## HOUSTON GUERRA

*The Official Good Roads Year Book of the United States* UNM Press  
 This guide provides all the information and maps necessary for 40 of the top bicycle tours in New Mexico.

*Federal Highways and Forest Roads* American Map

In the course of the hundreds of Rio Chama rafting trips that we've logged during the last 30 years, none of us has ever had a bad trip. Such is the magic of the Rio Chama. No matter the weather, the water level, the season, the crowded Big Eddy boat ramp on a blistering Sunday afternoon, or even the coffee forgotten at home, the Rio Chama remains "The People's River." Its stunning beauty, plus its exceptional camping, user-friendly whitewater, and mostly predictable flows, combine to create one of the Southwest's premiere, multi-day, river running experiences. The spectacular, towering canyon walls of the Wild & Scenic section through the remote Chama River Canyon Wilderness is New Mexico's own "Grand Canyon." The geology of the Rio Chama is so exceptional that this river is ideally suited for a river guide with a geological theme. And so, following the release of the Rio Grande geologic river guide in 2011, we turned our (part-time) attention to the Rio Chama. Although most Rio Chama recreation is focused on the El Vado to Big Eddy stretch, the decision was easily made to include the entire boatable section, from the highlands in Colorado to the confluence with the Rio Grande, as each section of the river displays its own visual spectacles and assortment of adventures. Plus, the geology is magnificent and diverse along the entire length of the river.

*New Mexico Bouldering* Moon Travel

At My Itchy Travel Feet, The Baby Boomer's Guide to Travel, writer Donna Hull and photographer Alan Hull travel the world recording their boomer travel experiences with words, photos, and videos so that you'll know exactly what to expect. Their goal? To get boomers off the couch and out into the world. In this Blog to Book, they've chosen some of their favorite journeys to share with you. Take a road trip in Northern Italy, drive the California Big Sur coast, or explore Arches, Canyonlands, Glacier, and Grand Tetons National Parks. You'll find a chapter on small ship luxury cruising and a travel tips section with advice on road trips, cruising, travel photography, and multi-generational travel. So, pull up a chair, grab a cup of coffee, and start reading about active travel for boomers. It's guaranteed to make your travel feet itchy!

*New Mexico 2050* University of New Mexico Press

The indispensable traveler's guide to the history of places throughout the Land of Enchantment.

*Fear and Loathing in Las Vegas* Hyperink Inc

Rio Arriba: A New Mexico County Rio arriba. In Spanish, the lower case rio arriba stands for the "upper river," that portion of northern New Mexico that straddles the Rio del Norte, the historic name of the Rio Grande. In the upper case, they stand for Rio Arriba County, a geopolitical entity that constitutes a small portion of the historic rio arriba. The words define a vast portion of New Mexico that extends from the historic villa of Santa Fe north into the San Luis Valley of today's southern Colorado. Former New Mexico State Historian Robert J. Torrez, Robert Trapp, long-time owner and publisher of Espanola's Rio Grande Sun, and eight additional authors have come together to examine the long and complex history of this rio arriba. Rio Arriba: A New Mexico County reviews the history of this fascinating and unique area. The authors provide us an overview of its primordial beginnings (that left us the fossilized remains of coelophysis, our official state fossil), introduce us to the Tewa peoples that established the county's first permanent settlements, as discuss the role the Navajo, Ute, and Jicarilla Apache played in the region's history. As the history unfolds, the reader learns about the Spanish conquistadores and later-arriving Americans, their often contentious relations with the Native American peoples, and how the communities they established and the institutions they brought with them helped shape the Rio Arriba County of today.

*Patagonian Road* Santa Fe Writers Project

The "Mother Road," opened in 1926 and decommissioned in 1984, played a prominent role in the transformation of the nation. Now an international legend through popular culture and the arts, Route 66 has become the road trip of a lifetime. New Mexico Kicks on Route 66 takes you on a tour through all the fun places along the New Mexico stretch, steeped in the rich and diverse history of the Land of Enchantment.

*Geology of the Jemez Region II* University of Arizona Press

The Land of Enchantment is known for its scenic natural beauty and plentiful rock climbing, with its rich geology and excellent climate. This book is the first guide to bouldering in the state and compiles over 1000 problems in central and northern NM, with 40 maps and 240 topographic photos. Areas covered include: Socorro Box Canyon, Albuquerque Sandia Mountains, Ponderosa, the Ortegas and Roy.

*New Mexico!* UNM Press

Though academically thorough in its exploration, the popular style of delivery of Massacre on the Lordsburg Road will capture and hold the interest of general readers of Indian history.

*No Country for Old Men* Vintage

New Mexico native and travel and food writer Carolyn Graham goes beyond the standard restaurant guide to detail her personal experiences traveling and eating around the state. The result is a distinctive road map of flavors, ingredients, and fusions that bring

these New Mexico food trails to life. This guide is for those who are ready to hit the road and want to be informed about the places they are visiting. It's for foodies, travelers, adventurers, and eaters who want to go beyond the online reviews to explore the culture and people of New Mexico through its cuisine. New Mexico Food Trails takes readers and road trippers on a tour of the state with their taste buds, through towns large and small, where cooks and chefs are putting their own spin on New Mexico's most famous ingredients and dishes. Take a delicious journey to find and experience some of the best dishes, drinks, flavors, textures, and terroir in the Land of Enchantment.

*Road Atlas, United States* UNM Press

Located in Southwest Collection.

**My Itchy Travel Feet: Breathtaking Adventure Vacation Ideas** Avalon Travel Pub

Covering just the United States in a larger scale for easier reading, this road atlas utilizes digital cartography to present large-scale, up-to-date maps. Each map includes details of climate and terrain, as well as some of the featured area's attractions.

