brew of suspense, seduction and murder. When a teenage boy

dies suspiciously on Halloween night, Salem's chief of police, John Rafferty, wonders if there is a connection between his death and Salem's most notorious cold case, a triple homicide dubbed "The Goddess Murders," in which three young women, all descended from accused Salem witches, were slashed on Halloween night in 1989. He finds unexpected help in Callie Cahill, the daughter of

one of the victims newly returned to town. Neither believes that the main suspect, Rose Whelan, respected local historian, is guilty of murder or witchcraft. But exonerating Rose might mean crossing paths with a dangerous force. Were the women victims of an all-too-human vengeance, or was the devil raised in Salem that night? And if they cannot discover what truly happened, will evil rise

again?

Capstone Classroom Students of all levels need to know how to write a well-reasoned, coherent research paper—and for decades Kate L. Turabian’s Student’s Guide to Writing College Papers has helped them to develop this critical skill. For its fifth edition, Chicago has reconceived and renewed this classic work for today’s

generation. Addressing the same range of topics as Turabian’s A Manual for Writers of Research Papers, Theses, and Dissertations but for beginning writers and researchers, this guide introduces students to the art of formulating an effective argument, conducting high-quality research with limited resources, and writing an engaging class paper. This new

edition includes fresh examples of research topics, clarified terminology, more illustrations, and new information about using online sources and citation software. It features updated citation guidelines for Chicago, MLA, and APA styles, aligning with the latest editions of these popular style manuals. It emphasizes argument, research, and writing as extensions of

activities that students already do in their everyday lives. It also includes a more expansive view of what the end product of research might be, showing that knowledge can be presented in more ways than on a printed page. Friendly and authoritative, the fifth edition of Student's Guide to Writing College Papers combines decades of expert advice with new

revisions based on feedback from students and teachers. Time-tested and teacher-approved, this book will prepare students to be better critical thinkers and help them develop a sense of inquiry that will serve them well beyond the classroom. **"They Say** Simon and Schuster PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the

Percy Jackson and the Olympians series Everything in Texas is bigger . . . even murder. Meet Tres Navarre—tequila drinker, Tai Chi master, and unlicensed P.I., with a penchant for Texas-size trouble. Jackson “Tres” Navarre and his enchilada-eating cat, Robert Johnson, pull into San Antonio and find nothing waiting but trouble. Ten years ago Navarre left town and the

memory of his father's murder behind him. Now he's back, looking for answers. Yet the more Tres digs, trying to put his suspicions to rest, the fresher the decade-old crime looks: Mafia connections, construction site payoffs, and slick politicians' games all conspire to ruin his homecoming. It's obvious Tres has stirred up a hornet's nest of trouble. He gets attacked, shot at, run over by a big

blue Thunderbird—and his old girlfriend, the one he wants back, is missing. Tres has to rescue the woman, nail his father's murderer, and get the hell out of Dodge before mob-style Texas justice catches up to him. The chances of staying alive looked better for the defenders of the Alamo. "Riordan writes so well about the people and topography of his Texas hometown

that he quickly marks the territory as his own."—Chicago Tribune
