Author Kathy King has developed a variation the decorative paper craft of quilling to create unique designs in beadwork. In bead quilling--instead of thin strips of paper--thin strips of beads, made with square stitch, are wrapped to form circles, scrolls, and squares. The holes of the beads, rather than the sides, are exposed, to become part of the distinctive design. The author works with simple and complex combinations of quilled beads to create a variety of jewelry designs. She also incorporates crystals, pearls, and decorative threads into the pieces to add interest and texture.

Spirit of the West is a pattern book of images to create in Peyote Stitch or Brick Stitch. There are nine patterns including a gray wolf, a horse at sunset, a coyote, the sunset over the mountains, a brown bear, a bald eagle, a horse kachina, a bobcat, and a squirrel. Each pattern is presented with both a lettered chart of the image and a word chart. The lettered chart is easier to read than a chart with symbols and can be used as a guide for Brick Stitch. The word chart lays out the bead pattern one row at a time for Peyote Stitch, which is much easier than following the chart. An introductory chapter also includes instructions in peyote stitch, selecting beads, colors, and threads, assembling an amulet bag, and adding fringe and a strap. The final page of the book also lists some suggestions on what to do with your beadwork if you do not

want to make an amulet bag. This book is the first in a series of pattern books for Peyote and Brick Stitch. Watch for more books coming soon.