*The Road to Mexico* University of New Mexico Press

A study of the classic north-south highway connecting Santa Fe and Chihauhau, pioneered by Onate in 1598.

*Massacre On The Lordsburg Road* Rowman & Littlefield

A textbook discussing the state's history, government, economy, geography, and culture.

*The Place Names of New Mexico* University of New Mexico Press

Here some of the state's most noted and qualified policy experts answer two vital questions: New Mexico 2050—What can we be? What will we be? They have produced in this volume, edited by

former US Senator Fred Harris, a dynamic blueprint for New Mexico's future—a manual for leaders and public officials, a text for students, a sourcebook for teachers and researchers, and a guide for citizens who want the Land of Enchantment to also become the Land of Opportunity for all. Contributors include economists Lee Reynis and Jim Peach, education policy expert Veronica García, health and health care specialist Nandini Pillai Kuehn, political scientists Gabriel Sánchez and Shannon Sánchez-Youngblood, Native American scholar Veronica Tiller, icon of New Mexico cultural affairs and the arts V. B. Price, authorities on water and the environment Laura Paskus and Adrian Oglesby, planning specialist Aaron Sussman, and inaugural Albuquerque poet laureate Hakim Bellamy. Digital versions of individual chapters allow interested readers to explore the key issues impacting the state of New Mexico.

*Frommer's Easyguide to Santa Fe, Taos and Albuquerque* Rio Grande Books

New Mexico's long and dramatic history was in many ways

predestined by its location, vast size, and abundant mineral resources. Treasure-hunting Spanish explorers tramped across its plains and scaled its mountains in search of the Seven Cities of Cibola in the sixteenth century. In clashing with descendants of the prehistoric Indian population, the Spanish began three centuries of struggles that lasted through the nineteenth century when the steamroller of United States expansion arrived. The history of New Mexico is the story of the blending of the three cultures--Hispanic, Indian, and Anglo. In this volume, a historian and a cartographer collaborate to depict specific aspects of the state's geography and events of its history, with the narrative illustrated through maps. Topics include geographical data (from topography to weather), sites of prehistoric civilizations, Spanish and United States expeditions, first towns, historic trails, the Civil War, stagecoach lines, railroads, county boundaries, principal cities and roads, state and national parks and monuments, and state judicial districts.

**New Mexico's Continental Divide Trail** Big Earth Publishing  
This revised and expanded edition of *Roadside New Mexico* provides additional information about these sites and includes approximately one hundred new markers, sixty-five of which document the contribution of women to the history of New Mexico.

**The Rio Chama** Benchmark Maps

The arrival of Missourian William Becknell's party at Santa Fe in 1821 ushered in the era of the annual "Santa Fe trade" between the United States and the Mexican settlements to the south and

opened the famous route known as the Santa Fe Trail. Of even greater significance, but largely overlooked today, is the fact that it also opened a road from the United States connecting with a major Mexican high way, for Santa Fe was the terminus of the 1,600-mile Camino Real, the "King's Highway," stretching southward to Chihuahua and the interior cities of Mexico. Over this Royal Road between Santa Fe and Chihuahua lumbered the caravans of the Santa Fe traders, who exchanged American dry goods and hardware for Mexican silver and mules. Over it, too, traveled Colonel Doniphan's Missouri Volunteers, bent on establishing the boundary of Texas at the Rio Grande. Indeed, without this main artery of travel, the history of both the United States and Mexico might have been vastly different. This book tells the exciting story of the Chihuahua Trail, of the volume and value of the frontier commerce, its peculiar trade practices, the risks of the road, and the government controls exercised by both countries. But, more than that, it tells of the traders themselves and their influence on the government and citizenry of New Mexico, an influence strong enough to destroy that province's will to resist when the Mexican War broke out in 1846, and of their role in the war and their importance in making New Mexico into an American territory. Max L. Moorhead was professor of history at the University of Oklahoma and editor of the Santa Fe trader Josiah Gregg's classic account *COMMERCE OF THE PRAIRIES*, published by the University of Oklahoma Press. Mark L. Gardner is the editor of *BROTHERS ON THE SANTA FE AND CHIHUAHUA TRAILS: EDWARD JAMES GLASGOW AND WILLIAM HENRY GLASGOW, 1846-1848*.

*New Mexico Forest Highway 45, Sacramento River Road, Sunspot to Timberon, Otero County, New Mexico* University of Oklahoma Press

Dec. 9 hearing was held in Albuquerque, N. Mex.; Dec. 11 hearing was held in Portland, Oreg.; Dec. 12 hearing was held in Seattle, Wash.; Dec. 13 hearing was held in Lewiston, Idaho; Dec. 14 hearing was held in Missoula, Mont.

*The Highway Magazine* Texas A&M University Press

The landscape of New Mexico inspires a sense of peace, awe, and grandeur unlike any other state -- and it contains some of the country's most remote and unexplored natural areas. For day hikers, campers, or backpackers planning a long trek, this guide is absolutely essential for charting your way through this rugged and dramatic landscape. Well-known writer Bob Julyan's precise and entertaining prose, combined with Tom Till's extraordinary photographs, lead the reader through hundreds of miles of breathtaking scenery.

*Another Way Forward*

The new National Geographic Benchmark Recreation Atlases are an ideal recreation resource complete with accurate, detailed topographic maps. They contain a wealth of robust travel information, including campground locations, state park maps, sports and activity destinations, museums, hunting and fishing information, historic sites and even climate details. Every feature is clearly labelled, field-checked and verified, and everything is organised for convenience and intuitive ease-of-use. The books feature a double laminated cover to prevent wear and tear.
